100 YEARS OF VISION
40 YEARS OF VALUE BASED EDUCATION
ETERNAL UNIVERSITY

HONOURING A VISIONARY LEGACY

Padma Shri

SANT BABA IQBAL SINGH JI

(1926 – 2022)

*"Dedicated to 100 years of life and legacy of **Padma Shri Sant Baba Iqbal Singh Ji**, whose vision and eternal blessings helped establish this university as the 1st Women University in Himachal Pradesh for academic learning with values, research, and holistic development, empowering women for a bright and purposeful future."*

Sant Maharaj Attar Singh Ji

(1866–1927)

SAINT | SCHOLAR | VISIONARY EDUCATIONIST

> *"Education with spiritual grounding leads to true progress and universal brotherhood."*

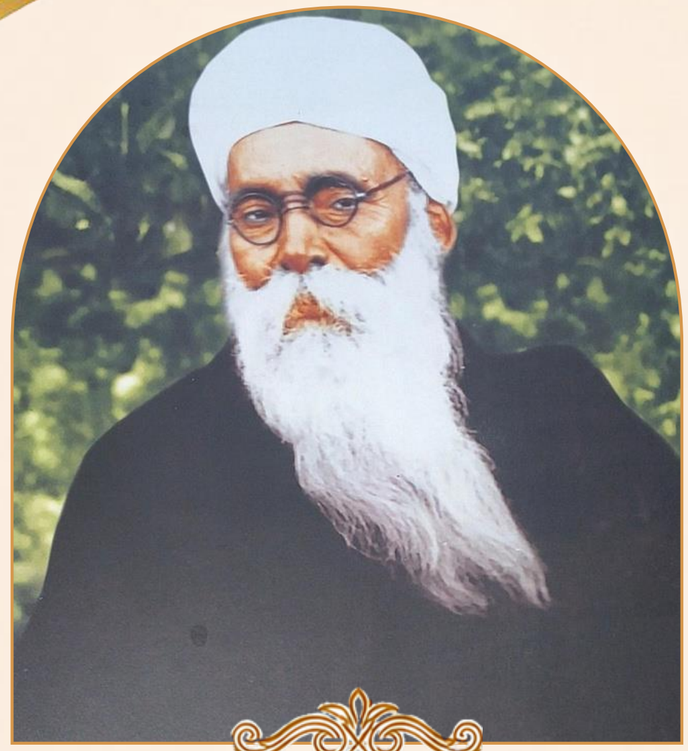
A revered Sikh saint, scholar and visionary educationist, Sant Baba Attar Singh Ji shaped the religious and social landscape of early twentieth-century Punjab — and planted the seed from which Eternal University would one day grow.

Born in the **village of Cheema,** he began his working life in the British Indian Army before turning fully to a life of spiritual devotion, meditation (Simran), and the propagation of Sikh tenets through Amrit Prachar.

Convinced that true progress **demanded both spiritual grounding and modern intellect,** he became a pioneer of holistic education — championing women's literacy at a time when few did, and establishing the foundational institutions at Gurdwara Gur Sagar, Mastuana Sahib, to blend scientific learning with moral values.

His **spiritual authority** and message of **universal brotherhood** crossed every religious boundary, earning him deep respect across India's diverse communities. In 1914, Pandit Madan Mohan Malaviya invited him to lay the foundation stone of the prestigious Banaras Hindu University (BHU) — a measure of his pan-Indian stature.

By the time of his passing in 1927, Sant Ji had inspired over one million people to embrace lives of moral character and spiritual discipline — a legacy of educational enlightenment and selfless service that continues to guide generations, including the University that carries his vision forward today.



Sant Teja Singh Ji Maharaj

(1877-1965)

SCHOLAR || EDUCATOR || SPIRITUAL LEADER | | VISIONARY

> “ Education rooted in spiritual values
> builds character, compassion, and competence –
> the true foundation of a just and harmonious society.

An eminent Sikh scholar, visionary educator and spiritual leader, Sant Teja Singh Ji devoted his life to fusing modern scientific education with deep spiritual values.

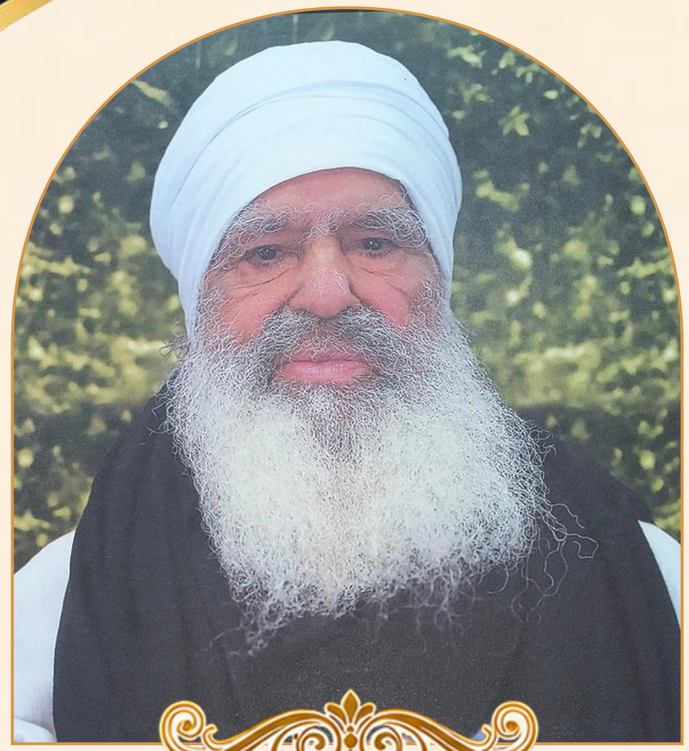
Blessed by Sant Attar Singh Ji Mastuana, he became one of the earliest ambassadors of Sikhism to the Western world in the early twentieth century. Remarkably well-educated for his era, he earned degrees from Punjab University before travelling abroad to study at the University of Cambridge and Harvard University, where he completed his Master's degree.

Across Europe, Canada and the United States, he championed the rights of Indian immigrants, helped establish some of the earliest Sikh institutions abroad, and lectured widely to bridge cultures and carry forward Guru Nanak Dev Ji's message of universal brotherhood.

On his return to India, he turned his energies toward building sustainable, spiritually grounded models of education. His most enduring legacy is Baru Sahib — the Valley of Divine Peace — nestled in the remote hills of Himachal Pradesh, a sanctuary he envisioned as a premier center where children could excel in modern science while remaining anchored in moral values.

Under his spiritual successors, that vision grew into the Kalgidhar Trust, which today runs a vast network of academies, universities and healthcare institutions across Northern India — a blueprint for social reform that continues to inspire millions globally.

Through his lifelong commitment to uplifting humanity, Sant Teja Singh Ji left behind a profound blueprint for social reform that continues to inspire millions globally.



Padma Shri

Sant Baba Iqbal Singh Ji

(1926–2022)

Founder | Visionary | Educationist | Philanthropist

> *Education with values is the true path to building a just, compassionate, and empowered society.*

Sant Baba Iqbal Singh Ji was an eminent Sikh socio-spiritual leader, educatorist and philanthropist who devoted his life to uplifting rural communities through modern, value-based education.

After a distinguished career as Director of Agriculture for the Government of Himachal Pradesh, he chose a path of lifelong selfless service under the spiritual guidance of Sant Attar Singh Ji and Sant Teja Singh Ji. He founded **The Kalgidhar Trust** at Baru Sahib, Himachal Pradesh — an institution that grew from a single room into a network of **over 120 Akal Academies** and **multiple institutions of higher education,** bringing affordable, quality schooling to underprivileged children across rural North India.

Believing that true empowerment comes from holistic development, he was a fierce advocate for **women's education** and **youth drug de-addiction**, establishing dedicated centers to rehabilitate affected individuals and guide them toward constructive futures. His leadership fused scientific learning with deep moral and spiritual values, earning him global respect as an architect of social reform.

In recognition of his monumental contribution to education and social work, the Government of India posthumously conferred on him the **Padma Shri** — the nation's fourthhighest civilian award — in 2022.

PADMA BHUSHAN

Dr. Khem Singh Gill

(1930 – 2019)

Scientist | Geneticist | Architect of Green Revolution | Visionary

> *A Legacy of Science, Service, and Spirituality: Dedicating life to crop breeding and rural empowerment.*

A LIFETIME OF ACADEMIC & SPIRITUAL EXCELLENCE

Dr. Khem Singh Gill was an internationally acclaimed agricultural scientist, geneticist, plant breeder, and academic administrator whose pioneering contributions helped transform India from a food-deficient nation into a self-reliant agricultural power. Born in Kaleke village (Moga, Punjab), he earned his Ph.D. in Plant Genetics from the **University of California, Riverside**.

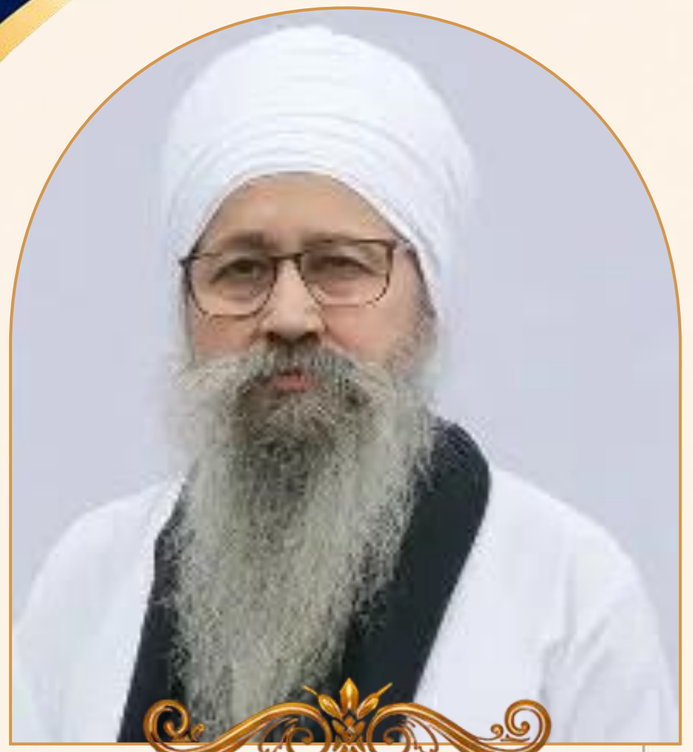
During his illustrious career at **PAU, Ludhiana**—serving as Head of Plant Breeding, Dean, Director of Research, and Vice-Chancellor (1990–1993)—he led the Wheat Improvement Programme and bred or guided over **30 high-yielding cultivars**, including 17 landmark wheat varieties along with pearl millet, linseed, sesame, and barley.

Reflecting the ideal of a true **"Saint-Scientist,"** he believed science must serve humanity with humility and compassion. Working closely with **Sant Baba Iqbal Singh Ji** under the vision of Sant Teja Singh Ji Maharaj, he served as Vice-President of **The Kalgidhar Trust**, shaping 129 Akal Academies and co-founding **Eternal University, Baru Sahib**.

Dr. Khem Singh Gill Akal College of Agriculture (DKSGACA):

- ✓ **Academic Excellence:** ICAR-accredited B.Sc. (Hons.) Agriculture & B.Tech Food Tech.
- ✓ **Sustainable Farming:** Biofortification, organic farming & resource conservation.
- ✓ **Rural Outreach:** Community programs like Mera Gaon Mera Gaurav & Kisan Melas.
- ✓ **Women Empowerment:** Preparing rural women as agrarian scientists & green entrepreneurs.

Major Honors: Conferred with the prestigious **Padma Bhushan (1992)**, Rafi Ahmed Kidwai Prize, ICAR Team Research Award, and elected Fellow of INSA & TWAS.



CHANCELLOR

DR. DAVINDER SINGH JI

MBBS, MD

FROM CHANCELLOR'S DESK

Eternal University, Baru Sahib is the living embodiment of a vision Sant Attar Singh Ji held nearly a hundred years ago — a seat of higher learning built to nurture outstanding human beings who would carry a message of love and spiritual brotherhood, not just across this country, but to the entire world.

'Sanskar Nirman' — the building of character — is the mantra our founding fathers chose as the very foundation of this institution. Our women's university is set within the captivating Baru Valley, amid deep woods and fresh water springs, in an ambience made for spiritual rejuvenation.

Our campus draws a beautiful diversity of students from every part of the country, giving young women the freedom to express themselves without inhibition and grow into extraordinary human beings — with nerves of steel, and, in equal measure unlimited patience, forbearance, tolerance and love for all humanity.

With deep prayers,

Dr. Davinder Singh

PRO CHANCELLOR

DR. NEELAM KAUR

MBBS, MS

Learning together, leading together

FROM PRO CHANCELLOR'S DESK

It is my pleasure to welcome you to Eternal University. As Pro Chancellor, I am honoured to lead a vibrant academic community dedicated to excellence in education, research and service.

Eternal University was established under Himachal Pradesh Act No. 3 of 2009 to deliver value-based higher education that furthers rural development, women's empowerment, and universal brotherhood for eternal world peace — a vision set forth by Sant Baba Attar Singh Ji and Sant Baba Teja Singh Ji, and carried into action by Padma Sri Shiromani Panth Rattan and Himachal Gaurav Sant Baba Iqbal Singh Ji, under the aegis of the Kalgidhar Trust.

Today, the University offers nearly 75 academic programs, from undergraduate to Ph.D. level, spanning Basic Sciences, Agriculture, Food Technology, Biotechnology, Engineering and Technology, Economics, Commerce and Management, Education, Literature, Psychology, Nursing and Public Health, Horticulture, and Divine Music — delivered across seven constituent colleges.

Our highly trained faculty is committed to giving every student a transformative learning experience that prepares her to thrive in a fast-changing world. A comprehensive Outcome-Based Education curriculum, aligned with the National Education Policy (NEP 2020), combined with state-of-the-art infrastructure, has created an environment where innovation flourishes, ideas are exchanged, and dreams take shape.

Reserved exclusively for women, the University offers a safe, peaceful and pollution-free environment for academic and spiritual growth — a modern gurukul designed for the all-round development of every student.

Humbly in service,

Dr. Neelam Kaur

FROM VICE CHANCELLOR'S DESK

VICE CHANCELLOR

PROF. JASWINDER SINGH

It is my great pleasure to extend a warm welcome to you all. As Vice-Chancellor, I feel privileged to lead a vibrant academic community committed to the pursuit of excellence in education, research and service to society. Eternal University was established under Himachal Pradesh Act No. 3 of 2009 with the vision of imparting value-based higher education that promotes rural development, women's empowerment and universal brotherhood, while advancing the noble cause of eternal world peace. This vision was envisaged by Sant Baba Attar Singh Ji and Sant Baba Teja Singh Ji and realized through the dedicated efforts of Padma Shri Shiromani Panth Rattan and Himachal Gaurav Sant Baba Iqbal Singh Ji, under the aegis of the Kalgidhar Trust.

Eternal University offers nearly 75 academic programmes, spanning a diverse range of disciplines encompassing Basic Sciences, Agriculture, Food Technology, Engineering and Technology, Economics, Commerce, Management, Education, Literature, Psychology, Nursing, Public Health, Horticulture, and Divine Music, reflecting its commitment to multidisciplinary learning and academic excellence.

The University's comprehensive OBE framework, aligned NEP 2020, complemented by state-of-the-art infrastructure and modern learning facilities, fosters an environment where innovation thrives, ideas are nurtured, and aspirations are transformed into achievements. As a women-only university, Eternal University provides a safe, peaceful and pollution-free environment that promotes academic excellence, personal growth and spiritual enrichment.

With best wishes

FROM REGISTRAR'S DESK

Dr. SURJAN SINGH

Ph.D., M.Phil., M.Sc. MATHEMATICS

Education is a tool that **focuses on character building, propagation of moral values, and nurturing an environment of ethical growth.** The spiritual aspect helps students to grow beyond material **pursuits,** fostering inner peace and global consciousness. A study finds that spirituality in education can increase and stimulate awareness, foster creativity and imagination, connect someone with purpose & meaning and facilitate relations with God. Therefore, a blend of moral and spiritual education paves the way for holistic development. Students become better individuals, equipped with virtues of respect, tolerance, and understanding. They develop emotional resilience and a sense of unity that extends beyond the confines of classrooms.

It is with this mission of His Excellence & Holly Sant Baba Iqbal Singh Ji, the former & founder Chancellor; the Eternal University is currently imparting education in 22 Under Graduate, 30 Post Graduate (master degree), 23 Ph. D programmes and 3 in certificate courses such as mental health & substance abuse, Geriatric care assistant, etc. The students across states of India and from abroad are preferring this University for their holistic development and spread the message of peace in the place of their future service.

With best wishes

Dr. Khem Singh Gill
Akal College of Agriculture

Nurturing Future Leaders in Agriculture, Food Technology and Sustainable Development

Named in honour of the legendary agricultural scientist **Dr. Khem Singh Gill**, the College is one of North India's premier centers for agricultural education — and the first private institution in Himachal Pradesh to offer agricultural education exclusively for women.

Learning here blends classroom instruction with laboratory experimentation, field-based education and hands-on research. Students gain real experience through research farms, protected cultivation, dairy management, mushroom production, beekeeping, horticultural orchards and modern food-processing laboratories — tackling contemporary challenges like climate-resilient agriculture, precision farming, food processing, biotechnology, nutrition and sustainable resource management through practical, industry-connected learning.

The College's research spans bio-fortified crops, protected cultivation, food science, molecular biology, plant breeding and biotechnology, and its B.Sc. (Hons.) Agriculture programme is ICAR-accredited.

ACADEMIC PROGRAMMES

- B.Sc. (Hons.) Agriculture
- B.Tech. Food Technology
- M.Sc. Programmes in Agriculture, Horticulture, Food Science & Technology, Biotechnology, Agronomy, Plant Breeding, Plant Pathology, Entomology, Agricultural Economics, Agricultural Extension and Soil Science.
- Ph.D. Programmes across multiple agricultural disciplines

HIGHLIGHTS

- ICAR-accredited Agriculture programme
- Four dedicated research stations
- Advanced food technology laboratories
- Protected cultivation facilities
- Dairy, apiary and mushroom production units
- READY & Farmer Outreach Programmes
- Industry exposure and farmer interaction programmes

• Strong focus on research, innovation and entrepreneurship

EU CLUBS – BRIEF DESCRIPTION

Eternal University Clubs for Global Impact (EUGI) is a consortium of student clubs and organizations aligned with the United Nations Sustainable Development Goals (SDGs). These clubs have been formed to bridge the gap between classroom theory and real-world practice through hands-on learning, experiential activities, innovation, leadership, and community engagement.

EUGI provides a platform for faculty and students to channel their passion, skills, and creativity into meaningful projects that contribute to sustainable development and positive social change. Through active participation, students develop teamwork, leadership, problem-solving, communication, and professional skills while making a meaningful contribution to society and the environment.
