Agro-meteorology and Climate Change Station

Eternal University, Baru Sahib

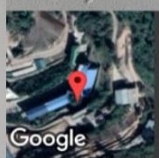

Eternal University, Baru Sahib, has its own weather station under the Department of Agricultural Engineering. The station aims to provide weather-related information to farmers in the surrounding villages of Eternal University, Baru Sahib. Eternal University organize on every year a Kishan Mela in the month of April during Baisakhi festival, many farmers visited different districts of Himachal Pradesh, Punjab, Haryana, and U.P., during these day they also visit the weather station to get its important. Some progressive farmers visit the station regularly, for information regarding weather, and crop related, many students in the schools and colleges regularly visit for training and exposure visits for this regards. Moreover, the B.Sc (Hons.) Agriculture program includes a course titled “Introductory Agro-meteorology & Climate Change”. In this course, students study agro-meteorology and climate change, gaining valuable knowledge in this field.
