TESTIMONIALS

Sakshi Pundir
B.Sc. (Hons.) Agriculture

My self, Sakshi Pundir, student of B.Sc. (Hons.) Agriculture have passed my graduation from Dr. Khem Singh Gill Akal College of Agriculture, Eternal University, Baru Sahib. This is the campus with divine peace; the environment here is so refreshing. This campus provides us the atmosphere that every child needs to focus on their carrier. The faculty members here are very coordinating and helpful. They are always there to guide you in every phase. I feel lucky to be a student of this peaceful university. Through competition I have been able to get admission in M.Sc. Ag. (Agricultural Economics) at CSK HPKV, Palampur and finally in Agricultural Extension Education at Dr. Rajendra Prasad Central University, Samastipur (Bihar) during the Academic Session 2022-2023.

Heena
B.Sc. (Hons.) Agriculture

My self, Heena, was a student of B.Sc. (Hons.) Agriculture at Eternal University, Baru Sahib Sirmour since 2018-2022. My four years overall experience is very great and for study purpose this place is very peaceful. I would like to thank all my teachers for their academic support which they provided to each and every student. Through competition I have been able to get admission in M.Sc. Ag. (Vegetable Science) at Sher-e-Kashmir University of Agricultural Sciences and Technology Jammu during the academic session 2022-23.

Jagneet Kaur, Pursuing Ph.D.
in Education from Eternal
University (2022)

I, Jagneet Kaur pursuing Ph.D. (Education) under ACA&SS college feel so blessed and grateful for being a student of Eternal University which is situated in a beautiful divine place around sprawling hills. I have progress tremendously both personally and professionally. I have recently completed my Masters in Education under Education Department where the entire faculty and department work tirelessly to shape one destiny. This college has highly qualified faculty and they taught us in a way by keeping in mind the level of students. Teachers are very supportive and kind. This institute is a very good platform for learning and career development. A beautiful and a spiritual campus, lectures with interesting insights, focus on individual development so essential in today's time, all of these have truly been so fruitful to me that I qualified UGC NET-JRF Exam with the help of Dr. Raino Bhatia and other esteemed faculty who inspired me to reach to this greatest success of 2022 year. This place is not only sharpened me in subjective knowledge but also taught me the basic ethics of life which are very important for success in every individual's life. So, I would like to suggest others to be a part of this beautiful place to take the golden opportunity of your life.

Sandeep Kaur, B.Sc. (Hons.)
Psychology, (2019-22)

It is believed that a person's life is moulded at the early 20s and it is very important to be at the right place. In that case, I am glad that Eternal University happened to me. Academic excellence along with the overall growth of the person is what the college aims at. The college has always provided the best of facilities and also has an education-friendly environment. Now, I am pursuing master degree from SGT University, Gurugram.

Diksha Chauhan
(M.Sc. Physics)

It wasn't my first choice to come to the Eternal University Baru Sahib. I accidentally stumbled upon this university and I am glad I came here to pursue my M.Sc. in Physics. My first visit left me awestruck after looking at the atmosphere of the college. It's only been two years since I am here but I have created memories which I will cherish all of my life. It is first and the best India's northern girl's university which offers education in different streams and discipline. The university has the peaceful and very secure environment here. It is provided with the best hostel and university facilities here. The campus is filled with the positive energy and exuberance. It has the best teachers who guided and boosted to face the competitive world with confidence. I am very thankful to the faculty that keeps me the knowledge and confidence and has brought new dimension into my life to achieve a successful career. This university helps me to convert my endure into real time world. The campus is full of limitless opportunities. I will strongly recommend anyone to come to Eternal University as it is one of the best universities of Himachal Pradesh.

Simranjeet Kaur
(Ph.D. Scholar, Zoology)

Eternal University has the most inspiring, cleanest campus full of positivity and spiritualaura. The university prepares you to survive every eventuality of life. I joined Eternal University for my master's program in 2016 as a naïve undergraduate, uncertain about my interest in research. After taking admission in the Department of Zoology, I was instilled with paramount knowledge and got to know the true meaning of research. After completion of my masters in 2018, I got the opportunity to work as a Junior Research Fellow in the DST sponsored project in the Department of Zoology. The university believes in overall skill development with the unified mix of academics and extracurricular activities. The professors are dedicated experts in their respective fields and provide immense knowledge, constant support, guidance and genuine care. Presently I am a doctoral candidate in the Department of Zoology, working on the development of Biological Control for insect pest using indigenous Entomopathogenic Nematodes which will serve as an alternative for harmful chemical pesticides. I am also availing the prestigious INSPIRE fellowship for PhD from Department of Science and Technology, Govt. of India. The university and its ennobling influence of spiritual surroundings have nurtured my intellectual growth, aspirations and contributed to my overall development as person.

Sukhmanpreet Kaur

Myself Sukhmanpreet Kaur, a pass out B. Com (Hons.) student 2022 batch from Eternal University and currently I am doing M. Com. from Punjab. I can never forget the contribution of our Commerce Department. My faculty members and the T&P cell towards helping me develop those crucial skills which are required to have a successful student life, not just the technical knowledge, but also the soft skills like adaptable, effective and efficient time management.

Radhika Vaid

I Radhika Vaidh a student of Eternal University wants to say that I feel blessed that I have joined the University for my studies. I did my B.Sc. (Hons.) Economics and also pursuing M.Sc. in Economics from here. My teachers are very supportive. Also, the atmosphere of the university is very peaceful for the study. The facilities of hostel, library and other infrastructure are very developed. The food provided in the mess is hygienic and delicious.

Monika Sharma
2022 Batch

It is a place where you can find an amalgamation of learning with values. It gives a generous opportunity as well as support from faculties. My two years at this place were great and a memory to cherish for a lifetime. It was full of learning and grooming oneself. And this gave me an opportunity to become a challenging teacher for whom I would like to be thankful to our great Principal Dr. Raino Bhatia and teachers who encouraged us to explore and guided us in every step.

Amisha
2022 Batch

It was full of joyful and entertaining experiences, where not only teachers and faculties focused on curricular part but also emphasized on co-curricular activities. I realized that professional experience and education are important for my future goals so I choose this beautiful place for professional degree and learnt so many things from this college. Every member at the college is very supportive and tuition is affordable. In addition, it provides placement to almost every student.

Sukhjeet Kaur

Eternal University is a place where you can find the combination of technical learning and spiritual rejuvenation. I feel great to be the part of Akal College of Engineering & Technology, Eternal University as it has helped me to grow my career as a Software Engineer in Persistent Systems. The four years of my life in Divine place of Baru Sahib was full of learning and grooming oneself. I would like to thank my professors in Akal College of Engineering & Technology who helped me in every step of these four years.

Swarleen Bhamra

My bachelor's degree at Akal College of Engineering & Technology in Computer Science Engineering consisted of many projects-based evaluation and faculty connect. The mentors at Eternal University helped us enhance my academic and interpersonal skills. The regular interaction with the Placement team also encouraged me to excel in my interview and developing skills that are required for future use. It is because presently I am working as an engineer in Wipro. I would recommend everyone to be the part of this family.

The faculty provides a welcoming environment where students feel comfortable to talk with the instructor and work out their problems. Each member of the faculty made a commitment to the students' upskilling during the pandemic and offered extra support. Many thanks to all the professors who made it simple to comprehend difficult subjects and concepts.

As I reflect on my journey of eight years at Eternal University, I am filled with a profound sense of growth, discovery, and transformation. I am grateful for the countless memories, lessons learned, and friendships forged along the way. In the Department of Mathematics, students are not just numbers; they are individuals with unique talents, ambitions, and aspirations. The peaceful weather of a university campus can create a serene and conducive atmosphere for learning, reflection, and interaction with the community. In the embrace of peaceful weather, the university becomes not only a place of learning but also a sanctuary for the mind, body, and spirit.
