

5.4.2 Alumni contributes and engages significantly to the development of University through academic and other support system

Eternal University is a newly emerged university situated in the backward area, Baru Sahib, District Sirmour. The alumni of this university play a pivotal role in the holistic development of the university and contribute significantly through various means and support systems.

The alumni of the university have bridged the gap between academia and industry by interacting with their alma mater and maintaining strong ties. They facilitated present students for internships as well as placements, allowing them to gain real-world experience and industry exposure. The alumni served as valuable mentors to students, providing guidance and support, particularly during challenging periods of their carrier. This mentorship helped the students to overcome academic obstacles, especially in STEM (science, technology, engineering, and math) fields and promoted their overall growth and success.

Many alumni of this university are serving as powerful ambassadors for their alma mater. Their success in the professional world reflects positively on the institution and influence its reputation. Employers often seek feedback from alumni when evaluating the quality of educational institutions. By engaging with alumni, institutions can benefit from their insights and experiences, strengthening their educational programs and overall reputation. Alumni, motivated by a desire to serve the underprivileged, collaborate with their alma mater to address social issues and make a positive impact. They sponsor scholarships and by this type of association they offer an avenue for institutions to engage in meaningful community outreach. By leveraging the resources and expertise of their alumni, institutions can extend their reach to marginalized communities, providing educational and social support to those in need.

Alumni association contribute to the financial sustainability the institutions. The fundraising only to the extent required for the alumni events by fostering a culture of giving back, institutions can tap into alumni expertise, internship, career development programs, and placements. Some alumni are contributing through donations, endowments, and collaborations with corporate partners.

Alumni association of this university has a far-reaching impact, benefiting present students, the institution, and the alumni themselves.
