

EURC INTERNATIONAL CONFERENCE
(5TH TO 6TH OF APRIL, 2025)

FIRST TECHNICAL TRACK

Main Theme: Innovation, Entrepreneurship, and Startups: Research-Driven Pathways to Economic Growth in the Indian Context

Sub-themes:

- 1) Advancing Innovation and Industrial Growth: The Transformative Role of Scientific Research and its Socio-Economic Impact
- 2) Bridging Academic Research and Industry: Successful Models of Technology Transfer for Innovation, Entrepreneurship, and Economic Growth
- 3) Innovation Management in India: Assessing the Impact of Higher Academic Institutions in Indian Context
- 4) From Local to Global: Scaling Indigenous Innovations and Evaluating Institutional Support for Entrepreneurial Growth Since 1950
- 5) Collaborative Research and Strategic Stakeholder Engagement: Empirical Insights and Pathways to Inclusive Growth
- 6) Startups Driving Socio-Economic Growth: Empirical Research on Policy Support, Implementation, and Key Insight

SECOND TECHNICAL TRACK

Main Theme: Rural Development in India: A Critical Analysis of Policy Effectiveness, Socio-Economic Impacts, and the suggestive Path Forward

Sub-themes:

- 1) Bridging the Urban-Rural Divide through Research Support: Current Status and Future Directions
- 2) The Role of Agriculture in Rural Development for Inclusive Growth: Insights from India and South Asia (Research Perspectives and Findings)
- 3) The Role of Research in Advancing Sustainable Agricultural Practices and Their Rural Impact: A Comprehensive Look at India and the Path Forward
- 4) CSR Investment in Rural India's Socio-Economic Development: Recent Research Findings, Critical Analysis, and the Path Forward
- 5) The Role of Social Sciences in Tackling Rural Poverty and Social Inequities: A Historical Policy Analysis of the Indian Context and Stakeholder Perspectives
- 6) Technological Interventions for Rural Infrastructure and Education: Enhancing Quality of Life through Research-Driven Solutions and Policy Insights

THIRD TECHNICAL TRACK

Main Theme: ESG and Sustainability Frameworks: Their Impact on Governance and Transparency

Sub-themes:

- 1) ESG and Sustainability Practices: Evidence-Based Impacts, Corrective Measures, and the Path Forward
- 2) The Role of Research Institutions in Shaping ESG Policies and Ensuring Effective Implementation: Macro and Micro Perspectives
- 3) Research for Policy Making in ESG and Sustainability Frameworks

FOURTH TECHNICAL TRACK

Main Theme: Education and Human Capital Development: A Holistic Analysis of Research's Role and its Socio-Economic Impacts

Sub-themes:

- 1) The Impact of Research on Advancing Education Systems and Pedagogy
- 2) Lifelong Learning and Skill Development through Research Initiatives
- 3) The Role of Education Policy Research in Shaping Future Workforce Skills
- 4) Research by Higher Educational Institutions and its impacts towards Value based Education

FIFTH TECHNICAL TRACK

Main Theme: Financial Inclusion and Economic Empowerment: The Strategic Role of Research and Its Socio-Economic Impacts and way forward

Sub-themes:

- 1) Research on Innovative Models for Financial Inclusion in Underserved Areas
- 2) The Role of Fin-tech in Expanding Access to Banking and Credit
- 3) Evidence-Based Strategies for Promoting Financial Literacy and Economic Empowerment
- 4) Women Empowerment and Financial Inclusion: Objectives, Necessities, and Efforts by Key Stakeholders

SIXTH TECHNICAL TRACK

Main theme: Digital Transformation and the Knowledge Economy: A Critical Examination of Socio-Economic Impacts in the Indian Context

Sub-themes:

- 1) Role of Research in Advancing AI, Big Data, and Digital Solutions
- 2) Leveraging Research for Digital Inclusion and Bridging the Digital Divide
- 3) Research in Cyber-security and Data Privacy: Balancing Growth with Security

SEVENTH TECHNICAL TRACK

Main Theme : Research and Development in Entrepreneurship Ecosystems: A Historical Analysis of Policy Issues and Effective Implementation

Sub-themes:

- 1) How Research Supports the Entrepreneurship Ecosystem and Job Creation
- 2) Incubation and Commercialization of Research-Driven Startups
- 3) The Intersection of Research, Venture Capital, and Innovation Hubs
- 4) The Role of Higher Educational Institutions in Promoting Entrepreneurial Mindsets and Awareness

EIGHTH TECHNICAL TRACK

Main Theme: Inequality, Equity, and Social Justice: A Cross-Functional Perspective through Social Impact Research

Sub-themes:

- 1) The Role of Research in Advancing Gender Equality and Social Justice
- 2) Research in Social Entrepreneurship for Community Empowerment
- 3) Evidence-Based Approaches to Reducing Income Inequality
- 4) The Strategic Role of Social Science Research in Addressing Social Inequality: A Holistic Research Approach
