Eternal University

(World peace through value based education)

In a largely residential campus the day-scholar girl students from nearby areas of Sirmaur' district who could commute from home can now also

pursue their studies in the Eternal University. Situated in the Valley of Divine Peace the Modern Gurukul is providing safest, drug and pollution free environment with facilities such as sports complex, gymnasium, NSS and NCC units, experimental farms, poly houses, modern dairy complex, solar power utilization systems and support for holistic development of its students. The Eternal University has organized several conferences, workshops, camps and Kisan Melas with emphasis to address the crucial problems of farmers of Sirmour and adjoining districts of Himachal Pradesh for their inclusive development.

It is continuously looking forward to take up research in the thrust areas and research gaps in Agriculture, Food Technology, Biotechnology, Public Health, Basic Sciences, Engineering & Technology and Renewable Energy with the teams of world class scientists, in-house and external funding support from different funding agencies of Govt. of India and Himachal Pradesh.

Our student centric learning initiatives are also well known and it has already started showing its fruit for the students. Some of the notably well appreciated initiative's are: comprehensive students development program, A robust students information booklet, sound mentor – mentee program, students club, students suggestion box, meeting with parents on regular intervals, distinguished guest lecturer series to enhance and enrich the awareness level, regular field visits to sensitize on contemporary

social issues, periodic academic revives with students representatives and couples with all statutory bodies as per the official requirements of UGC, AICTE and private regulatory body of Himachal Pradesh

Our well established Corporate- Outreach division along with Training & Placement division are playing their respective critical role and their efforts have been well recognized by all relevant stake holders including state govt and other central and state agencies. Being in a hilly area, we could manage to organize 10 mega national and int'l conferences with pan India and global presence for our students and faculty to disseminate information relevant for their continuous development and aware of contemporary challenges . This efforts of University Corporate Resource Centre, has been well recognized globally and no other university has ever been able to match our this initiative.

Additionally with time, university has evolved into a holistic campus in its true essence while developing robust mechanism to foster conducive learning and to develop a socially responsible citizen with our long cherished Indian ethos.

Strategic review of over all activities of the university to take corrective measures proactively to address the contemporary issues, is going to be another great timely initiative to remain meaningful , value added . We are the number one university with 100% compliance with all govt regulatory requirements.

Our green campus initiative have been globally appreciated and recognized, by with many path breaking efforts both from a statutory and voluntary perspective.
