Subject: An appeal

To: VC Office <contact@eternaluniversity.edu.in>

Dear All

Hope you are well and geared up to the Coming short break to celebrate festivities.

This email is to appeal to you regarding a very important agenda of "Implementation of SDG goals at individual level"

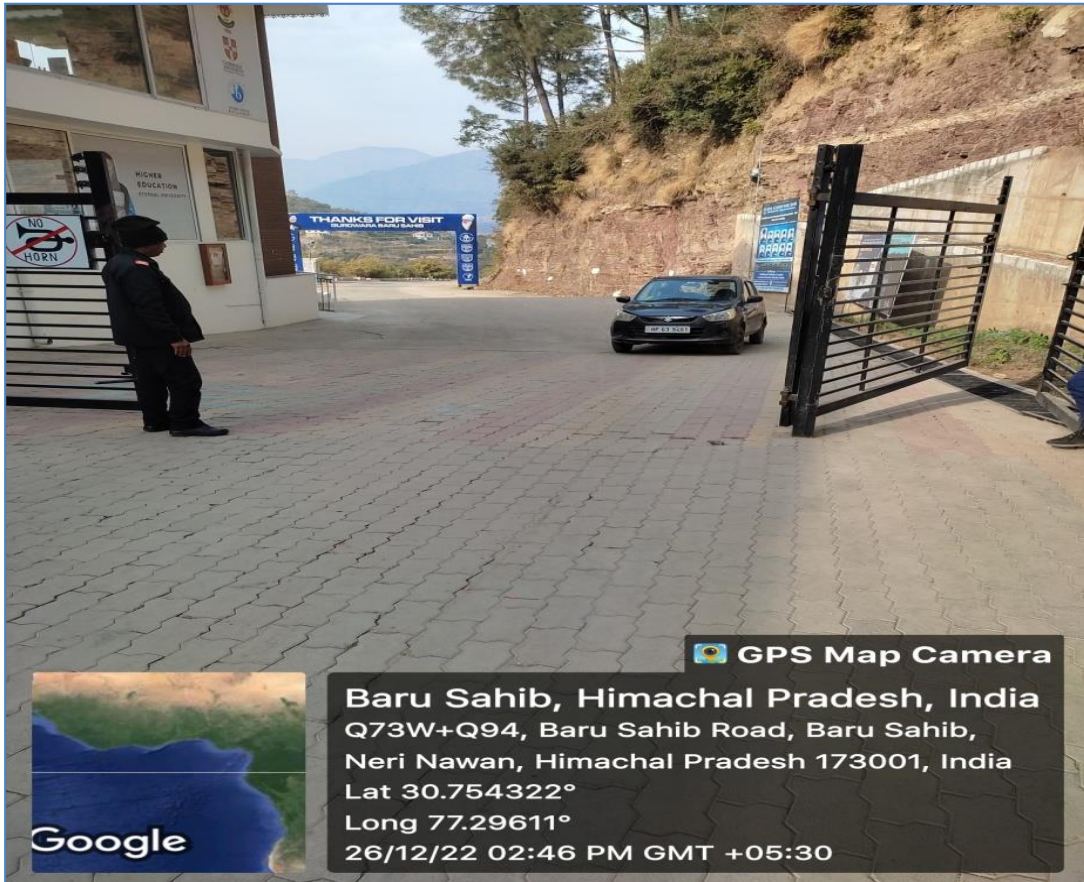

. I also know no amount of Orders/ directions or suggestions can change behavior unless it comes from within. However I as an elder Brother can appeal to you to contribute your might(Even if it is a drop in Ocean)

So let's celebrate every Wednesday as "CAR FREE DAY" in the Campus and Join the movement of SDGs even if it is Symbolic.

All those who support this movement or Agree with me , Kindly reply to me directly in Agreement

Narinder Pal Singh

CIRCULAR

Every year on **September 22**, is celebrated as **World Car Free Day**. It has been designed so that we all avoid using our vehicles on this date. While cars are convenient and offer several benefits, they also contribute to environmental degradation. World Car Free Day is great for raising awareness about these concerns and helping to reduce emissions.

In this context, the Eternal University has also taken a step. It has been decided in the last IQAC meeting that on **Wednesday, September 22, 2021**, the University will be practicing no vehicle day. Therefore, all the faculty/staff members are requested to keep on observing every Wednesday as 'No Vehicle Day'. Residents of Machher complex are also requested to park their cars outside the main barrier on that day.

Therefore, you all are requested to walk down to the campus on all the coming Wednesdays in future.

Ambulance/Senior citizens are exempted from this.

We seek your co-operation and active participation.
