

4.1.1 The institution has adequate infrastructure facilities for

- a. Teaching - learning. viz., classrooms, laboratories,**
- b. ICT enabled facilities such as smart classes, LMS etc.**
- c. Facilities for cultural and sports activities, yoga centre, games (indoor and outdoor) gymnasium, auditorium etc.**

The University has more than the sufficient infrastructure facilities required for teaching learning, co-curricular and extra-curricular activities. As far as **teaching and learning** is concerned, there are 34 classrooms, credit seminar & pre-thesis seminars rooms, Governing Body Hall, and Auditorium for 200 students fitted with conference sound system and LCD projector. DKSG Akal college of Agriculture has twelve well equipped modern laboratories; three semi-commercial food processing pilot plants with bakery unit and 18 hectares' land spread over four experimental farms. All the laboratories of the College are equipped with requisite instrumentations as per the requirements of the programme. Two centralized labs with most of the advanced equipments are made available to all the research scholars of the University. The herbal cum medicinal garden, meteorological data collection centre, animal house, horticulture farm, and large number of playhouses for controlled agricultural experiments for the students of University. It has apiary (Bee Keeping Unit) with 25 bee hives boxes of *Apis mellifera*. ACE&T has laboratories such as Data Warehousing & Mining Lab, Cloud Computing Lab, Data Network Lab, Programming Lab, Linux Lab, Multimedia Lab, Data Structure Lab, and Database Management System (DBMS) Laboratory. The spacious workshop comprises of shops related to Machine, Fitting, Smithy Carpentry, Welding and foundry. ACA&SS, the Department of Music provides to its students an opportunity with a rare combination of learning Divine Music, along with ancient Indian string instruments. Dept. has very wide and unique range of Music Instruments.

There are 14 **ICT enabled facilities such as smart class** rooms. In the reporting year touch screen with internet are available for teaching. There are a total of 335 desktops and each department has printing facility with a total number of 22 printers. The entire campus is Wi-Fi enabled with internet. The University has one Central library. It has 42,000 plus books, J-gate unlimited online journals, 35 Journal (offline), ERP, Turnitin Original (Anti Plagiarism Software). The downloading of publication J-Gate or any learning material from books, its Xeroxing facility is provided at a single window. Eternal University has developed its own online Learning Management System (LMS) which played a crucial role during the COVID-19 period in facilitating online exams. The LMS continues to be utilized for various activities including Ph.D. Entrance exams.

Although the **sports activity** infrastructure in hilly areas, is restricted due to the topology of the place, however, Eternal University has manually made such facilities for the students with fully lit grounds at night, for various games viz. basketball, volley ball, two lawn tennis grounds, and athletic track with eight lanes (200 meters' runway). **Indoor games** viz. table tennis, carom, and chess are available for the students. Yoga is carried out in the university hall in the morning from 06:00-07:00 AM by an expert. The University **auditorium** (Bhai Gurdas Hall) is well-equipped having two hundred seating capacity. The auditorium is well-utilized for various academic events, co-curricular and extra-curricular activities, such as meetings, seminars, workshops, conferences, pre-placement talk and ceremonies, annual convocation, and yoga. Every year **International Yoga Day** is celebrated on International Yoga Day to create awareness about physical fitness. The University has a well-set up indoor and outdoor gymnasium with modern facilities. Open Gym facility with high class equipment is available to students in the campus without any fee. Besides this, there is a park for the students, where students can interact with each other, play and participate in recreational activities.
