Ref. No. EU/VCO/SDG/88/002

Dated: November 23, 2021

## GREEN PRINTING PLEDGE

Under the guidance of "The Kalgidhar Trust", in continuation to our commitment of reducing the carbon footprint, Eternal University is pleased to notify that as a result of the "Use both sides of paper to print", your collective effort & determination to this cause has resulted in 50% reduction of the paper usage over the last one year.

So heartiest congratulations to all of you to achieve this feat.

While this simple step has given us huge savings, we know it is not enough. Hence, to build upon this further, we are happy to announce the following initiatives in combating the carbon footprint due to paper usage:

1. Use of **eco-friendly file folders** which are made of 100% recycled waste from our Baru Sahib campus. With immediate effect, we will be only procuring the 100% ecological file folders provided by the Akal Waste Management Unit.
2. We are also launching a pilot project "**Promote Green Printing**", where 100 brochures and visiting cards will be printed on **100% recycled paper** from our Waste Management Unit. Depending on the success of this pilot, we will create a long-term policy to sustain this across the board.
3. **PLASTIC FREE Baru Sahib Community.** The Kalgidhar Trust has taken a pledge to declare the campus plastic free by the end of 2022. This is in accordance with COP26 and our Sustainability Conference Pledge(as a result of the National Sustainability Conference held at Eternal University in Sep 2021).

Please feel proud of supporting this initiative and continue to talk to family, friends, and peers about the importance of being environmentally responsible and becoming a green citizen of Baru Sahib Campus and Eternal University.
