# **PEEPING INTO THE PAST**

## ABOUT US

Over a hundred years ago in 1906, His Holiness Baba Attar Singh Ji Mastuane Wale had shared his divine vision with his spiritual follower Sant Teja Singh Ji MA, LLB, AM (Harvard) about a sacred place in the Himalayan region of Nahan state (now known as Baru Sahib) where many sages and seers had meditated on the Divine Name. The place was also blessed by Shri Guru Gobind Singh ji during his visit to Nahan State. Baba Attar Singh Ji had desired that the place should be established as Spiritual Centre for the educational institutions imparting value based education combined with the modern scientific education on the pattern of old Gurukuls like Nalanda and Taxila Universities of the past. As ordained, Sant Teja Singh revealed the Divine Valley Baru Sahib in 1956 to his spiritual disciple Baba lqbal Singh Ji and later purchased the entire Baru village of 460 acres from Thakur Joginder Singh, the owner of the land. Sant Teja Singh visited Baru Sahib in 1959 at the age of 82 along with many highly educated devotees. During his second visit to Baru Sahib a small mud room Gurudwara with a verandah was constructed and Shri Guru Granth Sahib was installed. During the prayer he prophesied that with the will of the God this place would turn into a great spiritual centre from where schools, colleges and divine Universities will impart value based education from Nursery class up to the Ph. D. level. Sant Teja Singh Ji established a trust in 1965 with his six devotees. It was registered as "The Kalgidhar Trust" on October 22, 1982 by Baba lqbal Singh ji, then Director Agriculture, Himachal Pradesh, to promote World Peace through spiritual and value based education and universal brotherhood. To further the cause of The Kalgidhar Trust, the first Akal Academy was established at Baru Sahib in 1986 and the outstanding model has been translated to a network of more than 131 Akal Academies running in various states of Northern India.

Eternal University, Baru Sahib was established under Himachal Pradesh Government Act No. 3 of 2009 to impart value based education in the subjects of Arts, Sciences, Agriculture, Nursing, Engineering & Technology, Divine Music, Spiritualism and Public Health etc. The Eternal University is a world class multifaculty university with fourteen colleges and schools spread over 8,00,000 square feet in the picturesque valley of Divine Peace. The university is developing outstanding Engineers, Scientists, Administrators, Teachers and Global citizens with high moral values to act as the messengers of eternal peace and universal brotherhood.

# **ETERNAL UNIVERSITY**

# **ETERNAL UNIVERSITY, BARU SAHIB**

Eternal University has been established under the Himachal Pradesh Act No. 3 of 2009 by the Kalgidhar Trust as a Private University. The University is sharing over four hundred fifty acres of land with other institutions of the Kalgidhar Trust and Society.

It aims at educating young people to cultivate a mind imbued with a spirit of enquiry, quest for knowledge, respect for diverse world culture and a keen desire to serve the community in which they live and work as well as aspire to serve humanity at large through their spiritual values and knowledge acquired through modern educational approaches.

The following colleges and schools were established under the Eternal University: -

- 1. Akal College of Engineering and Technology
- 2. Akal College of Nursing
- 3. Akal College of Arts and Sciences
- 4. Akal School of Public health
- 5. Akal College of Divine Music and Spiritualism
- 6. Akal School of Business Management and Administration
- 7. Akal College of Education
- 8. Akal School of Physics
- 9. Akal School of Chemistry
- 10. Akal School of Economics
- 11. Akal School of Psychology
- 12. Akal School of Renewable Energy
- 13. Akal School of Food Technology and Nutrition
- 14. Akal School of Biotechnology

Now the previous 14 colleges have been merged into following six colleges w.e.f. 9<sup>th</sup> August, 2014:

- 1. Akal College of Science & Technology
- 2. Akal College of Agriculture
- 3. Akal College of Arts & Sciences
- 4. Akal College of Economics, Commerce & Management
- 5. Akal College of Education
- 6. Akal College of Health & Allied Sciences

Another Private University "Akal University" is being established at Talwandi Sabo, Distt. Bathinda (Punjab) for which the letter of intent has already been issued by the Punjab Government and the required building and infrastructure completed and the formal inspection by a committee of Punjab Government was successfully done to its satisfaction.

# **OBJECTIVES OF THE UNIVERSITY**

- 1. To provide instructions, teaching and training in higher education with a view to create higher levels of intellectual abilities;
- 2. To establish facilities for Education and Training;
- 3. To carry out Teaching, Research and offer Continuing Education Programmes;
- 4. To create Centres of Excellence for Research and Development relevant to the needs of the State and for sharing Knowledge and its Applications:
- 5. To establish Examination Centres;
- 6. To offer Degrees, Diploma, Certificates and other academic distinctions on the basis of Examination or such other methods, while doing so, the University shall ensure that the Standards of Degrees, Diplomas, Certificates and other academic distinctions are better than those laid down by the Regulating Bodies.

## **FUNCTIONS OF THE UNIVERSITY**

- 1. To provide Instructions in such branches of Learning as the University may, from time to time, determine, and to make provisions for research Advancement and Dissemination of Knowledge and Extension Education;
- 2. To conduct Innovative Experiments by Modern Methods and Technologies in the field of Technical and Scientific Education in order to maintain International Standards of such Education, Training and Research;
- 3. To Organize and to undertake Extra-mural Teaching and Extension of services.
- 4. To hold Examinations and grant Diplomas and Certificates to and confer Degree and other Academic Distinctions on persons, subject to recognition by any statutory body under any Law, if required, to withdraw any such Diplomas, Certificates, Degrees or other Academic Distinctions for good and sufficient cause;
- 5. To create such Teaching, Administrative and other posts as the University may deem necessary, from time to time, and make appointments thereto.
- 6. To institute and award Fellowships, Studentships and Prizes;
- 7. To establish, maintain, supervise and control Hostels including Halls not maintained by the University and other accommodation for the residence of the students.
- 8. To regulate and enforce Discipline among Students and Employees of the University and to take such disciplinary measures as may be deemed necessary.
- 9. To make arrangements for Promoting Health and General Welfare of the Students and the Employees of the University or its Colleges.
- 10. To determine the criteria of Admissions into the University or its Colleges.
- 11. To recognize for any purpose, either in whole or in part, any institution or members or students therefore on such terms and conditions as may laid from time to time, be specified and to withdraw such recognition.
- 12. To develop and maintain twinning arrangement with Centres of Excellence in modern advanced technology in the developed countries for higher education training and research subject to the University Grants Commission Act and the Regulations made thereunder.

- 13. To co-operate with any other University, Authority Or Association or any Public Body having Purposes and Objectives similar to those of the University for such purposes as may be agreed upon, on such Terms and Conditions as may, from time to time, be specified by the University.
- 14. To co-operate with other National and International Institutions in the conduct of Research and Higher Education subject to the University Grants Commission Act and the Regulations made thereunder.
- 15. To deal with Property belonging to or vested in the University in any manner which is considered necessary for promoting the Objectives of the University?
- 16. To enter into any agreement for the Incorporation in the University of any Institution and for taking over its Rights Properties and Liabilities and for any other purpose not repugnant to the Act.
- 17. To demand and receive payment of such fees and other charges as may be specified from time to time.
- 18. To receive Donations And Grants except from students/parents and to acquire, hold, manage and dispose of any property, movable or immovable, including trust or endowed property within or outside Himachal Pradesh for the purposes and objectives of the University, and to invest funds in such manner as the University thinks fit.
- 19. To make provisions for Research and Advisory services and for that purposes to enter into arrangements with other Institutions or Bodies as the University may deem necessary.
- 20. To provide for the Printing, Reproduction and Publication of Research and other work, including Text Books, which may be issued by the University?
- 21. To accord Recognition to Institutions and Examinations for Admission into the University.
- 22. To do all such other things as may be necessary, incidental or conducive to the attainment of all or any of the Objectives of the University.
- 23. To frame Statutes, Ordinances and Regulations for carrying out the objectives of the University in accordance with the provisions of the Act.
- 24. To provide for Dual Degrees, Diplomas or Certificates vis-à-vis other Universities on reciprocal basis within and outside the Country.
- 25. To make provisions for Integrated Courses in Different Disciplines in the Educational Programmes of the University.
- 26. To setup Colleges, Institutions as per the Instructions issued by the State Government, Regulatory Bodies, Central Government and University Grants Commission from time to time.
- 27. To seek Collaborations with other Institutions on Mutually Acceptable Terms and Conditions.

## **SPECIAL FEATURES OF THE UNIVERSITY**

- 1. Unique model of Value Based Education.
- 2. Holistic Development of the Students through High Moral Values.
- 3. International Fellowship and Universal Brotherhood of Mankind based on Guru Nanak's Philosophy to achieve Permanent Peace in the World.
- 4. Scholarship for meritorious Students.
- 5. MOU with leading Foreign and National Universities and Institutions.
- 6. Unique University Industry Cooperative Education Program.
- 7. Opportunity for Work Study Program for needy students.
- 8. Fully Residential Campus for Students, Staff and Faculty
- 9. Eco-friendly, Vegetarian Diet only.
- 10. Drug free, smoke free and liquor free environment
- 11. Outstanding Visiting and guest Faculty.
- 12. National Unity and Communal Harmony.
- 13. Justice to weaker sections of society, especially to Women and Rural Poor.
- 14. Sustainable Development in the State of Himachal Pradesh and India.
- 15. Excellent Placement Network with MNCs.
- 16. Students enrolled in the Academic Programs are exposed to a diverse and wide range of Scientific Technical and Non Technical Education and Training, which will enable them to develop Intellectual and Training Skills in their respective Fields. The University also provides Career Counseling and Guidance by keeping the Students informed about the Potential Job Opportunities and help them in making prudent decision regarding their Future Careers. It promotes close linkage and active contact with potential employers, both in National and Multinational Corporations, while involving their Executive and Faculties, to interact with the Students through Lectures, Workshops Seminars, Symposia and Class Room Participation. Eternal University also strives to prepare its Students to take up the Leadership positions at National & International Scenes.

#### **DEPAREMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

## 1. Introduction

The Department of Electronics & Communication was established in 2007 in the Akal College of Engineering & Technology by the Kalgidhar Trust. It aims at providing value based latest scientific and technical education for achieving the highest level of professional competency among the students as per demand of modern industries that makes their placement anywhere in the world easy. It also strives to inculcate disciplined living, honesty, integrity, high moral character and hard work so that these students may become good human beings and asset to the nation. The Department of Electronics & Communication is committed to produce world class technocrats who have balanced personalities with high character and disciplined Life.

## AKAL COLLEGE OF NURSING

#### 1. Introduction

Akal College of Nursing which professes the motto to train & prepare professionally competent & dedicated nurses shoulders this contribution since 2008 by preparing qualified nurses to assure responsibilities as professional and competent nurses and midwives to provide preventive, promotive, curative and rehabilitative services. It also aligns with Eternal University motto World Peace through Value\_based Education making sure that faculty pass on value based education to students.

Indian Nursing Council has granted permission for starting MSc. Nursing programme for the Academic year 2014-15. So ours is the first institution of its kind in Himachal Pradesh to start Masters in nursing programme.

Eternal University has appointed experienced Nursing Professors, Assistant Professors, Lecturers & Clinical Instructors as per INC Norms to run for four year B.Sc. Nursing & Two year M.Sc. Nursing Program. They work together to change an entrant into a health care professional who can make independent decision in nursing situations, protect the rights and facilitate individual and groups in the pursuit of health to function in the hospital, provide community nursing services and conduct research studies in the areas of nursing practice.

This preparation helps all our graduates to be placed well in India and abroad and thereby bring laurels to the Akal College of Nursing.

#### 1.1 Degree to be awarded

Second batch of B.Sc. Nursing (2009 batch) of 48 students passed out in 2013.

#### 1.2 Strength of Students (2011-12-2013-14)

At present the college has 227 B.Sc. Nursing students on the roll. B.Sc Nursing  $1^{st}$  year: - 60 students B.Sc Nursing  $2^{nd}$  year: - 51 students B.Sc Nursing  $3^{rd}$  year: - 59 students B.Sc Nursing  $4^{th}$  year: - 57 students

#### 1.3. Academic Results

The college secured 100% results with numerous distinctions and first divisions .Ms Amanpreet Kaur of first batch and Ms. Mahima Thakur of  $2^{nd}$  batch were awarded university medals for standing first in the college. The medal was awarded by Hon'ble Baba Ji during the convocation of Eternal University.

#### (2) Academic Excellence

First batch of BSc Nursing of 34 students passed out in 2012 and are now placed in reputed Hospitals in India and abroad like U.K, USA &Australia. The Second batch of 48 students passed out in 2013. In October 2013, there was campus placement of our alumni, where 13 of them got placement in Medanta Multi speciality, Hospital, Gurgaon. The candidates interested in clinical areas were selected in Corporate Hospitals of Delhi like Max, Forties etc.

In the same year our graduates were sought after by various College of Nursing in Himachal Pradesh as the teaching faculty. Among the two batches clinical instructors were appointed in Akal College of Nursing by Eternal University. In J&K two of our graduates have qualified the Service Selection Recruitment Board and are placed in 1200 bed main Govt. hospitals with senior staff grade pay scales on merits.

#### **Clinical Posting**

The clinical postings are well selected and organized as per the learning needs of the students to have hands on skill. So they are posted to IGMC, Shimla, Kamala Nehru Hospital, Shimla, Mata Kaushalya Hospital, Patiala and Mental Hospital, Amritsar as per the duration prescribed by the Indian Nursing Council.

Apart from there hospitals, we have our own Akal Charitable Hospital, where free multi-speciality camps are organized periodically and all the students are posted on rotation, to get exposure for the critical experience.

#### **Community Health Services**

Urban community at Rajgarh and rural community at villages like Kheri, Lana Balta, Macher Nanu, Dimber Baquroti are provided community health services. Students visit and follow up their assigned families, Anganwadies, PHC, CHC, Primary and secondary schools, where they do health assessment of the families, provide investigations like Hb estimation, urine examination, blood pressure monitoring and give health education accordingly.

During urban area posting at Rajgarh, they organize health talks, rallies on AIDS day, diabetic day, Tuberculosis day, World Polio Day, World Alzheimer's day and survey on malnutrition among families and the children of primary and high schools.

#### 4.1 Conference/Seminar held

3<sup>rd</sup> Annual International Conference was held on 5<sup>th</sup> - 6<sup>th</sup> October, 2013. The theme of the conference was "Innovative trends in community health nursing". About 300 national and international delegates actively participated in the conference. 22 Resource persons came from different part of India like Bangalore, Chandigarh, CMC Vellore, Tamilnadhu, Delhi, Punjab, Rajasthan and H.P. four International delegates from Drexel University, Philadelphia, USA also participated.

#### 4.2 Workshop held

A three days' workshop was held from 7 - 9<sup>th</sup> April, 2014 on "Simulation". It was organized by Dr.Jill Derstin, Prof. Marylou Mcchugh & Dr. Rocky Rockystram from College of Nursing and Health Professions, Drexel University. It was a unique learning approach. They introduced delivery with simulation for learning.

- 4.3 Participations: Students have participated in the following activities
- School health project : Health assessment, Hb estimation, Medical OPD, Health education
- Rally on World AIDS Day in Rajgarh
- Diabetic Day
- Survey on malnutrition
- Quiz competition
- Nightingale quiz competition was held on 12 May, 2014.
- Students of B.Sc. Nursing participated in Free Multispeciality Camp held on 28<sup>th</sup>-29<sup>th</sup> September 2013, 23<sup>stl</sup> -24<sup>th</sup> November 2013, 18<sup>th</sup>- 19<sup>th</sup> April 2014 at Akal Charitable Hospital, Baru Sahib.

#### 4.4 Laboratory establishment / Addition to existing infrastructure

Purchased manikins for fundamental of Nursing lab, Skelton systems for Science lab and many new articles for MCH lab, Community Health Nursing lab, Nutrition Lab, A.V.AIDS lab.

**Renovation of the college** – At  $4^{th}$  floors and  $5^{th}$  floor to provide (M.Sc. Nursing class room (2), Specialty (1) and conference hall (1).

#### 4.5 Functions held

- Fresher party was organized to welcome new students.
- Fare well party given to the outgoing students.
- International nurses day was celebrated on 12<sup>th</sup> May, 2014
- There was a get together with Drexel faculty and a special dinner was arranged after the Workshop.

#### (5) <u>Inspections and visits</u>

Akal college of Nursing has been inspected by the following accrediting organizations:

- Govt. Higher Education, HP, team visited in March 2013.
- UGC Team comprising one nursing specialist Dr. Manju Vatsa, Principal College of Nursing AIIMS on 23-24 April, 2013.
- HPNRC Team on 3-4 May, 2013
- Indian Nursing Council team visited on 18-19 November, 2013
- Visiting faculty from Drexel University, USA October, 2013.
- Recent visit of HPNRC on 19-20 May, 2014.

#### (6) Future plans

- We are planning for 4<sup>th</sup> Annual International Conference in October, 2014 on the topic from the Speciality of OBG.
- We have planned to start M.Sc. Nursing from this academic session (July, 2014-2015) in the Speciality of Medical –Surgical Nursing, OBG, and Paediatric Nursing.
- Admission for B.Sc. Nursing Programme in July session 2014-2015.
- Preparing Students for final exam July/August 2014.
- Convocation day as per the notice issued by The Eternal University.
- Future Plan for incorporation of Two more Specialities i.e. Community Health Nursing and Mental Health Nursing in M.Sc. Nursing Program from 2015-16.

# AKAL COLLEGE OF ARTS AND SCIENCES

#### 1. Introduction:

1.1 B.A. Humanities, B.A. Maths, B.Sc. Medical, B.Sc. Non-Medical.1.2 Strength of students: (2011-2012-2013-2014)

#### 2. Faculty with Designations:

1.3 <b>Left</b> :	Dr. Sikander Singh (Asst. Professor)		
	Ms. Harbeer Kaur (Asst. Professor)		
1.4 New Appointment:	Ms. Nisha Thakur (Asst. Professor)		
	Mr. C. S. Sharma (Asst. Professor)		
	Dr.Vive k Sharma, Assistant Professor- Botany		
	(Medicinal Plants)		

- 1.5 Participations:
- (a) **Dr. Sewak Singh** presented a paper on the topic "Shahadat Psychological aspect" in a seminar in SGGSWU, Fatehgarh Sahib on 21/02/14.
- (b) Ms. Harbeer Kaur presented a paper in International Diaspora Conference, Punjabi University, Patiala, 24-26 February, 2014.
- (c) **Dr. Vivek Sharma**, presented a research paper in the National Conference of Botany, held at Punjabi University, Patiala, Feb, 2014.
- 1.6 Educational Trips:
  - (a) **Dr. Vivek Sharma** visited the Botany Department, Herbarium and Conservatory of Punjabi University Patiala (Feb-March, 2014).
  - (b) **Dr. Vivek Sharma** visited the laboratories of IIIM Jammu (CSIR) and discussed the formalities regarding MOU for collaborative research work (June, 2014.)
- 1.7 New Laboratories/Additions to the existing Infrastructure:

We have renovated the existing laboratories occupied with advanced/ sophisticated research instruments for research and practical in Biology.

#### 4. Future Plans:

1.8 The college is planning to start new courses which are:

- Masters in Punjabi and in Religious Studies.
- Doctorate in Punjabi and in Religious Studies.

# AKAL COLLEGE OF ARTS & SCIENCE DEPARTMENT OF ENGLISH AND COMMUNICATION STUDIES

#### (1) Introduction

The department of English and Communication Studies was established in the year 2013. The main objectives to establish this department was to develop linguistic and thinking capacities of students and to enable them to design models of interpretation and explanations through strategic thinking. The syllabi is framed as such to equip students with historical, literary and cultural dimensions of English and Indian studies and to enable them to identify passages in texts for case study in soft/communicative/cognitive skills.

The Department has **English Lab** which is designed to enhance students' linguistic skills, communication skills, vocabulary, listening skills, pronunciation and accuracy. English Lab has the following modules designed to enhance linguistic Skills amongst students to make them successful in careers:

- Communication Skills are a comprehensive language development programme covering reading, writing, basic vocabulary and grammar.
- Listening Skills section gives the students a thorough grounding in many aspects of listening comprehension.
- Vocabulary module trains students to enrich vocabulary in an easy and fun way. A unique methodology is used to ensure that students learn about 2000 words and retain them.
- Phonetics trains the students in English sounds, pronunciation, stress, intonation, etc. It covers Vowels, Consonants, Diphthongs, Inflections, Intonation, Stress Pattern and Rhythm, Ear Training, Common errors in English, Correct pronunciation, and Phonetic symbols.
- **Conversations** section is based on real life scenarios.
- Care er Lab is designed to impart crucial career Skills to students to make them confident and successful in career in life. Module covers: Résumé writing, Group Discussion, Presentation Skills, Interviews, Oral Reporting, Personality Development, Divergent Thinking, Maintaining Relationship, Teamwork, Managing people, Negotiation Skills and Conflict Management, Decision-Making, Leadership and Assertiveness

#### **OBJECTIVES:**

- ✓ To build further linguistic and thinking capacities of students
- ✓ To enable students to design models of interpretation and explanations through strategic thinking
- ✓ To equip students with historical, literary and cultural dimensions of English studies
- ✓ To train students in extracting processes and principles from the prescribed texts
- ✓ To enable students to identify passages in texts for case study in soft/communicative/cognitive skills
- $\checkmark$  To enable students write essays demonstrative of critical thinking
- 1.1 Degree to be Awarded: M. A. English
- 1.2 Academic Results:
  - (2) Academic Excellence:
  - (3) Faculty with Designation: (1) Ms Kuljinder Kaur Dhillon (Assistant Prof.)
    - (2) Sh. Chandra Shekhar Sharma (Assistant Prof.)
    - (3) Dr Nisha Thakur (Assistant Prof.)
    - (4) Dr Kulbhushan Kumar (Associate Prof.)
- 3.1 Left 2 (Two) 1. S. Balbir Singh 2. Ms. Harbeer Kaur
- 3.2 New Appointments: 2. (Two) 1. Sh. Chandra Shekhar Sharma 2. Dr Nisha Thakur

# AKAL COLLEGE OF DIVINE MUSIC & SPIRITUALISM

#### (1) Introduction:

Akal College of Divine Music & Spiritualism offers **B.A and M.A Degree** in Music. The college provides job- oriented degree to the students in the field of Music. It aims at providing employable skills through technical and practical training programme, regular riaz (practice), stage performances and seminars with value based educative system.

#### (1.1) <u>Degree to be awarde d:</u>

- M.A Music (Vocal)
- M.A Music (Instrumental)
- B.A Music (Gurmat Sangeet)
- B.A Music (Instrumental)
- B.A Music (Tabla)

#### (2) <u>Academic Excellence.</u>

In the year 2013-14, 70 students were enrolled in B.A Music and 11 students are in M.A Music Programme. As on today, 2 batches of 35 B.A Music graduates have passed out and all are posted as Music Teachers in different schools in India.

#### (3) Faculty with Designations:

	Name	Designation	Stream
Sr.no			
1	Dr. Purvi Luniyal	Dean	Music (Vocal)
2	Dr. Shupreet Singh	Ass. Prof.	Music (Instrumental)
3	Dr. Om Sharma	Ass. Prof.	Music (Instrumental)
4	Mr. Beant Singh	Ass. Prof.	Gurmat Sangeet
5	Mr. Gurpreet Singh	Ass. Prof.	Music (Vocal)
6	Mr. Sukhdev Singh	Ass. Prof.	Music (Tabla)

#### (3.1) Left:

Sr.no	Name	Designation	Stream
1	Dr. Rashmeet Singh	Ass. Prof.	Music (Tabla)
2	Mr. Parwinder Singh	Ass. Prof.	Music (Vocal)

#### (4) <u>Achievements:</u>

(4.1) <u>T.V Programme</u>: From 9<sup>th</sup> Feb, 2012 onwards live telecast of "Dhur ki Bani" programme continuously showing on **Z-ETC Punjabi Channel.** In this programme all the music students are participating in "Aasa ki Vaar" in the morning at 6:00 am to 7:20 am and "Sodar" and Aarti" in the evening at 6:00 pm to 7:00 pm daily.

(4.2) <u>Book release</u>: A book 'Anahad Bani' (prepared by the faculty of ACDMS) published by the hands of Saints Community was released on the occasion of closing ceremony of Anahad Bani programme which was continuously telecast at PTC NEWS Channel at 8:30 am daily since April 13, 2010.

(4.3) <u>DVD release</u>: One DVD of <u>Complete</u> 'Nitnem' with all major string Instruments was released on March 2014 by **T- Series**. All M.A Music Instrumental and B.A (final year) Gurmat Sangeet students participated in it.

(4.4) <u>Gurmat Programme</u>: In june 2013, 101 "Shri Akhand paths" were performed at Baru Sahib on the occasion of "Sant Samagam". All our students participated in the Akhand Paths.

#### (4.5) <u>Participations</u>

a) On April 13, 2013, all our college students participated in the "Baisakhi Festival" Celebration at Baru sahib. They took part in the Nagar Kirtan, Gatka, March Past, Band and Dhadhi Waran.

**b**) On 5<sup>th</sup> May, 2013, 21 students from music instrumental department participated in "International Conference on Renewable Energy" in Auditorium, Eternal University, Baru Sahib. They performed there the Indian orchestra in *Raag Kalyan*.

c) On 15<sup>th</sup> May, 2013, 9 students were sent to Paonta Sahib for participating on the occasion of "Janam- Utsav" of "Sant Teja Singh ji", they performed Dhadhi Waran and Shabad Kirtan.

d) On 4<sup>th</sup> July, 2013, 9 students were sent to Kalka for participating on the Occasion of "Guru Purab" of "Shri Guru Hargobind Sahib ji".

e) On 5<sup>th</sup> 6<sup>th</sup> Oct 2013, 16 students performed Indian Orchestra in University Auditorium of Baru Sahib on the Occasion of 3<sup>rd</sup> Annual International Conference on Innovative Trends in Community Health Nursing.

f) On 17<sup>th</sup> Nov 2013, 18 students Performed Shabad Kirtan to celebrate Gurupurab of Shri Guru Nanak Dev ji in Sanawar School, Sanawar.

**g**) On 9th December 2013, 17 students sent to Paonta sahib and Jalandhar respectively to perform Dhadhi Waran and Shabad Kirtan in "Guru Teg Bahadur ji's "Gurupurab.

h) On 25<sup>th</sup> December 2013, 12 students performed Shabad Kirtan at Shimla
 Gurudwara to celebrate "Gurupurab of Chote Sahib Zade"

(5) <u>Inspections / Visits:</u> Akal College of Divine Music & Spiritualism has been inspected by the UGC team on  $22^{nd}$  and  $23^{rd}$  April, 2013. Team was very much impressed by the performance of music students. Students performed Indian orchestra with 18 various string instruments in front of them.

(6) <u>International Youth camp at Baru Sahib, 2013-2014</u>: From 25<sup>th</sup> July 2013 till 24 August 2013, 27 students of college taught Shabad Kirtan, Aasa Ki Vaar, various String Instruments, Dhadhi Waran, Tabla, and Poems to 75 students who came from America, Canada and England to attend International Youth Camp.

(7) <u>Future Plan</u>: We are going to start Ph.D Music from the academic session 2015-16.

# AKAL SCHOOL OF ECONOMICS

#### 1. Introduction

Akal School of Economics was established in 2009, which is a unique model of value-based education. The school has three years honours course at the graduate level and two-year postgraduate course designed to teach concepts, analytical tools and quantitative techniques. The department has proposed to start Ph.D. course in Economics. To update the knowledge of students, special lectures from eminent economists are arranged frequently. The extra classes of English and Mathematics are conducted for the weak students, whenever required. The school also aims at improving the written and oral proficiency and communication skills of the students. The staff engaged in teaching has also deep interest in research and they ensure the incorporation of latest developments in the discipline.

#### 2. Degrees to be awarded

- 1. B.Sc. (Hons.) Economics
- 2. M.A. Economics

#### Strength of Students in 2013

Course	2011 Batch	2012 Batch	2013 Batch	2014 Batch

#### A. List of faculty members:-

1. Dr. J.L.Sharma

Dean Akal School of Economics

- 2. Mr. D.K.Sharma (Guest) Professor
- 3. Mrs. S.K.Dhaliwal Associate Professor
- 4. Dr. Gopal Gautam Associate Professor
- 5. Mr. Parve en Mehta Assistant Professor
- 6. Mrs. Gitanjali Mehta Lecturer
- 7. Ms. Kamala Lecturer
- **B.** Visiting Faculty
  - 8. Mr. James Peterwood (USA) Professor

#### C. Guest Lectures:

- Guest lecture was given by Mr. Ahluwalia from Delhi on the topic of Data Collection in March; 2014. The Students and Faculty of Akal School of Economics took a great advantage of this lecture.
- **D.** Extension Lectures: Mr. Parveen Mehta delivered the extension lecture on the topic of Role of Entrepreneurship 18.6.2014 organized by PHD Chamber of Commerce and Industry (Shimla) at village Panchyat Lana Bhalta.

Ms. Gitanjali Mehta delivered the extension lectures on Accounts & Book Keeping and Assessment of Working capital on 19.6.2014 at the Village Panchayat Lana Bhalta organized by PHD Chamber of Commerce and Industry (Shimla).

#### E. De partme ntal Se minars:

In each semester all, the students of Akal school of Economics are assigned topics in the beginning of the semester on various economic issues, which are to be presented during the semester with the help of ppts. This is an attempt to improve the communicational skills of the students.

#### F. Improvement in Qualification by Staff Member

Mr. Parveen Kumar Mehta has submitted his Ph.D. (Economics) Thesis on 19.4.2014 in the Dravidian University (A.P) entitled "Diversification of crops opportunities and challenges-A case study of Haryana."

#### 4. Physical infrastructure

- ► Lecture hall- 4
- ➢ Seminar hall- 1
- ➢ 24 hour Wi-Fi connectivity

#### 5. List of research Projects undertaken by Economics students (M.A. Economics)

Three students of the department of Economics are specializing in the field of Health Economics and selected the topics given below for their research work.

1. **Parminder Kaur**: A study on determinants of demand for health care in Himachal Pradesh.

2. Hanspreet Kaur: A study on Health Insurance in the rural areas of Himachal Pradesh.

**3. Rajvinder Kaur:** A study on Economic growth and Health status in various states of the country.

# AKAL SCHOOL OF CHEMISTRY

#### (1) Introduction

Akal School of Chemistry (ASC) was established in the year 2009 with focus on teaching, interdisciplinary research and extension works in Chemistry. The department is currently engaged in a number of innovative research themes including Nano-Technology, Synthesis: Metal Catalyzed Organic Synthesis, Natural Heterocyclic Products. Electrochemical Synthesizes etc. Well-equipped chemistry laboratories established by ASC are not only facilitating practical training to the students in analytical chemistry but are also helping teachers to carry out advanced research in multidisciplinary projects like "Synthesis of materials having high magnetic values applicable for lower microwave frequency region (sponsored by DRDO)" etc. with state-of-the art world class modern infrastructure.

Apart from teaching & research, Akal School of Chemistry is also deeply involved in extension activities like *Lab to Land programs & Popularization Science Movements etc.* 1.1 Degree to be awarded: **M.Sc. and Ph.D.**

# AKAL SCHOOL OF PHYSICS

#### 1. Introduction

Akal School of Physics was established in 2010, which is a unique model of value-based education. The school has involves eight courses for B.Sc and three courses for B.Tech graduates level and two-year postgraduate course designed to teach solid state, nuclear, quantum physics and material science subjects. The school involves research in Material Science and Nanotechnology One Ph.D. student has completed her degree, and published research work in international journal of high impact. The Akal school of Physics gives training in Nanotechnology to Engineering students of Eternal University as well as from other Universities/Institutions. To update the knowledge of students special lectures from eminent Physicist are arranged frequently. The school also aims at improving the written and oral proficiency and communication skills of the students.

#### 2. Degrees to be awarded

- 1. M.Sc. Physics
- 14. Ph.D. Physics

#### 15. Academic excellence

#### 3.1 List of faculty members

1. Dr. Parmjit Singh Sehra,

Professor & Head Akal School of Physics

2. Dr. Rakesh Sharma,

Assistant Professor

3. Dr. Jasneet Kaur

Assistant Professor

#### 3.2 Students

- 1. The Akal school of Physics started M.Sc. Physics from 2012 and currently there is one MSc student admitted. Three students have completed their MSc degree in June 2014.
- 2. Twenty students of B.Tech-M.Tech integrated courses from Sri Guru Granth Sahib World University, Fatehgarh Sahib completed their Project of Nanotechnology under Akal School of Physics from June 2014 - July 2014.

#### 3.3 Seminars

In each semester all, the students of Akal school of Physics are assigned topics in the beginning of the semester on the basis of their specialization, which are to be presented during the semester with the help of PPTs. This is an attempt to improve the knowledge of the students.

#### 3.4 Extra – Curricular Activities

The students of A kal School of Physics have participated in different extra -curricular activities in EU-FEST -2013

#### 4. Physical infrastructure

- 1. Lecture hall- 2
- 2. Graduate and Post graduate Laboratories
- 3. Seminar hall
- 4. 24 hour Wi-Fi connectivity

- 11. Photoluminescence
- 12. UV-visible and Absorbance Spectra

\* The estimated expenditure on the above activities in a : Rs. 50,000/-

#### 6. Research Activities

The research work in Akal School of Physics involved the synthesis of different nano materials (nanostructures of multiferroics, spintronics, dilute magnetic semiconductors, ferrite nanoparticles etc.) and their characterization techniques in Physics/Nanotechnology laboratory. The details of projects under progress are:

1. Study of nanostructures of pure and transition metal doped BaTiO<sub>3</sub> and co-doped with rare earth ions, and their electrical, magnetic, optical, multiferroic and magnetoelectric properties

2. Magnetic and optical properties of transition metal (Fe, Co) doped  $SnO_2$  DMS and co doped with rare earth ions (nanoparticles, nanorods, nanowires and thin films).

3. Structural, microstructural, magnetic and electrical properties of  $NiFe_2O_4$  nanoparticles prepared by different routes.  $NiFe_2O_4$  are again doped with Zn.

4. Nanostructures (nanoparticles, nanorods, nanowires, thin film, etc.), ferromagnetism, electrical and optical properties of DMS  $SnO_2$ , TiO<sub>2</sub> and ZnO: doping of transition metal and co-doping of rare earth ions.

### AKAL SCHOOL OF BIOTECHNOLOGY

Akal School of Biotechnology was established in September 2010 for providing postgraduate teaching and research and development in biotechnology with specialization in plant, pharmaceutical, environmental and food biotechnology. After Information Technology application of Biotechnology is likely to transform Indian and global economy for ensuring food, nutrition and health security to ever increasing population with sustainable use of natural resources. Advances in cell and molecular biology can be used at DNA, subcellular, cell, tissue and organ levels for rapid and directed improvement of microbes, plants and animals and their effective utilization by mankind hitherto impossible through conventional approaches. All the living organisms have become a single gene pool for cloning and desired expression of genes in heterologous systems. Keeping in view the scope and benefits of biotechnological interventions the Akal School of biotechnology (ASB) has initiated and integrated postgraduate programme leading to M.Sc.-PhD in biotechnology with a combination of innovative courses and basic research in different areas of specialization in biotechnology through highly trained and experienced faculty. The Eternal University has also entered into MOUs with national and international laboratories to enable the students to take up their research work effectively. Major emphasis will be given on improvement of functional food ingredients, biofortification of micronutrients and enhancement of their bioavailablity, bioprospecting of medicinal plants for diverse pharmaceutical potential and conservation of ecosystem and biodiversity.

#### Courses being offered in the department:

- 1. M.Sc. Biotechnology (four semesters)
- 2. Ph.D. Biotechnology

#### Research in the Department:

Department is enriched with a dedicated research team which is working on various research projects and has submitted grants to various agencies (Details mentioned ahead). One research project has already been sanctioned by DBT with sanctioned (Details mentioned ahead).

#### Major Research Areas

- Wheat biofortification for grain high iron and zinc
- Selenium Fortification of a Cereak
- Functional Foods
- ➢ Buckwheat
- ➢ Fingermillet
- > Oats
- ➢ Soybean
- Medicinal Plants
- Antioxidant & Secondary Metabolite Profile of different medicinal plants Bio-Composting & Bioporospecting.

Germplasm of the above mentioned plants is collected from various Institutes of International Repute through Germplasm Transfer Agreement. Research farms have been developed and maintained at Machher. Green houses of total area  $500 \text{ m}^2$  have been built and are fully functional.

#### Project Summaries:

#### 1. Precise Transfer of Genes for High Grain Iron and Zinc content from nonprogenitor *Aegilops* species to Wheat Cultivars

About two billion people of the world dependent on staple cereal and tuber food crops are suffering from iron and zinc micronutrient deficiency. The project proposal aims at alleviating the micronutrient deficiency through biofortification of wheat cultivars for higher grain iron and zinc content. A number of related wild progenitor and non-progenitor species possessing high grain iron and zinc have been identified and their chromosomes carrying the genes for micronutrient uptake, translocation and sequestration introgressed into elite wheat cultivars as alien transfers, substitution and addition lines through wide hybridization and molecular cytogenetic approaches. Such derivatives can be used for dissecting the alien genomes for detailed investigation of the pathways and genes leading to high grain iron, zinc and other micronutrients. Wheat cultivars with different small alien transfers controlling high grain iron and/or zinc without any appreciable linkage drag will be used for pyramiding for development of cultivars with higher grain micronutrients for meeting the RDA of the micronutrients. Such biofortified cultivars can be further used for studies for enhancing bioavailability of the micronutrients and cloning genes affecting grain micronutrient concentration.

### 2. Application for assistance for creation of infrastructural facilities under the scheme for Human Resource Development

Food processing industry has emerged as one of the most promising sectors in India during the last few years. It has acquired the foremost position in manufacturing of value added food products and is likely to expand at a very fast rate. Liberalization of economic policy has resulted in opening up a new chapter of global cooperation and promoting entry of multinational companies in the country. This in conjunction with the Government policy to encourage food processing industry has necessitated availability of human resources adequately trained in all aspects of modern and global activities associated with food processing industry. The present scenario of human resource development in Himachal Pradesh in the area of Food Technology shows a wide gap in the trained graduates and the expansion of food business programmes. Strategy for generating adequately trained professionals competent to seize the present day opportunity in the food processing sector is imperative. The total numbers of trained manpower produced at different levels (certificate course, diploma, degree, post-graduate diploma and postgraduate degree) are grossly inadequate compared with the projected growth rate of the food industry. There is a dire need to start a Post-graduation programme in Food **Technology** to cope up with the requirements of the food industry. There is hardly any

such programme being undertaken at present in the state of Himachal Pradesh. It is therefore, proposed to initiate post-graduate programme in Food Technology with the following objectives:

- Development of manpower in food technology
- Development of innovative technology for nutraceuticals and health foods
- Value addition of fruits, vegetables and cereals
- Study of nutritional benefits of health foods to the consumers
- Study of shelf-life and storage stability of the health food products
- Establish linkages with local farmers & food industry

# 3. Improvement of end use quality of 1BL/1RS translocation containing wheat varieties by removal of Sec-1 loci and retaining Glu-B3 using marker assisted backcross breeding (MABB)

**Project Summary:** The replacement of the short arm of wheat 1B chromosome by the short arm of rye 1R chromosome (1BL/1RS translocation)1 has been widely used around the world to enhance wheat yield potential, resistance to rust and mildew, and adaptation. In India ako many popular varieties contain this translocation e.g. PBW 343, WH 542, PBW 550 and DBW 17. The translocation, however, is combined with inherent quality problems associated with reduced dough strength and dough stickiness (sticky dough syndrome'). Because  $\omega$ -gliadins,  $\gamma$ -gliadins and LMW subunits of glutenin encoded by genes on 1BS chromosomes are removed by 1BL/1RS translocation and replaced by  $\omega$ -and  $\gamma$ -secalins, qualitative and quantitative changes in gluten protein compositions were proposed as reasons for reduced wheat quality. Decreased amounts of LMW subunits and increased amounts of  $\omega$ -type gliadins were observed in combination with a shift in the proportions of polymeric and monomeric proteins of gluten. Size exclusion (SE) HPLC, showed that decrease in glutenins and increase of salt/water-soluble protein led to detrimental quality effects in 1BL/1RS lines in comparison to non-1RS sister lines.

The proposed network project will involve three institutions including ARI, Pune, PAU, Ludhiana and Eternal University, Baru Sahib via Rajgarh, Himachal Pradesh. The project is focused on the following. (i) Introgression of 1BL-1RS recombinant translocation chromosome having Glu-B3 locus without Sec-1 locus (1BL/1RS Glu-B3+/Sec-1-) in recombinant wheat varieties with normal 1BL-1RS translocation choromosome (1BL/1RS Glu-B3+/Sec-1+) for better end use quality and (ii) Studies on effect of this transfer on gluten strength and bread/chapatti making quality. (iii) The generated lines also used to validate the presence of favorable alleles of root traits using hydroponic cultures.

### AKAL SCHOOL OF BUSINESS ADMINISTRATION

#### 1. Introduction

Akal school of Business Administration was established in 2011, which is a unique model of value-based education. The school has two-year postgraduate programme in business administration and designed to teach concepts, analytical tools and quantitative techniques. To update the knowledge of students special lectures from eminent management experts are arranged frequently. The school also aims at improving the leadership quality, written and oral proficiency and communication skills of the students. The staff engaged in teaching has also deep interest in research and they ensure the incorporation of latest upgradation in the discipline.

### AKAL SCHOOL OF PUBLIC HEALTH

All over the world Public Health issues are becoming the components of essential desires and needs of the society. With the increase of Public Health Problems in all spheres of life world over, the demand and scope of Public Health Expertise have also increased. For that sake the Eternal University has started a two year residential course in Master of Public Health (MPH) and two years residential course in Master of Hospital Administration (MHA) with effect from the session of 2011-2012. Akal School of Public Health, Eternal University, Baru Sahib started functioning since July, 2010 as a new discipline of Public Health academic unit. The school has come out with the mission as defining and initiating new streams in the field of Public Health: For instance Master of Social Work (MSW) and MBA-Health Care Services. It will be functioning in collaboration with Akal Charitable Hospital, Akal School of Agriculture and Biotechnology, Akal College of Nursing and Center for the Empowerment of Rural Women.

The goal of this discipline is to acquire basic understanding of how the Public Health Systems operate and to develop effective technologies for applications across the wide range of social needs *through research*, *education*, *awareness*, *motivation and counseling*.

#### Scope of Research:

The Akal School of Public Health is having a team of versatile and dedicated teachers. The projects are under process and are being planned for getting grants-in-aid from the Central and State Governments as well as other National and International funding agencies. The school is striving to seek expert guidance from the Institutes/Universities of International repute e.g. Bloomberg School of Public Health, Johns Hopkins University, Baltimore, Maryland, USA; Harvard School of Public Health, Oxford University, School of Public Health; London School of Hygiene and Tropical Medicine etc.

#### Courses offered as approved by HP Government:

#### 16. Master in Public Health as MPH (Four Semesters):

## **EXAMINATION RESULTS**

- (1) Introduction: Examination Branch is a unique component of any university. It provides core functionality to the university. Examination branch is responsible for conduct of examinations and synchronization of results in time, award of degrees to pass out students of Undergraduate, Post Graduate and Research scholars. Examination Branch has changed the present evaluation system with effect from Academic Session 2013-2014. The system is based on calculating the Credit Point Average (CPA) and Overall Credit Point Average (OCPA). This system is applicable for B.Tech., B.Sc/BA (Hons) Economics), M.Sc, Bio Tech, MBA, Ph.D Bio Tech. In other courses such as B.Sc (Nursing), percentage system is used as hitherto fore. For B.Sc(Nursing), the guidelines of Indian Nursing Council(INC) are followed. Besides this, it also issues Registration Numbers to newly admitted students. The results preparation is done in M.S. Excel.
  - 1.1. Degree to be awarded. 2<sup>nd</sup> Convocation of the university is going to be held shortly. Pass out students of B.Tech, BA(Hons) Music, M Tech, BA(Humanities), B.Sc(Economics), MBA, B.Sc(Nursing),B.Sc(Medical, B.Sc(Non-Medical), M.Sc(Biotechnology) & BA(Maths) will be awarded degrees in convocation.

# ETERNAL UNIVERSITY: INFORMATION TECHNOLOGY DEPARTMENT

### 1. **INTRODUCTION:**

The information technology department was established in the year 2009. As in our fast growing world of technology, IT became a commodity the same way as electricity did. We believe that it's not the software, hardware or technologies that will make the difference, but the way how we design, implement, maintain and use it. Speaking professionally software, hardware and technology as such are not that important. They are only a way to create a stable, reliable and secure IT infrastructure to meet all your business and technical needs. Cost reductions, flexibility and future scalability are key words in every project we are involved with.

### 2. ACTIVITIES:

IT Department has been involved in managing, maintaining and troubleshooting day to day problems and requirements of the Eternal University and various departments run by it. It includes purchasing and implementation of various IT equipment's.IT department also has played crucial role in arranging Seminars, Conferences, managing Website of the University and IT department also has managed to won heart of many corporates by providing desirable technical support and Infrastructure to conduct national level Competitive examinations.

### TERMS AND CONDITIONS FOR RECOGNITION OF SCIENTIFIC & INDUSTRIAL RESEARCH ORGANISAITONS (SIROs)

01. The organisation should acknowledge receipt of the recognition letter by stating that they will abide by the terms and conditions of recognition.

02. The recognition will entitle the SIRO to receive such administrative support from the DSR, Ministry of Science & Technology as may be required on issues to promote or encourage scientific research activities.

03. SIROs recognised by DSIR are also deemed to be registered. A separate certificate of registration\*\* is issued along with the recognition letter. The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the registration & recognition.

"\*However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of 'hospital' as per notification No. 51/96-Cus dt.23.07.1996 and No. 10/97-central excise dt. 01.03.1997 issued by the Department of Revenue.

- 04. The recognition of DSIR does not amount to approval u/s 35(1)(ii)/(iii) of Income Tax Act 1961.
- 05. The registration will entitle the SIROs to avail custom/excise duty exemption on purchase of equipment, instruments, spares thereof, consumables etc. used for research & development subject to relevant Government policies in force from time to time. Such exemptions will have to be separately applied for in the prescribed formats. The SIROs should also abide by the terms & conditions of the customs & central excise notifications issued/amended from time to time.
- 06. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected in the Annual Report and Statement of Accounts of the organisation in separate schedules.
- 07. Disposal/sale of equipment and products/prototypes/intermediates, if any, emanating from the R&D/pilot plant, should be intimated to DSIR immediately. The realisation if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organisation as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of disposal/sale of R&D equipment, clearance from customs/excise authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
- 08. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialisation of technology/know-how acquired from a SIRO recognised by DSIR.
- 09. Brief summary of the achievements of the organisation shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of the Annual Report and Statement of Accounts of the Organisation etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the annual report.
- Any violation of the terms & conditions mentioned above and/or provisions of taxation in force will
  make the organisation liable to de-recognition.
- The organisation will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.
