ABOUT CONFERENCE

Agriculture has been the backbone of the Indian economy. It has to support around 16 per cent of world population from 2.4 per cent of global geographical area and 4.2 per cent of world's water resources. The current cropping intensity of 137 per cent has registered an increase of only 26 per cent since 1950-51. The net sown area is 142 Mha. The net irrigated region was 58.87 Mha in 2004-05. Currently, the total net irrigated region covers 45.5 per cent of the net sown region, the remaining 54.5 per cent is rainfed. The degradation of surface and land as well as ground water resources results in fast deterioration of soil health. Losses due to abiotic (drought, salinity, heat, cold, etc.) and biotic (insect-pests, diseases, weeds) stresses account for about one-fourth of the value of agricultural produce. The storage, processing, transportation, value addition and marketing of farm produce need to be improved to enhance household food, nutrition and livelihood security. Conference aim to focus on how advance technologies with suitable strategies can enhance sustainable agriculture production in India. Conference would bring together scientific community, research scholars, academicians and students to discuss various opportunities in agriculture and environmental issues.

**Respected Sir/ Ma'am
Greetings of the day!**

Following information is disseminated for your kind information and participation please.

Food is a necessity in life, and If you've ever wondered about the chemistry behind food, this seminar is for you. Akal University is bringing an opportunity by organizing a "Food Chemistry: a Food for Thought" seminar on 20th October 2022 from 9:30 am.

Food chemistry suggests ways to make food healthier by identifying nutrients and how they transform during preparation and storage.

In this seminar, speakers from well-renowned universities and departments will share their knowledge on the topic.

The eminent speakers of the seminar will be:

- (i) Prof. Amin Ismail, Director, Putra Malaysia University Faculty of Medicine and Health Sciences, Serdang, Malaysia.**
- (ii) Prof. Amparo López-Rubio, Director, Novel Materials and Nanotechnology Group, IATA-CSIC, Avda, Spain.**
- (iii) Prof. Ludger Brühl Max Rubner-Institut, Federal Research Institute of Nutrition and Food, Department of Safety and Quality of Cereals, Schützenberg, Germany**

Interested candidates can register for the seminar from the below link:

<https://forms.gle/WaDd7cdRgdi5Avg16>

Coordinator: Dr. Tirtha Mukherjee, Department of Chemistry, Akal University

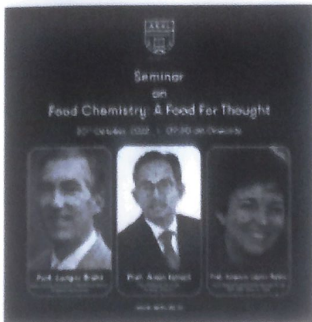

**Thanking you
With Best Regards**

**(Dr. Puneet Negi)
Member Secretary, SRIC**

Dear Sir/Madam,

Please refer to this office email dated 17/03/2023 wide which you have been requested to put up a stall in the Kisan Mela being organized by the university w.e.f. 12-13/04/2023.

Farmers are the backbone of the national economy and responsible for providing us with eatables. They are working hard in the vagaries of nature to keep our life sustainable. Just to apprise them with the latest cultivation techniques in the field of agriculture, Eternal University with the blessings of Kalgidhar Trust is organizing Kisan Mela every year on the auspicious occasion of Baisakhi Parv. Dr. S.K. Malhotra, Director, Directorate of Knowledge Management in Agriculture ICAR, New Delhi has very kindly given the consent to be Chief Guest of Kisan Mela.

On behalf of Eternal University, I feel honoured to request once again all of you to showcase the activities of your college/department in a befitting manner for the benefit of agrarian society. Your efforts will certainly be fruitful for the betterment of the farming community.

I request all of you to be a part of this august activity and help us to make this event a great success.

With kind regards,

**Report on Janmashtami Celebrations by Eternal
University's Hostel , Baru Sahib
On 7th September 2023**

Sweeter than honey, tastier than curd, pleasanter indeed than any happiness, and joy is the company, is the power of the name of Krishna. Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. According to the Hindu calendar, this festival is celebrated on the Ashtami of Krishna Paksh, or the 8th day of the dark fortnight in the month of Bhadon. This day indicated the beginning of hope in the old times; hope that the malicious rule of Kansa would soon end.

To seek the blessings of Lord Krishna, Janmashtami was celebrated at the Hostel of Eternal University , Baru Sahib on 7th September 2023 with mirth and joy. It brought devotion, creativity, enjoyment and fun all together. Ms Mamta Jaiswal the Hostel warden and the students of Eternal university participated for the worship of Lord Krishna. The celebration began by offering homage full of devotion to Lord Krishna through Shri Krishna Aarti by our honourable DSW Mrs. Yogita Thakur followed by Ms. Mamta Jaiswal and then hostel students. More than 100 children from Hostel took part in the celebration of Lord Krishna.

Students actively Participated in Janmashtami function by doing the arrangements such as decoration, snacks, bhajan and different activities. The hostel warden led the main role in the celebration and some of the students assisted her for the proper functioning of the event. The decoration was followed by some speakers from the IT department of Eternal University and different flower items, balloons etc.

The Prasad made by the assisting members were Makhan Mishra, Panchamrit and cakes followed by Panjiri Prasad made by the mess faculty. Students of hostel came traditionally dressed as Radha, Krishna, Meera and Sudama. A splendidly colourful program was organized by the children where students presented songs, dance performances. Later the snacks were being served that carried patties, pasta, cake and also while students were leaving they were given return gifts (pen, biscuit and kurkure).

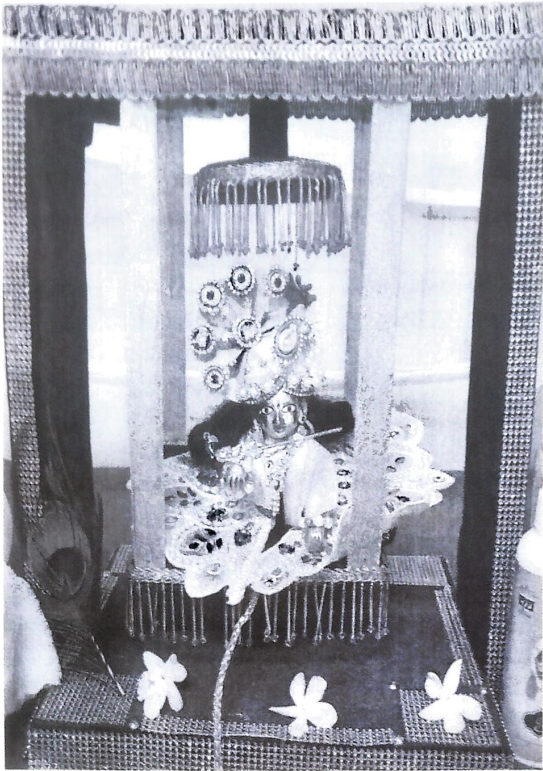

The celebration left the message that humanity is the biggest religion in the world.

Subject: Request for permission of Educational Tour of B.Sc. (Hons.) Agriculture 3rd year students
w.e.f. 01/07/2024 to 10/07/2024.

Respected Sir,

With due respect, it is submitted that Educational Tour (0+2 credits) is an essential requirement for B.Sc. (Hons.) Agriculture degree programme. There are 14 students in B.Sc. (Hons.) Agriculture 3rd year class. Dr. Amit Saurabh, Assistant Professor cum HoD Horticulture, Dr. Megha Ahir, Assistant Professor Horticulture and Ms. Manju Attri, Teaching Associate Agronomy have been requested to conduct this Educational Tour. One bus will be required for transport purpose. During the Academic Session 2022-23, Rs. 50000/- were approved by the competent authority of the university to bear the partial transport expenses. The same amount may kindly be approved to bear the partial transport expenses during this year. Rest of the expenses towards transport, boarding and lodging will be borne by the students. Proposal for conducting an Educational Tour from 01/07/2024 to 10/07/2024 is being enclosed for your kind perusal, consideration and approval please.

With kind regards,

Yours sincerely

Thanks for the information. I shall be out of station. I feel the camp is more ornamental than doing real job, time chosen is in exam and physical shaman is often just shown and done for photos. Teachers have to lead such events first putting themselves in practice. Regards

A S Ahluwalia
