

5.3.2 Presence of an active Student Council & representation of students on academic & administrative bodies/committees of the institution

The students' affair committee of Eternal University is instrumental in furthering students' interests and plays a pivotal role in resolving their concerns. The organisation holds a student council constituted of a president, vice president, secretary, joint secretary, treasurer and 7 student members and Dean Student Welfare as in charge. The committee is responsible for providing the necessary support and resources to enable all the approved student activities and initiatives and addresses issues of students. Students, being one of the stakeholders of an educational organisation, are involved in curriculum design, members of IQAC, EU Alumni Association, Anti Ragging Committees etc.

Students take an active part in organizing various programs, conferences, workshops, and symposia. Students actively participate in annual activities of social, cultural and sports to bring out the hidden talents at institution, state and national level through extracurricular activities. The council assist in organizing different activities throughout the year:

In Annual Sports Day, they work from the field preparation to final result compilation. The members of council actively work in Kissan Mela at different levels like stall establishment, maintain discipline, to help the visitors so that they could get maximum benefit of the displays and technologies.

The council members motivate all the students to celebrate interfaith cultural activities like Shivratri, Gupurab, Janmashtmi etc.

On shivratri they work in bhandara organization. During Gupurab celebration, the council members motivate the students and actively guide the sangat to maintain discipline in Nagar Kirtan procession and help in distribution of langar among the devotees. Janmashtmi is celebrated in house. The members of student council motivate all the students to set up the temple and perform cultural activities.

The educational and excursion tours organized on the demand of council members and they obey full responsibility of discipline during such excursion and adventure activities. The other activities (debate, quiz and essay writing competitions) during celebration of different important days are conducted by active involvement of student council members by motivating other students and lead to conduct them.

The student council leads and encourages the students to participate in plantation drives, rallies, guide the adjoining villagers regarding maintenance of hygiene, parthenium eradication etc. for social cause.

Students take a lead role in hostel committees like mess committee, floor coordinators, task force committee to ensure the quality and maintain discipline. It plays an important role in maintenance of peace and harmony among the students community.

During the NCC and NSS activities, council members help the volunteers for smooth conduct of the camps. Overall, the council members take care of almost all the campus or student related activities and issues.
