Dr. SK Chauhan told that the proposed budget for the financial year 2023-24 has been circulated among the Hon'ble members of the Finance Committee. Mr. BS Kapoor, Account Officer of Eternal University was requested to present the budget for the next financial year 2023-24 in the house.

Mr. BS Kapoor informed the house that the Annual Budget for the next financial year i.e. 2023-24 has been prepared along with a comparative statement of the last three years. The Annual income and expenditure for the financial years 2020-21 and 2021-22 have been presented as final estimates; however, the income & expenditure for the current financial year (2022-23) have been shown on estimated basis particularly for the month of March, 2023. The income statics for the financial year 2023-24 have been derived on the basis of estimated receipts from students' fee, various research projects grants, Boarding & Lodging charges met from the faculty and staff, interest on FDRs and gross returns from dairy and other production units, whereas the expenditure has been proposed under 37 different heads. Mr. BS Kapoor presented the budget head wise and concluded that the realized budget surplus over the expenditure, if any, will be transferred to the Kalgidhar Trust i.e. parental body of the University for completing the construction work of Agriculture College and other infrastructure in the University.

Mr. BS Kapoor told that this budget was also placed in the Planning Board meeting held today before this meeting and some of the following valuable comments/suggestions were given by Dr. DK Sharma:

- (i) In the income side, he said that all the projects are going to close during the current financial year and no amount has been proposed in the next financial year. He requested the Chairman to encourage and train the faculty members to submit new project proposals to the prospective funding agencies. Dr. AS Ahluwalia replied that some of the projects from NABARD are still under consideration at Government level and it is hoped that these may be sanctioned at the end of this financial year. Dr. DK Sharma also suggested to prepare projects on Women Oriented Programmes.
- (ii) Dr. DK Sharma further told that the projects listed at Ser No 3 and Ser No 6 are not having any financial value thus these entries should be deleted.
- (iii) Dr. DK Sharma said that an amount of Rs 41.20 lakh proposed to utilize for admission process and advertisement seems to be too high in comparison to the actual expenditure made during the last three years.
- (iv) He also sought clarification on expenditure amounting to Rs 16.20 lakh shown

Eternal University

(World peace through value based education)

3

against Ser No 27 (Conferences, Symposia, Workshop, FDP etc) against Rs. 4.00 lakh during last three years. The figures need to be carefully looked into.

- (v) He also said that expenditure amounting to Rs. 15.45 lakh proposed against Ser No 37 (Miscellaneous Expenses) will not be sufficient if the University has to revise the pay scale as per 6th and 7th pay commission and also proposed to release some dearness allowances. Dr. DK Sharma suggested to increase the amount against this head.

Mr. BS Kapoor agreed with these suggestions and assured to rectify these before its final approval.

Mr. BS Kapoor requested the Hon'ble members to give any more valuable suggestions/comments on the budget proposed for FY 2023-24.

As there was no other comment/suggestion from any of the members, the Annual Estimated Budget for the financial year 2023-24 was approved subject to incorporation of the above suggestions/comments. (Action: Account Officer KTS and Account Branch EU)
