ABOUT THE BOOK

Dear Readers,

It gives us immense pleasure to introduce you all to "Understanding Interdisciplinary Organizational Flows", a publication intended to dive deep into the world of organizational frame and understanding. The game of the market and its flows. The present book is an attempt to decode various aspects of the consumer world. It looks at it through the prism of some models. These models are multifarious and interdisciplinary in approach, as we have had contributions from economists, sociologists, psychologists, literary theorists etc. The amalgamation of interdisciplinary approaches is what has rendered a flavor to this attempt in order to decode the marketing gimmicks of the agency and its panoptic eye. The book comprises of chapters ranging from repurchase intentions in Market, Customer Retention in Covid Scenario, The Art of Balancing Work and Life, The Psychology of the Marketing Agents and Agency, The Comm in the Market Flows and so on. It is an honest attempt on our part to put in front of the reader the Intellectual Gasping's of a Hungry Mind. Our sincerest thanks to our contributors who have been Inexplicably Patient and Cooperative in giving shape to this work. Your Irrefutable Knowledge Sharing and Bearing had made this work what it is. It is your wait which comes to an end and it is our Journey which has just began.
