Whereas

Sri Guru Granth Sahib World University, Fatehgarh Sahib is a charitable and humanitarian project undertaken by the SGPC to impart higher education to learners belonging to all creeds, castes and religions. The setting up of the University was announced in 2004 to commemorate the historic event of 400th Anniversary of compilation and the first installation of Sri Guru Granth Sahib. It has been established under Punjab State Act 20/2008, at Fatehgarh Sahib, near Chandigarh, a place sanctified by the martyrdom of the younger Sahibzadas of Sri Guru Gobind Singh Ji which is unparalleled in the history of mankind. The University has evolved as a renowned institution of higher learning in the country in a short span of time. With its mandate to provide quality education, research and training in diverse fields which are of great contemporary relevance such as emerging technologies, basic, applied and medical sciences, Sikh religion, humanities, languages and physical education, the University offers a host of innovative programmes in these domains. The curricula of the programmes are interdisciplinary and encourage critical thinking. The pedagogic methods are geared to provide interactive learning experience. Apart from this, the University provides spiritually and intellectually enriching and safe environment, conducive to the growth of holistic personality of the learners. Engendering of moral and ethical values is an important aim that remains central to the academic life of the University. The University Campus is a unique architectural marvel spread over 137 acres of land. All the labs are equipped with state of the art equipments. For inclusive education and excellence in academics, extracurricular and sports fields, the University offers liberal scholarships to the learners. The University is currently offering more than fifty undergraduate, postgraduate and doctoral academic programmes. The vision of the University is "Creation of Value Based Knowledge Society." The endeavour of the University is to harmonize the high moral values laid out in Sri Guru Granth Sahib and other Holy Scriptures along with the latest developments in the rapidly advancing technologies. The University embodies the spirit of excellence in teaching, research, scholarship, innovation and creativity. With its twenty eight departments, it has been approved under section 2(f) of UGC Act, 1956.

This Memorandum of Understanding (MoU) aims at promoting the exchange of faculty, scholars, students, academic information, research materials and protocols with the commitment and understanding that the educational research and development processes at both the institutions

H.S. Shalivall

Rajinder Singh

will be carried forward and that mutual collaboration and interactions between their respective faculty, scholars and students will be increased by the establishment of such exchanges.

1. The institutions agree to promote the following activities based on their respective academic and educational needs:
 - a) Exchange of faculty and scholars for teaching and research
 - b) Exchange of students for advanced training
 - c) Exchange of academic information and research materials.
 - d) Exchange of periodicals and academic publications
 - e) Undertaking joint R&D projects and other ventures
 - f) Registration of patents/ IPRs for the product jointly developed
 - g) Organization of joint workshops, symposia and conferences
 - h) Other academic exchanges agreed to by both universities
2. The implementation of each specific exchange based on this MoU shall be separately negotiated and determined by both institutions. Efforts shall be made by both sides to find financial sources for carrying out the exchange programs.
3. Nothing shall diminish the full autonomy of either institution, nor will any constraints or financial obligations be imposed by either, upon the other in carrying out the MoU.
4. This MoU will be valid for five years and is subject to revision or modification by mutual agreement. It is also understood that either institution may terminate the MoU at any time, although such action will only be taken after mutual consultation in order to avoid any possible inconvenience to all parties. This MoU shall take effect from the date of latest signature below.

Eternal University Baru Sahib, Himachal Pradesh, herein referred to as 'EU' sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education. The Eternal University with its seven constituent colleges viz., Akal College of Engg. & Tech., Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Dr. Khem Singh Gill Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities. It has been recently accredited by NAAC. Situated in the Valley of Divine Peace, Baru Sahib, the Eternal University provides a peaceful, spiritual, drug and pollution free environment for comprehensive education and holistic development of girl students in a modern Gurukul away from the worldly distractions. The Eternal University is offering nearly 70 undergraduate to Ph. D. programs in its seven constituent colleges. It is one of the first university in Himachal Pradesh to establish College of Agriculture offering B.Sc. (Hons) Agriculture, B. Tech. Food Technology, M. Sc. Biotechnology, Food Technology, Genetics & Plant Breeding, Agronomy, Horticulture and Plant Pathology and Ph. D. Biotechnology with a view to improve the local field, fruit and vegetable crops, nutraceutical and pharmaceutical potential of functional foods and medicinal plants and their value addition. The multidisciplinary faculty of the university has adopted five village clusters of the Sirmour district to ensure their food, nutrition, economic and health security and inclusive development.

Whereas:

The Regional cum Facilitation Centre (RCFC NRNR-1) of National Medicinal Plants Board Ministry AYUSH Govt of India situated at Research Institute in ISM, Joginder Nagar (Mandi) and Eternal University agree to establish comprehensive research cum-academic partnership based on the principle of reciprocity. This Memorandum of Understanding (MoU) aims at promoting the exchange of faculty, scholars, students, academic information, research materials and protocols with the

commitment and understanding that the educational research and development process at both (The Department of Botany, Eternal University and The RCFC NR-1 at Research Institute in ISM, Joginder Nagar will be carried forward and that mutual collaboration and interaction between their respective scientists, scholars and students will be synergized by the establishment of such exchange.

ARTICLE-I: SCOPE OF THE MOU

This MoU details the modalities and general conditions regarding collaboration between Department of Botany, Eternal University and RCFC NR-1 prompting cultivation and conservation of Medicinal and Aromatic Plants through community based organisations, Institutes of Local self-Governance, enhancing their capacities through trainings, enhancing co-operation and collaboration of highly qualified manpower in the areas of Herbal Exploration (Medicinal and Aromatic Plants) and Formulation Research without any prejudice to the prevailing rules and regulations in Eternal University and RCFC NR-1 without any disregard to any mechanism evolved and approved by the competent authorities. The areas of co-operation can be extended through mutual consent. Both The Department of Botany, Eternal University and RCFC NR-1 shall encourage interactions among the Administrator, Engineers, Scientists, Faculty members, Research fellows, Students and will help each other in solving various problems associated with testing, analysis and standardization of various products.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both The Department of Botany, Eternal University and RCFC NR-1 shall encourage interactions among the Scientists, Research fellows, Faculty members and Students of both the organizations through the following arrangements:

- a) Joint exploration and evaluation of medicinal and aromatic plants of the selected regions.
- b) Development of Nutraceutical, food and Ayurvedic formulations.
- c) Isolation, purification and identification of phytoconstituents for health benefits.
- d) Exchange and sharing of materials and expertise.
- e) Joint training of faculty and students of both institutes.
- f) Joint patenting, sharing and protection of IPRs.
- g) Exploration of the nutraceutical, healthcare and wellness potential of medicinal and aromatic plants of India.
- h) Undertaking joint R&D projects to develop novel healthcare and wellness formulations.
- i) Establishment of pilot plants for scaling up of lab scale protocols to commercial ventures.
- j) Maintenance, multiplication and regular supply of formulation materials and ingredients in large quantities.

- k) Exchange of personnel through deputation as per the rules of the respective organization, for limited periods as mutually agreed upon;
- l) Organization of joint meetings, conferences and seminars.
- m) Practical training of The Department of Botany, Eternal University students/faculty at RCFC NR-1.
- n) Joint guidance of student projects/thesis in different areas of research of state and national interests at The Research Institute in ISM, Joginder Nagar on mutually agreeable terms.
- o) RCFC NR-1 would accommodate The Department of Botany, Eternal University students who will have to complete their programme in such a number that deems convenient to it for the purpose of imparting industrial training.
- p) RCFC NR-1 may depute its personnel as visiting faculty at The Department of Botany, Eternal University to teach any of the specialized topics.
- q) RCFC NR-1 personnels, as well as research scholars, may also be allowed to enroll for their Ph.D. (as part time student) at Eternal University, subject to availability of seats, research facilities after the fulfilling eligibility criteria and all other academic regulations of Eternal University. Further, RCFC NR-1 may prepare to design and teach a Course which it deems fit to enhance quality and performance of its employees. Such Courses maybe run at any mutually convenient premises.
- r) RCFC NR-1 may seek assistance/guidance of The Department of Botany, Eternal University faculty member/s in product, process modification, modernization, troubleshooting etc. Would allow the industrial visits of students to provide them with an exposure to various equipment, instruments etc.
- s) RCFC NR-1 Joginder Nagar may showcase its business activities at the seminar/workshop/conference etc. at The Department of Botany, Eternal University. The Research Institute in ISM, Joginder Nagar may avail library, Internet, computational facilities at the Eternal University.
- t) Post-graduate students will be allotted a Research supervisor from The Department of Botany, Eternal University faculty members. A Research Scientist/Engineer at RCFC NR-1 may be appointed a Co-research guide as per the rules of the respective organization for a student registered for Ph.D. (Regular or Part Time) degree at Eternal University. The student maybe encouraged to take up the project such that Industry (RCFC NR-1) desirably benefits from its outcome.

- j) The students will carry out part of their Ph.D. research work or M.Sc./Ph.D. projects at The Department of Botany, Eternal University and RCFC NR-1 depending on the nature of the work as per rules of the respective organization depending on facilities and requirements.
- v) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.
- w) Both The Department of Botany, Eternal University and RCFC NR-1 will be free to independently carry out follow-up research on the thesis work conducted under this MoU. If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc., by both the parties under the law will be decided on case to case basis after mutual consultation.
- x) Research supervisors from both the organization will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MoU will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which IPR needs be claimed.
- y) Neither of the supervisors will publish the work carried out under this MoU without knowledge of the other.
- z) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III: SHARING OF FACILITIES

- a) The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of co-operation.
- b) The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall permit the sharing of Labs and other materials and components developed in-house in the areas of co-operation, if permissible within the rules governing the two institutions. However, responsibility for safety and other materials during the exchange will rest on respective Head of academic department/section.

c) The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative programme between The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall be coordinated by a coordination committee appointed by heads of both the organization.
- b) Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V: EFFECTIVE DATE AND DURATION OF MoU

- a) This MoU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MoU shall be for a period of 5 years from the effective date.
- c) During its tenancy, the MoU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MoU.
- d) Any clause or article of the MoU may be modified or amended by mutual agreement of The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar.

ARTICLE-VI: IPR

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: CONFIDENTIALITY

- a) During the tenure of the MoU both The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.
- b) Both The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

c) Further both The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

CONFIDENTIAL INFORMATION shall mean any proprietary information, data or facts belonging to parties collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

The Eternal University Baru Sahib, sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education only for girl students. Situated in the Valley of Divine Peace, Baru Sahib, the Eternal University provides a peaceful, spiritual, drug and pollution free environment for comprehensive education and harmonious development of students in a home away from the worldly distractions. The Eternal University with its seven constituent colleges viz., Akal College of Engg. & Tech., Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities. The Eternal University is offering nearly 50 undergraduate to Ph. D. programs. It is the first private university in Himachal Pradesh to establish College of Agriculture offering B.Sc.(Hons) Agriculture, B. Tech. Food Technology, M. Sc. Biotechnology and M. Sc. and Ph. D. Biotechnology with a view to improve the local field, fruit and vegetable crops, nutraceutical and pharmaceutical potential of functional foods and medicinal plants and their value addition. The multidisciplinary faculty of the university has adopted five village clusters of the Sirmour district to ensure their food, nutrition, economic and health security and inclusive development

whereas

Global Institutes, established in 2008 are comprising of **Global Institute of Management & Emerging Technologies, Global Institute of Management, Global Institute of Pharmacy, Global Polytechnic College, Global College of Agriculture, Global College of Tourism & Travel Management, Hotel Management.** It is **NAAC accredited with B+ grade & its Engineering course is NBA accredited.** All courses except Polytechnic College are *affiliated with Punjab Technical University, Jalandhar.* It has achieved **13 University Gold medals & more than 300 University merit positions.** Placement of student is in highly reputed organizations with good packages. It has MOU with many National & International organizations for academic, research, faculty development, student exchange etc programs. Students are from different states of India and international countries Nepal, Bangladesh, Afganistan, Ghana etc. Excellent ambience for academics & sports attract students to these institutes in the complex.

This Memorandum of Understanding (MOU) is made between Eternal University, Baru Sahib, Himachal Pradesh and Global Group of Institutes, Amritsar- Jammu High way, Amritsar to promote academic and research cooperation and the development of these two institutions as Centres of Excellence of higher and technical education and scientific research. The two Institutions agree to the following broad terms of cooperation:

1. Both the institutions will support each other's endeavors in delivery of academic programmes and research activities through the following but not limited to:
 - (i) Exchange of scientific and technical information
 - (ii) Joint supervision of Postgraduate and Ph.D. students.
 - (iii) Undertaking collaborative research activities through participation in nationally and internationally funded projects.
 - (iv) Jointly organize events such as seminars, workshops, conferences and training programs
 - (v) Training of students of both institutions as per the facilities and resources available
 - (vi) Any other objective as agreed upon in writing by both the institutions
2. Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
3. The MoU remains in place for a period of five years from the date of signing of the agreement and may be renewed for a further period of five years or such time period as may be agreed upon by both the parties in writing.
4. No party shall have the right to use the name or logo of another party without the prior approval of that party in writing.
5. The terms of this MoU may be modified/amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.
6. The MoU may be terminated by either party by giving 3 months written notice. In the event of termination, both the parties shall ensure that the interests of students/ongoing projects under this MoU are safeguarded to the extent possible.

Responsibilities of the Parties

Both parties mutually agree to identify various areas of interest and depute faculty/staff as per the requirements with mutual consent. The inviting institution shall meet the travelling expenditure and any honorarium/remuneration as may be applicable. The inviting institution shall make necessary boarding and lodging arrangements for the deputed person.

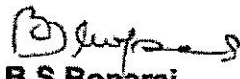

Both the institutions shall identify for accomplishing the above laid down objectives. Each party shall attempt to make such faculty available as and when required.

Both the institutions shall organize regular faculty interactions/meets to promote research interaction and collaboration among their faculty members. These meets may be organized for entire institute or specific to any department or school as per mutual convenience.

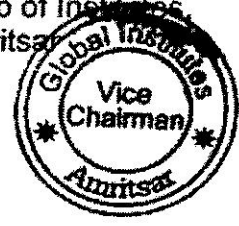

Every individual research collaboration will have separate agreement/terms of contract that addresses issues such as Intellectual Property Right (IPR), funding pattern, disclosure of confidential information etc.

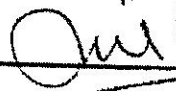

In the event of any dispute or difference arising in the implementation of the MoU, such disputes shall be resolved amicably by mutual discussions by the signatories (or any higher officials deputed) of both the institutions. All such decisions shall take into account the status of students/ongoing projects under this arrangement and the interest of such students/projects shall be guarded as much as possible.

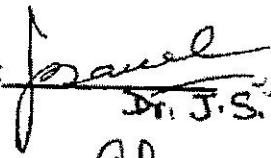

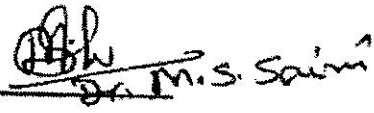

Now, based on the aforementioned promise(s) the parties put their signatures on this MoU on 19th April 2019.

VBRI and EU

ABOUT VBRI

VBRI is a multinational organization, headquartered in Sweden. With an unwavering faith in the ideology of 'Commitment to Excellence', VBRI strives to bring innovation and development to different sectors through the implementation of the latest technology. VBRI has a global presence in countries like USA, Australia, China, United Kingdom, and Singapore. At VBRI group, the team understands the power of creativity, invention, and innovation. The mission is to make optimum use of new-age-technology and innovations to improve the sectors of healthcare services, energy, and environment. With the team of experts and technocrats, VBRI strives to invent technology and use it for the advancement and betterment of human life. It was established with an aim to bring people together and build an environment of learning, innovating, ideating, and spreading new-age technology and innovations to sectors like healthcare, agriculture, education, security, environment, etc. VBRI aims to bring new-age-technology to all the sectors that can benefit out of technological innovations.

ABOUT ETERNAL UNIVERSITY

The Eternal University Baru Sahib, sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education only for girl students. Situated in the Valley of Divine Peace, Baru Sahib, the Eternal University provides a peaceful, spiritual, drug and pollution free environment for comprehensive education and harmonious development of students in a home away from the worldly distractions. The Eternal University with its seven constituent colleges viz., Akal College of Engg. & Tech., Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities. The Eternal University is offering nearly 50 undergraduate to Ph. D. programs. It is the first private university in Himachal Pradesh to establish College of Agriculture offering B.Sc.(Hons) Agriculture, B. Tech. Food Technology, M. Sc. Biotechnology and M. Sc. and Ph. D. Biotechnology with a view to improve the local field, fruit and vegetable crops, nutraceutical and pharmaceutical potential of functional foods and medicinal plants and their value addition. The multidisciplinary faculty of the university has adopted five village clusters of the Sirmour district to ensure their food, nutrition, economic and health security and inclusive development.

1. Preamble

Through this Memorandum of Understanding (MOU), VBRI (VBRI) and ETERNAL UNIVERSITY (EU) express their intention, in principle, to facilitate and develop a meaningful and mutually beneficial relationship, and to encourage the translational research and innovations by participation of international experts through mutual assistance of two organisations in the areas of advancement of materials for global excellence.

2. Purpose and scope of cooperation

The purpose of this MOU is to develop research and educational cooperation based on equality and reciprocity and to promote sustainable partnerships and mutual understanding between VBRI (VBRI) and ETERNAL UNIVERSITY (EU) Both VBRI and EU may be referred to individually as the "party" or collectively as the "parties".

3. Specific Activities or projects

3.1. The parties shall develop specific activities to implement the mutual understanding set forth in this MOU. These shall in every case be subject to mutual consent and the availability of adequate resources, and shall be set forth in supplementary agreement protocols.

3.2. Bilateral Assistance relating to *Higher education* in the following areas:

- Promote translational research and innovations
- Cooperation to supervise the Students for research and study
- Exchange of researchers and students
- Visiting scholar activities
- Joint research activities
- Registration of PhD students
- Continuing education programs
- Short-term training programs / projects
- Organization and participation in conferences, training schools, seminar, symposia, short-term academic programs and academic meetings
- Exchange of research and educational materials, publications and academic information
- Dual degree and joint degree programs
- Co-supervision of postgraduate students

3.3. Before any activities or projects are or may be implemented, the parties shall discuss the relevant issues to the satisfaction of each party and enter into specific activity agreements based on the mutually agreed objectives and outcomes of the activity. Activity agreements will include such terms as the following:

- Elaboration of the responsibilities of each institution for the agreed upon activity
- Specific schedules for the activity
- Budgets and sources of finances for the activity
- Detailed management of intellectual property rights and publications
- Any other items deemed necessary for the efficient management of the activity

3.4. Any arrangements subsequent to or as a result of the cooperation and activities stated in this clause shall be detailed in a separate agreement as deemed necessary.

4. Costs

4.1. The terms of co-operation and the necessary budget for each programme and activity implemented under the terms of this MOU shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of any specific activity or project

4.2. Financial aspects shall be negotiated on an annual basis

5. Communication between the institutions

5.1. Both parties shall communicate with each other on a need's basis, through their co-ordinators, **Prof. Dr. Ashutosh Tiwari, Chairman and Managing Director, VBRI and Prof. H.S. Dhaliwal, Vice Chancellor at Eternal University.**

5.2. Co-ordinators shall notify their counterparts should a new person be named in the position.

6. Duration of the Agreement

6.1. This MOU shall commence on the day of last signature hereof by both parties and remain in force for a period of five (5) years until terminated by either of the parties in terms of clause 9 below.

6.2. The agreement may be renewed for an additional period of five years on agreement by both parties through an official exchange of letters.

6.3. Once such renewal is approved by both parties, such letters shall become part of this MOU.

7. Cooperation monitoring and progress report

7.1. The Co-ordinators as stated in clause 5 herein shall be responsible for the collection of written reports on any projects relevant to the cooperation.

7.2. Such reports shall be made available twice a year and be circulated to the senior management of both parties.

7.3. Cooperation goals and objectives for each project or activity shall be stated with clearly defined target dates and financial obligations from each party.

8. Exchange of guest lecturers

8.1. The parties shall enable the exchange of international experts as guest lecturers/visiting professors in their fields of specialisation for individually agreed periods.

8.2. The expenses for travelling and accommodation will be paid by the EU.

9. Termination

9.1. Either party may terminate the MOU at any time with one (1) year prior written notice to the other of its intention to do so.

9.2. The termination of this MOU for any reason whatsoever will not affect the rights of a party that have already accrued at the date of termination and will furthermore not affect any rights which expressly or by their nature survive the termination of this agreement.

10. Confidentiality and Laws

10.1. The Parties undertake to treat each other's intellectual property and information supplied or which may come to its attention as strictly confidential and not to be divulged to any third party

10.2. The Parties will comply with all relevant laws including abiding by the hosting university's rules, regulations, procedures and policies at all times when visiting the international experts and students.

10.3. The law governing this MOU is Indian law.

11. Intellectual Property Rights ("IP") and Logos

11.1. All Intellectual Property (IP) owned by either party before the signing of this MOU shall remain the property of that party during and after the termination of this MOU

11.2. No IP rights shall be created for the other party by the signing of this MOU

11.3. The parties may not use the names or logos of the other party except for the purposes of this MOU and without prior written agreement.

11.4. All IP developed during the course and scope of this MOU will be equally co-owned by both parties with each party acquiring fifty percent (50%) thereof

12. Relationship and assignment

- 12.1. This MOU shall not be construed to create a partnership, joint venture, principal and agent or employer or employee relationship.
- 12.2. Neither party can act for or on behalf of the other party.
- 12.3. The parties cannot assign any of its rights and duties in terms of this MOU without prior written consent from the other party.
- 12.4. Each party shall indemnify the other against any loss or damage suffered as a result of any breach of this MOU.

13. Notices

- 13.1. Any notice to be given under this MOU shall be in writing and shall be deemed to be given when it has been delivered by hand, e-mail or fax at the above domicile.

MEMORANDUM OF UNDERSTANDING

POORNIMA
UNIVERSITY

POORNIMA UNIVERSITY, JAIPUR, RAJASTHAN

AND

ETERNAL UNIVERSITY, BARU SAHIB
HIMACHAL PRADESH

POORNIMA
UNIVERSITY

**MOU BETWEEN POORNIMA UNIVERSITY AND ETERNAL UNIVERSITY FOR
ACADEMIC COLLABORATION**

PREAMBLE

1. The Poornima University, Jaipur, herein referred to as 'PU' is one amongst well known state private University located on an extensive state-of-the-art campus in Jaipur, Rajasthan, established by the Rajasthan State Legislature and is approved by University Grants Commission under Section 22 (1) of the UGC Act, 1956. The multi-disciplinary Poornima University which focuses on teaching, research and service offers Bachelors to Doctoral programmes in Engineering, Architecture, Design & Arts, Management, Commerce & Hotel Management to so many students. In a short span of time 'PU' has established following schools in its campus catering to the myriad of needs of its students:
 - (a) School of Computer Science & Engg
 - (b) School of Engineering & Technology
 - (c) School of Planning & Architecture
 - (d) School of Design & Arts
 - (e) School of Management & Commerce
 - (f) School of Science & Humanities
 - (g) Poornima Institute of Hotel Management
2. The Poornima University (PU) as the First Party recognizing the mutual benefits of collaboration with other university / institution, wish to liaise with Institutions of Higher Learning by entering into an MOU with proper terms and conditions.
3. Whereas, Eternal University Baru Sahib, Himachal Pradesh, the second party, herein referred to as 'EU' sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education. The Eternal University with its seven constituent colleges viz., Akal College of Engg. & Tech., Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities. It has been recently accredited by

NAAC. Situated in the Valley of Divine Peace, Baru Sahib, the Eternal University provides a peaceful, spiritual, drug and pollution free environment for comprehensive education and holistic development of girl students in a modern Gurukul away from the worldly distractions. The Eternal University is offering nearly 65 undergraduate to Ph. D. programs in its constituent colleges. It is the first private university in Himachal Pradesh to establish College of Agriculture offering B.Sc.(Hons)Agriculture, B. Tech. Food Technology, M. Sc. Biotechnology and M. Sc. and Ph. D. Biotechnology with a view to improve the local field, fruit and vegetable crops, nutraceutical and pharmaceutical potential of functional foods and medicinal plants and their value addition. The multidisciplinary faculty of the university has adopted five village clusters of the Sirmour district to ensure their food, nutrition, economic and health security and inclusive development.

Scope of Agreement

4. This Memorandum of Understanding (MOU) is signed between the Poornima University (PU) as First Party and Eternal University, Baru Sahib as the Second Party for the purpose of Academic / institutional Collaboration that will encompass exchange of students and members of faculty between the two parties as well as other academic activities, research and publication. In addition to this, active efforts will be made to develop joint training and research programmes that will be pursued in a collaborative spirit. The purpose of this MOU is to develop co-operation and promote mutual understanding and excellence in practice-based education, research and knowledge exchange between the Parties, so that the research and knowledge developed is used for national and global wellbeing of humanity. The collaboration between the First Party and the Second Party shall be subject to the following:-

TERMS AND CONDITIONS OF COLLABORATION

5. (a) The First Party and the Second Party shall collaborate in mutually agreeable academic events, teaching, training and research, wherever feasible. Such collaboration will be based on mutually agreeable terms and conditions specifically agreed for each of the collaborative efforts.
- (b) The First Party and the Second Party shall offer full time regular as well as optional / elective courses to the undergraduate and post graduate courses offered at these institutions from time to time on mutually agreeable terms and conditions.
- (c) The Ph.D. candidates in interdisciplinary areas of research shall work under the supervision of the faculty members of that university or jointly supervised by the faculty members from the two parties.

H. S. Dhillon

[Signature]

(d) Faculty members from each of these universities / institutes shall be invited for important seminars, conferences and for teaching at doctoral level. The financial implications shall be worked out on a case to case basis.

(e) Those modalities for a similar exchange of researchers and faculty members will be laid down through mutual discussion that should be made operational for a period of five years.

(f) Ph.D. Scholars of both the parties shall be allowed to make use of the library resources of each other and to have academic interaction with the faculty.

(g) Research Scholars and Teaching Faculty of both the organisations will explore possibility of taking up collaborative research work and also apply for funding from national and international agencies, governments and other funding agencies.

(h) Both will enter into joint research and development activities by initiating writing of detailed project report (DPR) and submission of the project proposal to the funding agency like DBT, DST, CSIR, ICMR, ICAR, AICTE, UGC, various ministries and /or any other national and/ or international funding agencies. The idea is to explore joint research programmes and bring out intellectually driven product lines and patent generation. Thus, both agree in terms of exchange of information and fostering collaboration in research and educational training programmes.

(i) In furtherance of this purpose the Parties agree to develop the following activities in collaboration in areas of mutual academic interest:-

- a) Curriculum development.
- b) Exchanges of students and faculty for study programmes, research and other enhancements to the student experience.
- c) Promoting opportunities for conducting collaborative research and development.
- d) Identifying opportunities for conducting lectures and seminars and organizing symposia and conferences.
- e) Exchanges of academic information and materials
- f) Promoting collaboration in fields of mutual interest and promoting other academic co-operation and collaboration as mutually agreed.
- g) Any financial implication emerging out of such collaborations (other than the fees of the students etc.) shall be worked out and decision will be taken with mutual agreement.

AREAS OF CO-OPERATION

6. This Memorandum expresses a mutual desire by First Party and Second Party cooperates in building intellectual and research capacity and scholarship. The development and implementation of specific activities developed under this MOU will be the subject of formal written agreements negotiated and entered into separately, which will deal with the

H. S. Dhaliwal

financial arrangements, confidentiality, ownership and use of intellectual property, publication of articles or other work and other relevant matters

7. It is understood that the implementation of any of the types of co-operation stated in MOU shall depend upon the availability of resources and financial support of the Parties concerned.
8. Both Parties agree that staff and students of either institution engaged in activities under this MOU shall carry out these activities in accordance with the laws and regulations of their respective institutes after full consultation and approval.

TERMS OF AGREEMENT

9. This MOU shall commence on the date of its execution by the last Party to sign and shall remain in force for a period of five years. Each Party shall review the status of the MOU at least six months before the end of the five-year period to determine whether it wishes the MOU to continue and, if so, whether any modifications are required. The period of validity of this MOU may only be extended by the mutual written consent of both Parties.
10. Either Party may terminate this MOU by giving six months' notice in writing to the other. The termination of this MOU shall not affect the implementation of any specific activities established under it prior to such termination.
11. This MOU may only be amended by a written agreement signed by a duly authorized representative of each Party.

INTELLECTUAL PROPERTY AND CONFIDENTIALITY

12. In respect of each project and programmes of co-operation, the parties shall negotiate and mutually agree in writing on their respective rights to intellectual property and commercial exploitation of the same (including without limitation, trademarks and service marks, copyright, patents, designs and confidential information pertaining thereto).
13. Neither party shall, at any time disclose to any third party any confidential information of the other party which is acquired in the course of activities under this Memorandum, a collaborative project or a programme, without the prior consent of the other party in writing.
14. The confidentiality obligations herein will not apply to information in the public domain; information in the possession of the receiving party prior to the disclosure of the information; information which is independently developed by the receiving party, information required to be released by law; and information which is rightfully received by the receiving party from third parties without any breach of confidentiality obligations.

NON-BINDING NATURE OF MEMORANDUM

15. Nothing in this Memorandum shall be construed as creating any contract, partnership, agency or other legal relationship between the parties. This Memorandum is only a non-binding statement of intent to foster genuine and mutually beneficial collaboration.

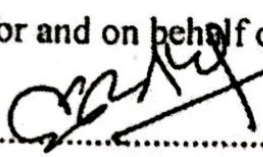

TERMINATION

16. This memorandum shall come into force immediately upon its signature by the parties.

17. This Memorandum of understanding can be terminated by either party by giving six months written notice to the other and without jeopardising the coursework or registration of any of the students of either institution. The implementation and / or continuance of programmes or projects established pursuant to this memorandum prior to the effective date of termination shall not be affected by the termination of this Memorandum.

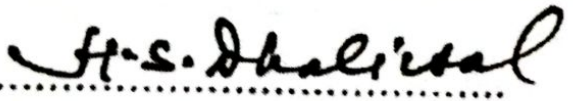

IN WITNESS WHEREOF, this Memorandum of Understanding is executed by the parties hereto on the date of signing of the Memorandum of Understanding by the two parties

Memorandum of Understanding

Between

Eternal University and Mahatma Gandhi National Council of Rural Education

Eternal University Baru Sahib, Himachal Pradesh, (hereafter referred to as the first party or 'EU') sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education. The Eternal University with its seven constituent colleges viz., Akal College of Engg. & Tech., Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Dr. Khem Singh Gill Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities. It has been recently accredited by NAAC. Situated in the Valley of Divine Peace, Baru Sahib, the Eternal University provides a peaceful, spiritual, drug and pollution free environment for comprehensive education and holistic development of girl students in a modern Gurukul away from the worldly distractions.

The Eternal University is offering nearly 70 undergraduate to Ph. D. programs in its seven constituent colleges. It is one of the first university in Himachal Pradesh to establish College of Agriculture offering B.Sc. (Hons) Agriculture, B. Tech. Food Technology, M. Sc. Biotechnology, Food Technology, Genetics & Plant Breeding, Agronomy, Horticulture and Plant Pathology and Ph. D. Biotechnology with a view to improve the local field, fruit and vegetable crops, nutraceutical and pharmaceutical potential of functional foods and medicinal plants and their value addition. The multidisciplinary faculty of the university has adopted five village clusters of the Sirmour district to ensure their food, nutrition, economic and health security and inclusive development.

AND

Mahatma Gandhi National Council of Rural Education, Department of Higher Education, Ministry of Human Resource Development, Government of India and having its registered office at Shakkar Bhavan, Fateh Maidan Road, Basheerbagh, Hyderabad (Hereinafter referred to as MGNCRE) (As Second Party) which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors.

Established in 1995 by the Government of India under the Union Ministry of Human Resource Development, the MGNCRE, founded by the Late Prime Minister Shri P V Narasimha Rao, seeks to usher in rural change and inclusive growth as a catalyst organization. The MGNCRE interfaces with rural institutes of higher learning like Rural Universities, Rural Development Institutes, National Rural Livelihoods Mission and State Livelihood Action Units. Human Resource Development is our operational framework and Human Development is the goal. Sab Ka Sath Sab Ka Vikas would be the guiding philosophy and strategy of MGNCRE, as enunciated by the Prime Minister of India.

1. Whereas EU and MGNCRE are interested in entering into an MoU with a view of sharing a Common desire to explore extend and strengthen the mutual relationship with well-established academic and Research & Development set up in order to share the facilities and expertise available with each of them, herewith sign this MoU on the Understanding stated in the subsequent paragraphs. Whereas MGNCRE has come forward to sign an MoU with EU to offer the courses at the UG & PG levels in the areas of Rural Management.
2. Responsibilities of MGNCRE
 - (a) Providing the course curriculum developed by the institute.
 - (b) Providing the online course content to the students and faculties of EU.
 - (c) Allow EU students to participate in workshops and faculty members to participate in FDPs organised by MGNCRE.
 - (d) Providing the opportunities of industry-academic meet to the students and faculty members of EU.
 - (e) Helping the students for arranging Summer Internships and Placements.
 - (f) Displaying the MoU and Logo in their website.
3. Responsibilities of EU
 - (a) Introduce the Rural Management course at the Bachelors and Masters levels in the university.
 - (b) Promote the course.
 - (c) Utilise the course content, curriculum developed by the MGNCRE.
 - (d) Participate in workshops and FDPs organized by the MGNCRE, free of cost.
4. Both the parties seek to enhance relationships and recognize the benefits to be derived from increased collaboration, cooperation and interaction for further promotion.
5. On behalf of First Party Dr. S.K. Chauhan, Dean, Akal College of Economics, Commerce & Management will be the point of contact for further correspondence.
6. On behalf of Second Party Dr. Rajeswar Jonnalagadda, Director, Rural Management Program will be the point of contact for further correspondence.
7. This Memorandum of Understanding shall enter into force on the basis of goodwill and shall not be legally bound.

The MoU is valid for a period of five years from the date of signature by both the parties and may be renewed for any other period as shall be agreed on in between the parties. If either Party does not wish to continue this MoU, then such Party provide the other Party of its intention to terminate this MoU, by giving 3 (three) months' notice in writing.

Eternal University Baru Sahib, Himachal Pradesh, herein referred to as 'EU' sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education. The Eternal University with its seven constituent colleges viz., Akal College of Engg. & Tech., Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Dr. Khem Singh Gill Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities. It has been recently accredited by NAAC. Situated in the Valley of Divine Peace, Baru Sahib, the Eternal University provides a peaceful, spiritual, drug and pollution free environment for comprehensive education and holistic development of girl students in a modern Gurukul away from the worldly distractions. The Eternal University is offering nearly 70 undergraduate to Ph. D. programs in its seven constituent colleges. It is one of the first university in Himachal Pradesh to establish College of Agriculture offering B.Sc. (Hons) Agriculture, B. Tech. Food Technology, M. Sc. Biotechnology, Food Technology, Genetics & Plant Breeding, Agronomy, Horticulture and Plant Pathology and Ph. D. Biotechnology with a view to improve the local field, fruit and vegetable crops, nutraceutical and pharmaceutical potential of functional foods and medicinal plants and their value addition. The multidisciplinary faculty of the university has adopted five village clusters of the Sirmour district to ensure their food, nutrition, economic and health security and inclusive development.

Whereas:

The Regional cum Facilitation Centre (RCFC NRNR-1) of National Medicinal Plants Board Ministry AYUSH Govt of India situated at Research Institute in ISM, Joginder Nagar (Mandi) and Eternal University agree to establish comprehensive research cum-academic partnership based on the principle of reciprocity. This Memorandum of Understanding (MoU) aims at promoting the exchange of faculty, scholars, students, academic information, research materials and protocols with the

commitment and understanding that the educational research and development process at both (The Department of Botany, Eternal University and The RCFC NR-1 at Research Institute in ISM, Joginder Nagar) will be carried forward and that mutual collaboration and interaction between their respective scientists, scholars and students will be synergized by the establishment of such exchange.

ARTICLE-I: SCOPE OF THE MOU

This MoU details the modalities and general conditions regarding collaboration between Department of Botany, Eternal University and RCFC NR-1 prompting cultivation and conservation of Medicinal and Aromatic Plants through community based organisations, Institutes of Local self-Governance, enhancing their capacities through trainings, enhancing co-operation and collaboration of highly qualified manpower in the areas of Herbal Exploration (Medicinal and Aromatic Plants) and Formulation Research without any prejudice to the prevailing rules and regulations in Eternal University and RCFC NR-1 without any disregard to any mechanism evolved and approved by the competent authorities. The areas of co-operation can be extended through mutual consent. Both The Department of Botany, Eternal University and RCFC NR-1 shall encourage interactions among the Administrator, Engineers, Scientists, Faculty members, Research fellows, Students and will help each other in solving various problems associated with testing, analysis and standardization of various products.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both The Department of Botany, Eternal University and RCFC NR-1 shall encourage interactions among the Scientists, Research fellows, Faculty members and Students of both the organizations through the following arrangements:

- a) Joint exploration and evaluation of medicinal and aromatic plants of the selected regions.
- b) Development of Nutraceutical, food and Ayurvedic formulations.
- c) Isolation, purification and identification of phytoconstituents for health benefits.
- d) Exchange and sharing of materials and expertise.
- e) Joint training of faculty and students of both institutes.
- f) Joint patenting, sharing and protection of IPRs.
- g) Exploration of the nutraceutical, healthcare and wellness potential of medicinal and aromatic plants of India.
- h) Undertaking joint R&D projects to develop novel healthcare and wellness formulations.
- i) Establishment of pilot plants for scaling up of lab scale protocols to commercial ventures.
- j) Maintenance, multiplication and regular supply of formulation materials and ingredients in large quantities.

- k) Exchange of personnel through deputation as per the rules of the respective organization, for limited periods as mutually agreed upon;
- l) Organization of joint meetings, conferences and seminars.
- m) Practical training of The Department of Botany, Eternal University students/faculty at RCFC NR-1.
- n) Joint guidance of student projects/thesis in different areas of research of state and national interests at The Research Institute in ISM, Joginder Nagar on mutually agreeable terms.
- o) RCFC NR-1 would accommodate The Department of Botany, Eternal University students who will have to complete their programme in such a number that deems convenient to it for the purpose of imparting industrial training.
- p) RCFC NR-1 may depute its personnel as visiting faculty at The Department of Botany, Eternal University to teach any of the specialized topics.
- q) RCFC NR-1 personnels, as well as research scholars, may also be allowed to enroll for their Ph.D. (as part time student) at Eternal University, subject to availability of seats, research facilities after the fulfilling eligibility criteria and all other academic regulations of Eternal University. Further, RCFC NR-1 may prepare to design and teach a Course which it deems fit to enhance quality and performance of its employees. Such Courses maybe run at any mutually convenient premises.
- r) RCFC NR-1 may seek assistance/guidance of The Department of Botany, Eternal University faculty member/s in product, process modification, modernization, troubleshooting etc. Would allow the industrial visits of students to provide them with an exposure to various equipment, instruments etc.
- s) RCFC NR-1 Joginder Nagar may showcase its business activities at the seminar/workshop/conference etc. at The Department of Botany, Eternal University. The Research Institute in ISM, Joginder Nagar may avail library, Internet, computational facilities at the Eternal University.
- t) Post-graduate students will be allotted a Research supervisor from The Department of Botany, Eternal University faculty members. A Research Scientist/Engineer at RCFC NR-1 may be appointed a Co-research guide as per the rules of the respective organization for a student registered for Ph.D. (Regular or Part Time) degree at Eternal University. The student maybe encouraged to take up the project such that Industry (RCFC NR-1) desirably benefits from its outcome.

- u) The students will carry out part of their Ph.D. research work or M.Sc./Ph.D. projects at The Department of Botany, Eternal University and RCFC NR-1 depending on the nature of the work as per rules of the respective organization depending on facilities and requirements.
- v) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.
- w) Both The Department of Botany, Eternal University and RCFC NR-1 will be free to independently carry out follow-up research on the thesis work conducted under this MoU. If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc., by both the parties under the law will be decided on case to case basis after mutual consultation.
- x) Research supervisors from both the organization will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MoU will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which IPR needs be claimed.
- y) Neither of the supervisors will publish the work carried out under this MoU without knowledge of the other.
- z) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III: SHARING OF FACILITIES

- a) The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of co-operation.
- b) The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall permit the sharing of Labs and other materials and components developed in-house in the areas of co-operation, if permissible within the rules governing the two institutions. However, responsibility for safety and other materials during the exchange will rest on respective Head of academic department/section.

- c) The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative programme between The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall be coordinated by a coordination committee appointed by heads of both the organization.
- b) Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V: EFFECTIVE DATE AND DURATION OF MoU

- a) This MoU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MoU shall be for a period of 5 years from the effective date.
- c) During its tenancy, the MoU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MoU.
- d) Any clause or article of the MoU may be modified or amended by mutual agreement of The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar.

ARTICLE-VI: IPR

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: CONFIDENTIALITY

- a) During the tenure of the MoU both The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.
- b) Both The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

c) Further both The Department of Botany, Eternal University and The Research Institute in ISM, Joginder Nagar shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

CONFIDENTIAL INFORMATION shall mean any proprietary information, data or facts belonging to parties collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

MEMORANDUM OF UNDERSTANDING
BETWEEN
CCS Haryana Agricultural University, Hissar
And
Eternal University, Baru Sahib

The CCS Haryana Agricultural University, Hissar hereinafter referred to as "CCSHAU", is a premier academic institution established in 1970. The university has made excellent achievements in education, research & extension and continues its accomplishments in different fields of agriculture & allied sciences in order to solve the problems of farmers and also to develop and release the — efficient technologies to its stakeholders including industries and entrepreneurs. It is well known for its effective system of technology transfer. CCSHAU is keen to collaborate with prominent institutes in India and abroad to develop competitive human resource and cost-effective efficient technologies.

And

Eternal University Baru Sahib, Himachal Pradesh, the second party, herein referred to as 'EU' sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, engaged in continuous innovation and development in the field of science and technology in addition to Agriculture at Dr. Khem Singh Gill Akal College of Agriculture as one of the constituent colleges. The Eternal University has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research and extension activities and accredited by NAAC since 2018. The university is working in key area of research in agriculture and allied science to solve the problem of farmers of hill area and playing a key role in women empowerment.

WHEREAS the Parties which wish to establish a friendly relationship to promote and accelerate the programmes of research and education in the areas of mutual concern, have decided to enter in this MoU and agreed to extend mutual co-operation on terms and conditions hereinafter contained.

ARTICLE-I Objectives

The Parties, hereby, agree to promote the development of cooperation in the fields of research and education through:

- (i) Exchange of faculty
- (ii) Exchange of students
- (iii) Exchange of teaching and research and extension information and methodology
- (iii) Joint organization of seminars, conferences and workshops

Eternal University
Baru Sahib (H.P.) 173101

ARTICLE -II Implementation

CCSHAU and EU may name any member of their staff to work out the practical details of cooperation between the two organizations and in general to ensure proper and effective implementation of this MoU.

ARTICLE -III Work Plans

This MoU will be implemented through development of biennial Work Plans to be developed jointly, which will describe specifically the activities to be carried out under this Cooperative Programme and which will set forth the intended contributions of each party. These Work Plans may originate from either party but will require the full approval of both the Parties for implementation.

ARTICLE -IV Publication & Intellectual Property Rights

General clauses:

- (i) Each Party will ensure appropriate protection of Intellectual Property Rights generated from cooperation pursuant to this MoU, consistent with their respective laws, rules, regulations and agreements to which both parties are committed.
- (ii) In case research is carried out solely and separately by one Party or the research results are obtained through the sole and separate effort of one Party, the Party concerned alone will apply for grant of IPR and once granted, the IPR will be solely owned by the concerned Party.
- (iii) In case of research results obtained through joint activities, the grant of intellectual property rights will be sought by both Parties jointly and once granted these rights will be jointly owned by the Parties.
- (iv) The Parties shall not assign any rights and obligations arising out of the IPR generated to inventions/activities carried out under the MoU to any third party without the consent of the other Party.

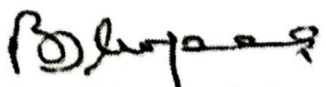

Commercialization:

In case of research results obtained through joint activities under this MoU both the CCSHAU and the EU will apply as co-applicants for the protection of intellectual property rights subject to exclusive rights of both the parties to commercialize the technology. Commercialization in any other country shall be done jointly through a separate agreement.

Publication:

Any publication, document and/or paper arising out of joint work conducted by the Parties pursuant to this MoU will be jointly owned. The use of the name, logo and/or official emblem of the Parties on any publication, document and/or paper will require prior permission of both the Parties. It may however be ensured that the official emblem and logo is not misused.

Baru Sahib (H.P.) 173101

Confidential Information:

- (i) All information and documents to be exchanged pursuant to this MoU will be kept confidential by the Parties and will be used subject to such terms as each Party may specify. A Party will not use the information for purposes other than that specified without the prior written consent of the other Party.
- (ii) All Confidential Information shall remain the exclusive property of the disclosing Party. The Parties agree that the disclosure of the Confidential Information do not grant or imply any license, interest or right to the Recipient in respect to any intellectual property right of the other Party.

Unpublished information, whether oral, in writing or otherwise, discovered or conceived by the scientists or technicians and exchanged under the provisions of this MoU will not be transmitted to a third party, unless otherwise agreed by the Parties.

ARTICLE--V Disclosure of Information

- a. CCSHAU and EU agree that except for a Court Order requiring disclosure, neither shall disclose to any third party without the written consent of the other, any information made available to the Parties, in the performance of work and/or generated by the performance of work, under this Agreement, except information which at the date hereof was:
 - (i) in the public domain
 - (ii) known to either prior to the date hereof as evidenced by written documents subsequently.
- b. All data generated through this MoU with assistance by CCSHAU from EU work programme shall be subject to explicit written approval signed by EU before publication of same by CCSHAU.
- c. All data generated through this MoU with assistance by EU from CCSHAU's work programme shall be subject to explicit written approval signed by CCSHAU before publication of same by EU.

The provisions in this Article shall survive termination or completion of the MoU.

ARTICLE--VI Amendments

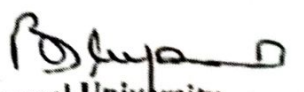

The Parties to this MoU may, by mutual consent, add, modify, amend or delete any words, phrases, sentences or Articles in this MoU at any time during the operation of MoU by an instrument in writing.

ARTICLE—VII Governing Law and Dispute Resolution

The MoU is governed by laws of India.

The parties would act strictly according to the provisions of law while a committee appointed by the Vice-Chancellors of each partner University implementing this MoU. In case any dispute that may arise during execution of MoU, the matter would shall be settled

Eternal University
Baru Sahib (H.P.) 173101

amicably by referring it to a committee appointed by the Vice-Chancellors of each partner University.

ARTICLE -VIII Joint Working Group

A Joint Working Group will be set up with representatives from both Parties to meet once in two years alternately in Hisar and Baru Sahib to follow up the execution of this MoU and suggest necessary measures for its development.

ARTICLE -IX Financial Arrangements

Financial arrangements for any collaborative activities between the Parties shall be based on budgetary and human resources availability and shall be decided by mutual consent of both the Parties and reflected in specific written agreements between the Parties.

ARTICLE -X Validity / Termination

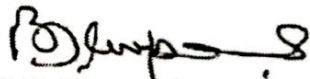

The MoU shall be effective from the date of its signing by both the Parties. It shall be valid for a period of five years or until either Party serves notice on the other of its intention to terminate it, in which event, the MoU shall stand terminated at the end of one calendar month from the date of issue of such a notice.

IN WITNESS, WHEREOF, the two Parties hereunto have signed this Memorandum of Understanding on the dates indicated below.

**MEMORANDUM OF UNDERSTANDING (MoU) BETWEEN
ARMY TRAINING COMMAND
INTEGRATED HEADQUARTERS OF MINISTRY OF DEFENCE (ARMY), NEW DELHI AND
ETERNAL UNIVERSITY, BARU SAHIB, HIMACHAL PRADESH**

This memorandum of Understanding (MOU) is executed on 7th day in December 2021 between the following parties:

Eternal University Baru Sahib, Himachal Pradesh, (hereafter referred to as the first party or 'EU') duly represented by its **Vice Chancellor, Dr. Davinder Singh** sponsored by Kalgidhar Trust and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education. The Eternal University with its seven constituent colleges viz., Akal College of Engineering & Technology, Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Dr. Khem Singh Gill Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research, and extension activities. It has been accredited by NAAC. The Eternal University is offering nearly 60 undergraduate to Ph. D. programs in its seven constituent colleges.

AND

The Army Training Command on behalf of integrated Headquarters of Ministry of Defence (Army), New Delhi, hereinafter referred to as 'Army' and duly represented by Chief of Staff, Headquarters, ARTRAC.

Scope:

The scope of this academic and research cooperation between the Army and EU is to promote and facilitate:

1. Exchange of information on educational programmes run by EU as part of its on-campus and off-campus programmes and on research and innovation currently undertaken by EU at its campus.
2. Army to sponsor officers to undergo on-campus and off-campus (as desired) educational programmes in EU.
3. Collaborative research and innovation in areas of mutual interest in Nursing, Education and Management.

Terms and conditions of admission:

1. EU has agreed to provide admissions to the nominated officers of the Indian Army, in its following courses, as per the number of seats mentioned against each and in accordance with the terms and conditions of this MoU and regulations of the University.

| Sr. No. | Name of the course | No. of Seats (As per subscription for courses and vacancies available) |
|---------|--------------------|--|
| 1. | B.Sc. Nursing | 05 |
| 2. | M.Sc. Nursing | 05 |
| 3. | B.Ed. | 05 |
| 4. | M.A. Education | 05 |
| 5. | MBA (HR) | 05 |

Note: -

- I. The number of seats to be allotted to Army personnel will be over and above the sanctioned strength in each subject mentioned above.
 - II. All MBA, M.Sc. Nursing and M.A. Education vacancies under the MoU will be subject to availability of guides in the respective departments.
 - III. Admissions in full time regular programmes will be given only after production of study leave certificate of the duration equivalent to the course duration.
 - IV. Any other subjects offered by the University in future which are of organizational interests to the Army will be subscribed to by separate addendum to this MoU.
2. The duly filled in application for admission should be submitted to the University by the 30th of April, every year through HQ ARTRAC.
 3. If the applications are not received within the prescribed date, the seats may be filled by the University itself, in whatever manner it deems to be fit.
 4. The Army personnel nominated by the HQ ARTRAC have to fulfil the minimum eligibility criteria prescribed for various courses.
 5. The University will provide accommodation to all in the existing hostels run by the Kalgidhar Trust.
 6. The fee will be paid by the officer/serving soldier at the normal rates prescribed for other students.
 7. They will abide by the rules and regulations of the University from the date of their admission/joining.
 8. Any issues arising out of discipline in their cases will be reported to the HQ ARTRAC by the University for Appropriate Action.

Army will provide guest speakers/adjunct Professors/ members on various bodies of the University in mutual consultation on a need basis and within the rules of both parties.

10. The term Army nominees includes serving Army personnel only.
11. An apex level Joint Committee will be formed to take the process forward and also examine further areas of cooperation. The recommendations of the Joint Committee on any matter referred to it under this scheme will be placed before the appropriate bodies of the University for approval. The committee will consist of two members each from both parties and will be chaired by the Vice Chancellor.
12. A co-ordinator on both sides will be nominated to oversee the implementation of the MoU. The Army will nominate one officer as their representative for co-ordinating the activities relating to the admission of Army personnel. He will liaise with the University personnel dealing with admission.

INTELLECTUAL PROPERTY

13. The Army and EU agree to respect each other's rights to intellectual property. Further, intellectual property rights that result from collaborative research or any activity under this MoU will be worked out on case-to-case basis and consistent with IPR policies of both the parties and the laws in force governed by security considerations and will be preferably arrived at through an agreement prior to commencement of any specific project/program.

COORDINATION

14. Eternal University shall identify one member of its faculty to coordinate the programme on its behalf. Similarly, the Army will identify one serving officer to coordinate the programme on its behalf. Further, an Empowered Committee, to be co-chaired by the Nominee of the GOC-in-C, Army Training Command and the Vice Chancellor, EU and additionally consisting of (a) one or more nominees of Vice Chancellor, EU, (b) one or more nominees of the GOC-in-C, Army Training Command (c) Programme Coordinator from the side of the Army, and (d) Programme coordinator from the side of EU, will work out the details of programmes, and other forms of engagement, identified above. The same committee will periodically review existing programmes, as also identify and implement new programmes, to strengthen cooperation between the two organizations.

CONFIDENTIALITY

15. Each organisation undertakes that it will not at any time use, divulge or communicate to any person, except to its professional representatives or advisers or as may be required by law or any legal or regulatory authority, any confidential information concerning the business or affairs of the other organisation which may have come to its knowledge as a result of entering into this memorandum and each of the organisation shall use its reasonable endeavours to prevent the publication or disclosure of any confidential information concerning such matters, in any medium whatsoever.

DATE OF EFFECT AND TERMINATION

16. This MoU will take effect from the date it is signed by representatives of the two organizations. It will remain valid for five years and may be renewed after suitable review thereafter. Either organisation may terminate the MoU by giving written notice to the organisation three months in advance. Once terminated, neither the Army nor EU will be responsible for any losses, financial or otherwise, which the other organization may suffer as a result. However, the Army and EU agree that all activities in progress are allowed to be completed successfully.

DISPUTE RESOLUTION

17. Should there be a dispute relating to any aspect of academic and research cooperation, the GOC-in-C, Army Training Command, or his nominee and Vice Chancellor, EU or his nominee will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

APPROVAL

18. This MoU is subject to the approval of the competent authorities of both the parties and also subject to the relevant laws of the land. The approval would be deemed to be in place once the MoU is signed.
19. Any new proposal if jointly accepted will be appended as addendum to this MoU.

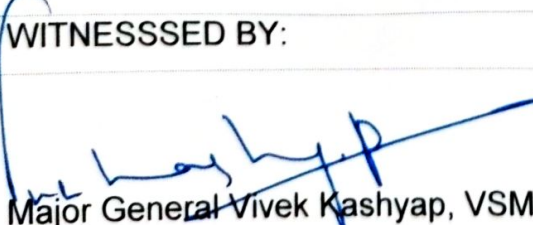

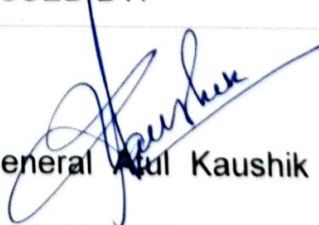

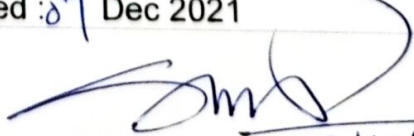

TERMINATION

20. Either party shall be entitled to terminate this MoU by providing the other party with three calendar months advance notice. The termination of the MoU, for whatever reason, will not affect the rights of either party, which may have been secured as on the date of termination and will further not affect any rights, which specially or by their nature survive the termination of this MoU.

This MoU is signed subject to the approval of the respective academic or administrative bodies of HQ ARTRAC (Indian Army) and representative of Eternal University Baru Sahib, Himachal Pradesh, in presence of the Chairman, HPPERC:

INDIA NON JUDICIAL

हिमाचल प्रदेश HIMACHAL PRADESH

11AA 423516

This MOU is signed between Eternal University, Baru Sahib, Himachal Pradesh, India as 1st Party and Foundation Thukral and Tagra as 2nd Party to encourage academic relations, friendship, collaboration, and international understanding.

Eternal university under the aegis of The Kalgidhar Trust is NAAC Accredited & ISO 9001: 2015 Certified University established under the Himachal Pradesh Private University (Establishment & Regulation) Act 2006 & Himachal Pradesh Government Act no. 3 of 2009, with the right to confer degree as per the UGC public notice on private Universities dated April 18, 2011.

1st Party: Eternal University, The Kalgidhar Society, Baru Sahib, Tehsil Rajgarh, District Simlaur, Himachal Pradesh – 173101

2nd Party: Foundation Thukral and Tagra, GH4-88, Gurgaon One Apartments, Sector 22, Gurgaon, Haryana 122015

In signing this agreement, both parties acknowledge a commitment to developing industry and academic relationships in the following areas of mutual interest and benefit.

We are willing to have this collaboration for educational cooperation, which can include things like:

- Jointly organizing conferences, seminars, workshops
- Faculty/Research Scholar Exchange or Student Exchange
- Research Projects

- Internship/Short term visits related to academic/research
- Joint research and meetings for education and research
- Academic Visiting
- Culture and literature

We are not limited to these points for collaboration; we are open to more suggestions that can be of mutual benefit. We believe this initiation will be a highly rewarding educational and academic for both of us.

Predicting what lies in the future is virtually impossible, but whatever it brings, We are sure of our long term relationship and your kind patronage.

1. OBJECTIVES

This MoU aims to build a long term relationship and develop healthy and stable arrangements between both parties. Any concerted programs, projects, or activities proposed under the auspices of this MoU shall be subject to negotiation, agreement and approval by, and between, the Parties. The forms of these collaborative programmes, projects or activities may include but are not limited to Research projects, utilisation of training programmes, exchange of experts.

The parties will work out a specific plan for any activity mentioned above and mutually discuss the detailed arrangement for collaboration.

2. FINANCIAL ARRANGEMENT

The financial arrangement for the activities undertaken within the framework of MoU shall be mutually agreed upon by both the Parties on a case-to-case basis, subject to the availability of funds and resources.

3. REPRESENTATION AND WARRANTY

Each Party represents that the execution and performance are not contrary to any rule, law, statute, internal policy, or other such order or regulation.

4. PROTECTION OF INTELLECTUAL PROPERTY RIGHTS/ OWNERSHIP

Each Party will protect the territory, intellectual property rights of the other Party in force in their respective countries. All copyrights, design rights, rights relating to computer software or intellectual property rights of the documents produced in support of any activity under this MoU shall remain with the Party owning it.

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design rights, rights relating to computer software, and any other industrial or intellectual property rights) developed during this MoU shall be decided through a separate project-specific agreement.

5. SUSPENSION

Each Party reserves the rights for national security, national interest, public order, or public health to implement this MoU in whole or in part temporarily. The suspension shall take effect immediately after written notification has been given to the other Party through diplomatic channels.

6. SETTLEMENT OF DISPUTES

The MoU is not intended to create any legal obligations between the Parties. Any difference or dispute between the Parties concerning the interpretation and implementation and/or applicable to any of the provisions of this MoU shall be settled amicably through mutual consultation and/or negotiation between the Parties, without reference to any third party or international tribunal.

The MoU shall be governed and construed following the Laws of India. The parties agree to submit to the exclusive jurisdiction of Mathura Court in India in connection with any dispute between the Parties under the MoU. In case any disputes arise in implementing the MoU, these shall be resolved by mutual discussion.

7. INDEMNIFICATION

Both the parties shall indemnify and keep the other Party indemnified and harmless against any claims, actions, proceedings by a third party (including all costs, expenses, damages/ losses) arising out of or in connection with this MoU due to breach of any provisions of this agreement Memorandum of Understanding by such Party or as a result of any act of negligence/omission or commission on the part of such Party and/or its employees, agents etc.

8. MISCELLANEOUS

1. Neither Party shall use or publicize the MoU in such a manner as to cause any disgrace to the other Party and shall not make any statement relevant to this MoU which may reasonably be.
2. Suppose any doubt arises as to the interpretation of the provisions of this agreement or as to matters not provided therein. In that case, the parties to this agreement shall consult with each other for each instance and resolve such doubts in good faith.
3. In case of dispute or difference arising out of, or in connection with, this MoU, the same shall settle through mutual discussions between both the parties.

IN WITNESS, of which, both the parties hereto have signed & executed this memorandum in the presence of each other and insight of attesting witnesses.

शिमला / Shimla - 171001 (H.P.)

(Signature of Second Party)

Vice-Chancellor
Eternal University
Baru Sahib (H.P.) 173101

Article 1. Scope

- 1.1 The Second party will recognize the First party as an Institute for conducting research related to the thesis requirement of the research students for various fields of Agricultural Sciences and Basic Sciences. The Second party will recognize Scientists of the ICAR Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.
- 1.2 Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domains within the approved disciplines /divisions. The objective(s) for research work for a student coming from a Second party outside NARS should be exclusively different as far as possible.
- 1.3 Research instrumentation facility and library facilities available with the First party and the Second party will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.
- 1.4 There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

Article 2. Management

- 2.1 Director of the First party and the Vice-Chancellor/Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

- 3.1 The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.
- 3.2 The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

- 4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students which violate principles of non-discrimination.

(Signature of First Party)

निदेशक / Director

ICAR - Central Potato Research Institute
सिमला / Shimla - 171001 (H.P.)

(Signature of Second Party)

Vice Chancellor
Eternal University
Baru Sahib (H.P.) 173104

- 4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- 4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.
- 4.4 Any research publications arising will be jointly published in accordance with the provisions laid out in Item 3.2.1C of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-H RD dated 11th December, 2012 or revised guidelines, if any, as may be issued from time to time.
- 4.5 A copy of the thesis/dissertation will be submitted to the First Party after the award of the degree by the Second party.
- 4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.
- 4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.
- 4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

Article 5. Intellectual Property Rights

- 5.1 The Second party will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The ICAR as the first applicant (for its institute) and the Second party shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/broaden/author. The ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization as amended from time to time shall be the reference for exploitation of the generated intellectual property, whose management and benefits sharing shall be mutually decided in each case.

Article 6. Admission and Fees

- 6.1 All those who wish to register as trainees or for Master/ Doctoral programme under this MoU must apply for admission at the Second party. The allocation of Major Guide/Advisor would be finalized before the registration and will be governed by the provisions laid out in items 3.1.1A and 3.2.3A of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time, for the students from within NARS and outside NARS, respectively.
- 6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the Second party as per the rules and regulations.
- 6.3 Allotment of the students at the First party will be done by the approval of Director of the First party and Vice-Chancellor/Head of the Institution of the Second party.
- 6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.

 Baru Sahib (H.P.) 172101

- 6.5 The PME Cell of the First party in consultation with the representative of the Second party shall decide the location and sharing quantum of research work.
- 6.6 The number of student(s) at any particular time will be subjected to the availability of research facilities and scientists' time to guide thesis research at the First party institution.
- 6.7 Any student(s) admitted to the First party for training/postgraduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.
- 6.8 Fees will be charged from the students by the First party as per Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institution as vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time. No fee may be charged by the First party from the students registered with AU /DU within NARS. However a student registered with a Second party, outside NARS, will deposit fee of Rs. 10,000/- for training duration of 3 months (not leading to a degree/dissertation) and Rs. 30,000/- per semester (six months) for training, research, dissertation exceeding three months. Any change in fee structure by ICAR will be applicable from the date of revision and shall be charged by the First party.

Article 7. Entry into effect, modification and termination

- 7.1 This MoU shall become effective on the date it is signed by the parties and shall be valid for three years extendable up to five years. Both parties shall review the status of the MoU at the end of each three/five year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.
- 7.2 All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.
- 7.3 No amendment or modification of the MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be amendment of the MoU. The modifications/changes shall become part of the MoU and shall be effective from the date on which they are made/executed, unless otherwise agreed to.

MEMORANDUM OF UNDERSTANDING

The Memorandum of Understanding is entered into this _____
2021.

Between

Spray Engineering Devices Limited, having its office at C-82, Industrial Area, Phase - VII, Mohali - 160055, represented through its authorized signatory namely, Mr. Vivek Verma, (hereinafter referred to as "SEDL" which expression shall include its affiliates, associated, successors, authorized employees and representatives, and permitted assigns)

And

Eternal University, Baru Sahib, via Rajghar, Distt. Sirmour (H.P), represented through its V. C. namely, Dr Davinder Singh (hereinafter referred to as "EU" which expression shall include its affiliates, successors, authorized employees and representatives and permitted assigns)

WHEREAS:

- a. The First Party is engaged in Production, Manufacturing, Marketing of products relating to sustainable energy, more specifically Green House Technology, Skill Development and R&D Services.
- b. The Second Party is a Higher Educational Institution and deeply committed towards R, D and consulting domain through the fundamental notion of Industry- Academia Interface model
- c. First Part and Second Party believe that collaboration and co-operation between themselves will promoted more effective use of each of their resources, and provide each of them with enhanced opportunities.
- d. The parties intend to cooperate and focus their efforts on cooperation within area of skill-based training, education and research and consultancy
- e. Both parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOW:

1. PURPOSE

The Parties recognize the benefits to be derived from increased collaboration, cooperation and interaction for the establishment of "High Tech Green House" which will be done by the First Party.

The purpose of this MOU is to define the area for fundamental, academic research in which the parties desire to work together in the future for their mutual benefit to foster a collaborative research framework between SEDL and BSU in the present field and future potential areas with a view to benefiting from each other's initiatives and working procedures and to support collaboration among the researches associated with both Parties.

2. SCOPE

This MOU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction and does not create any legally binding commitments. If the Parties later agree to undertake specific joint projects with legally binding obligations, they will develop separate written agreements for such projects, setting out each Party's contributions, deliverables, and budgets.

The Parties intend to:

- a. Propose collaboration on fundamental, academic research, related to "High Tech Green House" and optimization of applications performance on High Tech Green House.
- b. Both parties agree to carry out the joint research activities in the field of implementation of Green House Technology.
- c. The First Party will extend the necessary support to deliver guest lectures to the students of the Second Party on the technology trends and in house requirements.
- d. Provide mutual access to facilities for the purposes of fundamental, academic research.
- e. Encourage collaboration and cooperation involving engineers and personnel from the user communities associated with each party.
- f. Both parties believe that co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- g. The interaction between both the parties will give an insight into the latest developments/ requirement for the green house technology.

- h. The first party will train the students of second party on the emerging technologies in order to bridge the gap in skills.
- i. Organize various workshops and conduct practical training.

3. COSTS

- a. **The entire cost of the establishment of the "High Tech Green House" will be born by SEDL.**
- b. Each party will be responsible for its own costs in connection with all other matters relating to collaborations under this MOU.
(NEEDS TO BE SPECIFIED)

4. GENERAL PROVISIONS

- a. The parties shall co-operate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the "Definitive Documents") as may be required to give effect to the contemplated in terms of this MOU as necessary for smooth execution of the proposed collaboration.
- b. The terms of Definitive Documents shall be mutually decided between the Parties. Along with that the MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- c. As stated above, any specific joint projects with legally binding obligations will be set forth in separate written agreements.
- d. **Both the parties will jointly share all the rights and title under the treatment of IPR developed through collaborations under this MOU.**
- e. All the operation, stabilization, data monitoring and experimentation of the green house will be taken care by the second party under the supervision of SEDL.

5. CONFIDENTIALITY

The parties agree that there is no intention to share any confidential or proprietary information in any collaboration under this MOU. If either party wishes to disclose information it considers to be confidential or proprietary to the other party, the parties will enter into a written non-disclosure agreement. It is also understood and agreed that no information will be exchanged or disseminated under any collaborations pursuant to this MOU.

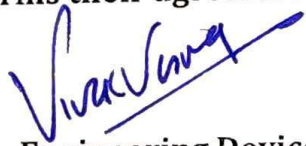

6. DURATION

This MOU shall be effective for a period of __ years from the date of final signature. It may be modified or extended by mutual written agreement by the Parties. Either party upon 2 months advance written notice may terminate this MOU.

7. RELATIONSHIP BETWEEN THE PARTIES

It is expressly agreed that both the parties are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

The Parties to this Memorandum of Understanding hereby confirms their agreement to its terms by the following signatures:

MEMORANDUM OF UNDERSTANDING (MoU)

Between

Eternal University, Baru Sahib (HP)

and

Talwandi Sabo

Akal University, Talwandi Sabo (Punjab)

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

ETERNAL UNIVERSITY, BARU SAHIB

AND

AKAL UNIVERSITY, TALWANDI SABO

A. PREAMBLE

With recognition of their strengths in research in one or more disciplines of science, and their mutual interest in engaging themselves in research/academic cooperation, Eternal University, Baru Sahib and Akal University, Talwandi Sabo agree to establish a programme for research/academic cooperation in areas of mutual interest, and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU). This MoU entered into and executed on _____ between:

Eternal University, Baru Sahib

(hereinafter referred to as 'EUBS' as the context permits)

and

Akal University, Talwandi Sabo

(hereinafter referred to as 'AUTS' as the context permits)

A. OBJECTIVES

The goal of this cooperation is to foster and development of academic and research collaboration between the two universities to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit and frequent interaction. EUBS and AUTS agree:

1. To facilitate exchange of faculty and staff for the purpose of education and/or research.
2. To jointly propose and engage in research or training programmes as per national priorities, sponsored by funding agencies, and to invite each other's faculty to participate therein.
3. To exchange the information on research and educational programmes, teaching, learning material and other literature, with due approval of the competent authority of both the organizations.

4. To jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty to participate therein.
5. To jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein.
6. To exchange, on a reciprocal basis, students/scholars for limited periods of time for purpose of education and/or research.
7. To encourage any other academic/research activities that both the institutions agreed to be mutual benefit.

EUBS and AUTS agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

The two universities hereby agree on the following articles to establish the Exchange Programme:

B. STUDENT EXCHANGE

1. The aim of the exchange program is to provide students an opportunity to have experience of cooperation and exchange.
2. The term of study for exchange students participating in this program shall be one academic semester, but may be extended with the consent of both universities.
3. The number of students exchanged under the MoU shall be not more than three students at each university. The total number of mutual exchange students will be about same from each university during the term of five years.
4. The host university has the right to decide acceptance of exchange students, by taking account of recommendation issued from the home university for exchange students based on their academic record.
5. The host university will waive application fees, entrance fees, and tuition fees of the exchange students, transportation, accommodation, food, clothing and other personal costs including the medical health insurance and medical care will be the personal responsibilities of the students themselves. However, the host university may charge an amount for providing laboratory, library, internet facilities etc. The amount will be intimated at the time of making offer.

6. The host university shall reserve or make available accommodation on campus for exchange students or assist them in locating suitable housing off campus if they so desire.
7. The exchange student is treated as either the research student or specially registered student.
8. The exchange students will be subject to the student rules at the host university, while on exchange. Exchange students will be offered the same facilities as local students.
9. Exchange students will study subjects or conduct researches which are pertinent to their field of study and are offered by the host university.
10. The acceptance of course work (lectures, seminars) taken at the host university and the measure of achievement attained there will be communicated to the home university.
11. Any Intellectual Property developed during the joint activity will be jointly owned by the two universities.

C. FACULTY EXCHANGE

1. The two universities will actively seek to promote mutual faculty exchange for mutual agreed periods.
2. Faculty exchange may assume various forms, such as individual short-time and long term visits of faculties, joint research and development projects.
3. Encouragement of the academic faculty to co-author publications, joint research activities and joint project possibilities is in subject to applicable copyright and/or other laws of the country, as well as rules and regulations of the perspective universities.
4. The host university will endeavour to, as much as possible, make available such facilities that will enable the faculty to obtain experience and training in its departments and institutes, including the use of its laboratories and libraries.
5. The two universities acknowledge that in the absence of an external funding agency, all expenses for travel, living and allied costs will be left to the discretion and the responsibility of the home university.
6. Any Intellectual Property developed during the joint activity will be jointly owned by the two universities.

D. EXCHANGE OF INFORMATION

Information will be actively exchanged, including information for students, information on research and study provided at the university, relevant information about faculty members and fields of research and university publications.

E. JOINT CONFERENCES, WORKSHOPS AND SHORT-TERM COURSES

EUBS and AUTS agree to help identify and invite faculty members from the other institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between the invited faculty member(s) and the institution extending such an invitation. When a faculty member visits the other institution on invitation or as part of such joint activity/research project, then such a visit will be classified as such, and handled as per rules of the individual institution.

F. INTELLECTUAL PROPERTY RIGHTS

EUBS and AUTS agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on a case-to-case basis by the competent authorities of both the institutions, and will be consistent with officially laid down IPR policies of the two institutes.

G. TERMS OF IMPLEMENTATION, RENEWAL, REVISION, CANCELLATION AND NOTICES

1. This MoU becomes effective on the day it is signed and remains valid for five years.
2. This MoU will be renewed after five years upon the consent in writing of both universities. Each university may cancel the MoU by notifying the other University of its intent to do so at least six months in advance of its expiration. Project in progress at the time of termination will remain unaffected.
3. Any amendment or modifications to the present text shall be submitted for review to the competent authorities, and shall not be binding unless reduced to writing and signed by both the universities.

H. SIGNED IN DUPLICATE

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Institutes, acting by their duly authorised officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

Memorandum of Understanding
Between

ETERNAL UNIVERSITY and KALGIDHAR SOCIETY, BARU SAHIB

Eternal University Baru Sahib, Himachal Pradesh, (hereafter referred to as the first party or 'EU') duly represented by its coordinator of certification course on Geriatric Care Assistant sponsored by Kalgidhar Society and established by Act No. 3 of 2009 by the Himachal Pradesh Government, is one of the few private universities in the world committed to value based higher scientific and technical education. The Eternal University with its seven constituent colleges viz., Akal College of Engineering & Technology, Akal College of Basic Sciences, Akal College of Arts and Social Sciences, Akal College of Health and Allied Sciences, Akal College of Education and Dr. Khem Singh Gill Akal College Agriculture has been duly recognized by UGC, AICTE, INC, NCTE, DSIR, DBT and DRDO for undertaking diverse teaching programs, research, and extension activities. It has been accredited by NAAC. The Eternal University is offering nearly 60 undergraduates to Ph. D. programs in its seven constituent colleges.

AND

The Kalgidhar Society, Baru Sahib hereinafter referred to (As Second Party) and duly represented by its Authorized Signatory, Mr. Darshan Singh.

The Kalgidhar Society, Baru Sahib is a non-profit charitable organization focusing on providing quality education to fight against the alarming rise in drugs and alcohol abuse with equal stress on Healthcare, Women Empowerment and Social Welfare, the organization has been instrumental in the socio-economic uplift of the poor in the far-flung rural areas of North India. Today the rural areas of Uttar Pradesh, Haryana and Rajasthan, and the backward hilly areas of Himachal Pradesh and Punjab are dotted with 129 low cost CBSE Schools, providing modern, value-based education to around 70,000 students. The students are mostly from the deprived sections of society, admitted regardless of caste, creed, region, religion and social status. The aim is to build a total of 500 low-cost schools to provide value-based education to all children at the village level. The Kalgidhar Society, Baru Sahib also runs 24 Colleges, two Private Universities, six Teachers Training Centres to empower 2000 rural girls, one Hospital with 240 beds, three De-addiction Centres, one Orphanage, one Old Age Home, and one

Rehabilitation Centre for Distressed Women, apart from organizing four Free Medical/Surgery Camps for the poor in the hilly areas of Sirmaur, Himachal Pradesh.

SCOPE

The scope of this cooperation between the Kalgidhar Society and EU is to promote and facilitate the view of sharing a Common desire to explore extend and strengthen the mutual relationship with well-established academic and Research & Development set up in order to share the facilities and expertise available with each of them to offer practical training to EU trainees for Geriatric care assistance.

COORDINATION

1. EU is starting an add on certificate course in "Geriatric Care Assistant" for existing girl students pursuing graduation and also for 12th standard pass students
2. For the above course, the students are required to undergo practical training by Visiting Senior care home/ Old age homes.
3. The Kalgidhar Society, Baru Sahib under its various activities and program also include "Home for Senior Citizens".
4. At present more than 50 volunteers above 60 years of age are residing and spending their second innings at Baru Sahib by engaging in Voluntary activities according to their capabilities.
5. More than 20 volunteer above 70 years are residing and their daily needs including boarding lodging and medical needs are being looked after by the society.
6. Through this MOU, the Kalgidhar society agrees in Principle to allow the Trainees from Eternal University to get practical training for "Geriatric care assistant" under the condition that they will abide by the norms and regulations of the society.
7. The detail schedule of the program and posting will be intimated to the society in advance and the students will work under the supervision of Teachers only after taking due permission from the concerned authorities.

The MoU is valid for a period of five years from the date of signature by both the parties and may be renewed for any other period as shall be agreed on in between the parties. If either Party does not wish to continue this MoU, then such Party provide the other Party of its intention to terminate this MoU, by giving 3 (three) months' notice in writing.

Umbrella Memorandum of Understanding between

**ICAR-National Bureau of Agriculturally Important Microorganisms,
Kushmaur, Mau Nath Bhanjan-275103 Uttar Pradesh**

**and
Eternal University, Baru Sahib, District Sirmour (H.P.) 173101**

**for facilitating
Students' Training/Postgraduate Research**

This Memorandum of Understanding (hereinafter referred to as MoU) is made on this _____ day of the month of July in the year 2021 by and between the ICAR-National Bureau of Agriculturally Important Microorganisms having its Head Office at Kushmaur, Mau Nath Bhanjan-275103 Uttar Pradesh (hereinafter called First party), a constituent Research Institution of the Indian Council of Agricultural Research, Krishi Bhawan, New Delhi-110001 on the ONE PART and the Eternal University having its headquarters at Baru Sahib, District Sirmour (H.P.) 173101 (hereinafter called Second party) on the OTHER PART (who for the purpose of this MoU are hereinafter collectively referred to as the parties).

The parties, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter into long-term collaboration for promotion of students' training and quality postgraduate research in cutting edge areas in accordance with the provisions contained in the Guidelines issued vide Letter No. 2-9/2012- HRD dated 11th December, 2012 or as revised from time to time.

WHEREAS the "First Party" is involved in the studies on Agriculturally Important Microorganisms [specific specified domain within the approved disciplines /divisions] AND WHEREAS the "Second Party", established vide P. No. EDN-A-Cha(S)6/2006(Loose) dated 29/04/2008 by Govt. of Himachal Pradesh, Higher Education Department (Name of the Agency) vide Act No. 03 of 2009 and recognized by University Grants Commission] at its Department of Higher Education is involved in Basic and Applied Research in various fields of Agricultural Sciences and Basic Sciences (Specific areas of research)

AND WHEREAS it has been considered expedient to agree in writing to participate jointly in the projects requiring expertise and logistics from both the parties.

(Signature of First Party)

(Signature of Second Party)
**Vice Chancellor
Eternal University
Baru Sahib (H.P.) 173101**

Article 1. Scope

- 1.1 The Second party will recognize the First party as an Institute for conducting research related to the thesis requirement of the research students for various fields of Agricultural Sciences and Basic Sciences. The Second party will recognize Scientists of the ICAR Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.
- 1.2 Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domain within the approved disciplines /divisions. The objective(s) for research work for a student coming from a Second party outside NARS should be exclusively different as far as possible.
- 1.3 Research instrumentation facility and library facilities available with the First party and the Second party will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.
- 1.4 There shall be an exchange of students for academic, research and training purposes. Accommodation in the hostel shall be arranged, wherever possible, at per estant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

Article 2. Management

- 2.1 Director of the First party and the Vice-Chancellor/Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

- 3.1. The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.
- 3.2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

- 4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students which violate principles of non-discrimination.

(Signature of First Party)

(Signature of Second Party)

Vice Chancellor
Eternal University
Baru Sahib (H.P.) 173101

- 4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- 4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.
- 4.4 Any research publications arising will be jointly published in accordance with the provisions laid out in Item 3.2.1C of the Guidelines for the students to conduct research for their degree programme as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-IRD dated 11th December, 2012 or revised guidelines, if any, as may be issued from time to time.
- 4.5 A copy of the thesis/dissertation will be submitted to the First Party after the award of the degree by the Second party.
- 4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.
- 4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.
- 4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

Article 5. Intellectual Property Rights

- 5.1 The Second party will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The ICAR as the first applicant (for its institute) and the Second party shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/breeder/author. The ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization as amended from time to time shall be the reference for exploitation of the generated intellectual property, whose management and benefits sharing shall be mutually decided in each case.

Article 6. Admission and Fees

- 6.1 All those who wish to register as trainees or for Master/ Doctoral programmes under this MoU must apply for admission at the Second party. The allocation of Major Guide/Advisor would be finalized before the registration and will be governed by the provisions laid out in items 3.2.1A and 3.2.2A of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-IRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time, for the students from within NARS and outside NARS, respectively.
- 6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the Second party as per the rules and regulations.
- 6.3 Allotment of the students at the First party will be done by the approval of Director of the First party and Vice-Chancellor/Head of the Institution of the Second party.
- 6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.

(Signature of First Party)

(Signature of Second Party)
Eternal University
Baru Sabib (H.P.) 173101

- 6.5 The PME Cell of the First party in consultation with the representative of the Second party shall decide the location and sharing quantum of research work.
- 6.6 The number of student(s) at any particular time will be subjected to the availability of research facilities and scientists' time to guide thesis research at the First party Institution.
- 6.7 Any student(s) admitted to the First party for training/postgraduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.
- 6.8 Fees will be charged from the students by the First party as per Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institution as vide Letter No. 2-8/2012-IRRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time. No fee may be charged by the First party from the students registered with All /DU within NARS. However a student registered with a Second party, outside NARS, will deposit fee of Rs. 10,000/- for training duration of 3 months (not leading to a degree/dissertation) and Rs. 30,000/- per semester (six months) for training, research, dissertation exceeding three months. Any change in fee structure by ICAR will be applicable from the date of revision and shall be charged by the First party.

Article 7. Entry into effect, modification and termination

- 7.1 This MoU shall become effective on the date it is signed by the parties and shall be valid for three years extendable up to five years. Both parties shall review the status of the MoU at the end of each three/five year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.
- 7.2 All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.
- 7.3 No amendment or modification of the MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be amendment of the MoU. The modifications/changes shall become part of the MoU and shall be effective from the date on which they are made/executed, unless otherwise agreed to.

MEMORANDUM OF UNDERSTANDING

BETWEEN

KHAN MUSHROOM CENTRE VILL. NANGAL, SALANGARI, DHAMANDARI ROAD
(INDUSTRIAL AREA) DISTT UNA HP

AND

ETERNAL UNIVERITY, BARU SAHIB, DISTT SIRMOUR HP

1. PREAMBLE

Recognizing the mutual benefits to be gained through a cooperative program "Developing Proactive Industrial Interface to Create Better Placements, Internships and Opportunities in Entrepreneurship Developing Programme through MoU Signing" between Khan Mushroom Farm cum Training Centre Vill Nangal, Salangri, Dhamandari Road (Industrial Area) Distt Una HP herein after referred to as 1st party and Eternal University, Baru Sahib, Distt Sirmour herein after referred to as 2nd party specified above enter into this Memorandum of Understanding on the terms set out below:

2. PURPOSE

The purpose of this Memorandum is to provide a framework by which the parties may in future undertake joint activities together, which may include:

- 2.1 Create better placement opportunities by the campus placement;
- 2.2 To conduct internship/ industrial training of final year students of B.Sc. (Hons.) Agriculture under ELP;
- 2.3 To provide opportunities to the students for understanding and undertaking entrepreneurial activities;

3. STATUS

- 3.1 This Memorandum does not create any legal binding obligations or rights between agreements.
- 3.2 Any specific arrangements undertaken by the parties will be documented in legally binding agreements.

4. TERM OF THIS MEMORANDUM

- 4.1 This Memorandum commences on the date specified on the last page of this document, and remains in effect for a period of FIVE years from commencement.
- 4.2 The parties may extend or renew this Memorandum by mutual agreement.
- 4.3 Either party may terminate this Memorandum at any time by notifying the other party at least six (6) months in advance of the proposed date of termination.

4.4 Termination or expiry of this Memorandum does not affect any legally binding arrangements in effect or continuing following termination or expiry of this Memorandum.

5. COORDINATION OF AGREED ACTIVITIES

In order to carry out and fulfill the aims of this Memorandum, both parties mutually agree on the following points:

1. 1st party agrees to conduct campus interview for the placements of students of 2nd party as and when required. 2nd party agrees to provide boarding and lodging facility to the person (s) coming to conduct campus interview.
2. 1st party agrees to conduct visits of students of 2nd party without charging any fees. 2nd party agrees to bear boarding, lodging and transportation charges of the students.
3. 1st party agrees to share technical knowledge for developing entrepreneurial skills with the students of 2nd party through guest lecture. 2nd party agrees to bear boarding, lodging and transportation charges of students. 2nd party also agrees to bear transportation and boarding lodging charges for guest lectures to be delivered at University.
4. Both parties agree for conducting any other activity in future on which the parties mutually agree.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
TEXAS WOMAN'S UNIVERSITY, USA
on behalf of the TWU COLLEGE OF NURSING
WITH
ETERNAL UNIVERSITY, INDIA**

The Texas Woman's University, College of Nursing (TWU) and **ETERNAL UNIVERSITY** wish to establish a collaborative relationship between the two university Colleges of Nursing to develop academic and cultural interchange:

Area

Subject to mutual written consent, the area of collaboration will include programs or activities offered at either university in which the two institutions believe collaboration is feasible and desirable, and which would contribute to fostering and developing a mutually beneficial relationship between the two universities, elevating the standard and quality of nursing education and program graduates.

Methods

Subject to the subsequent approval of the designated individual of each institution and the availability of funds, assistance shall be carried out through any one or more of the following activities or programs as mutually agreed to by the parties:

1. Joint educational projects
2. Joint research activities and publications
3. Participation in seminars and academic meetings, including symposia, workshops and conferences
4. Exchange of academic materials and other education related information
5. Special short-term academic programs or projects
6. Staff development activities such as capacity building
7. Cultural immersion courses
8. Nursing education curriculum improvement and benchmarking

The terms of a specific program or activity from the above list and any budgetary needs shall be mutually discussed and agreed upon in writing and signed by both parties prior to the initiation of any particular program or activity. Each university will designate a liaison office or individual to develop and coordinate specific activities and programs.

Effective Date and Length of Agreement

Terms: This agreement will remain in force for a period of five years; to begin on the date designated signatures have been obtained from both universities. This term also includes an option to renew upon the mutual written agreement between the parties hereto.

If one of the universities desires to discontinue this agreement, that university has an obligation to inform the other institution in writing a minimum of three (3) months prior to dissolution of the agreement.

Amendments: No amendment, change or modification to this Memorandum of Understanding (MOU) may be made except in a writing signed by all parties hereto.

Governing Law and Venue: This agreement shall be governed and interpreted pursuant to the Constitution laws of the state of Texas. Venue for any suit filed pursuant to this agreement shall be in Denton County, Texas.

This agreement shall become effective after the approved individual of both institutions have signed this document. The signatures of the institutional representatives affixed below signify the interest of both parties in formalizing a collaborative relationship.

Approved:
