Girl child and her education was very close to the heart of our founding saints. Way back in 1906, first educational institute was established by Sant Attar Singh ji in remote village of Mastuana in the district of Sangrur, Punjab. Taking the legacy forward, Honourable Sant Baba Iqbal Singh ji resonated with same grit and devotional perseverance to educate girl child and empower her to become woman of substance with impeccable character who will shape the destiny of her family and progeny. The world today needs these young women of intellect with all goodness of heart and soul to create peaceful and soulful tomorrow for future generations.

We, at Eternal University, weave landscape of professional competency and perfectly blend with innate virtues embedded deep within to carve better humanity who will become world leaders tomorrow. ## ABOUT THE UNIVERSITY

The University came into existence with the visionary grace of most revered Padma Shri awardee Sant Baba Iqbal Singh Ji, former Director Agriculture, Himachal Pradesh, President Kalgidhar Trust, former Hon'ble Chancellor, Eternal University, Baru Sahib and above all the social reformer of rural women in general and hill women in particular. According to his belief **“modern scientific education alone may not serve the humanity well, unless it is amalgamated with spiritual education”**. Throughout his journey, he could effectively translate the visions of Sant Baba Attar Singh Ji (Mastuana wale) and Sant Baba Teja Singh Ji by establishing the first Akal Academy in 1986 at Baru Sahib. Later, it spread to a network of 130 CBSE affiliated Akal Academies over six states and two Universities to impart value-based education from nursery to Doctorate level. As part of the vision, prophesy and prayers of the visionary Saints, Eternal University was established under the Himachal Pradesh State Act No. 3 of 2009 which has been recognized by UGC, AICTE, INC, NCTE, DSIR, DBT, DST & DRDO and accredited by NAAC. ## EXAMINATION DESK

### INTERCONVERSION OF OCPA AND AGGREGATE PERCENTAGE Other than NEP Programmes)

The following formulae have been adopted by the University to determine the equivalence of each grade point from 1 to 10 under the semester system in terms of percentage of marks awarded under the traditional system.

For conversion of Overall Credit Point Average (OCPA) into percentage of marks:

$$Y = 10Z$$

Where Y = Percentage of marks in the traditional system

Z = Overall Credit Point Average (OCPA) in 10.00-point system of evaluation

For example:

If a student's OCPA is 8.12/10.00 then his/her percentage marks in traditional system will be

$$Y = 10Z$$

$$Y = 10 \times 8.12$$

$$81.2\%$$

Criteria for the award of First and Second Division

On the completion of the program, the student is awarded First or Second-class degree as follows:

Programme	Pass marks	2nd Div. (OCPA)	1st Div. (OCPA)
