**Subject: Course Approval for the academic session 2018-19.**

Sir,

Kindly refer to your letter No. EU/RO/RC/25 dated 23/02/2018 and letter No. EU/RO/RC/25 dated 13/03/2018 on the subject cited above. In this context, I am directed to convey the decision of this Commission as under:-

- 1. As per detail submitted by you, there are only two functional qualified teachers in Agronomy and during the 2017-18, two students have already been allowed whereas in 2018-19, also two students in M.Sc. have been allowed, but keeping in view your request 2 more students are allowed to be admitted making total number of students to be admitted in the Academic Session 2018-19 to 4. Moreover these degree programmes are research and thesis based so it cannot be equated to general master programmes. Since M.Sc. Agriculture involves lot of theoretical and field oriented experimentation, the work load w.r.t. guiding a student is heavy. Hence to guide two students at a time is an arduous job for a teacher when the course is being started for the first time.*
- 2. There are only two teachers in Plant Pathology and in M.Sc. Plant Pathology 4 seats have been allowed which are sufficient initially.*
- 3. In entomology, there are two teachers and 4 students in Masters programme have been allotted. Being Research and Thesis basis based degree programme two students per teacher are more than sufficient in a year to be guided. At present out of these two teachers Ms. Priyanka Thakur is pursuing her Ph.D. Allotment of seats is justified.*
- 4. In M.Sc. Horticulture., the said course is research-cum-Thesis based along with coursework and there are only two teachers in Horticulture and there was no admission during last Academic Session 2017-18. Therefore considering all these facts, the Regulatory Commission decided to grant 4 seats in M.Sc. (Horticulture).*

5. **DOCTORAL/ RESEARCH PROGRAMMES:**

*Request for Doctoral Programme was considered and decided as under:*

(a) **Ph.D. (Computer Science Engineering):**

*There is only one teacher and students already enrolled are still continuing, so no more students are allowed to be enrolled during the Academic Session 2018-19*

(b) **Ph.D. (Economics):**

*Since no admission could have been made in Ph.D. Economic, the Regulatory Commission allowed 2 seats in the subject/ course*

(c) **Ph.D.(Public Health):**

*No student allowed as the faculty is not appropriate to undertake the Ph.D. programme.*

(d) **Ph. D. (Renewal Eneergy):**

*It was admitted by the University that girl students do not opt for this subject and the university is only Women University, so no seat is approved.*

(e) **Ph.D. (Commerce):**

*There is no admission in Masters Programme hence no seat is granted for Ph.D. admission.*

Rest of the terms & conditions as laid out in the original course approval as conveyed vide this Commission letter of even No. 3332-3339 dated 26/12/2017 will remain the same with respect to satisfactory report of inspections by different agencies and governing bodies.
