Biography:

Mrs. Agnus Newton is a highly experienced Assistant Professor in the Community Health Nursing department at Akal College of Nursing, Baru Sahib, Eternal University. She holds a B.Sc. Nursing degree from Punjab University (1999) and an M.Sc. Nursing from BFUHS Faridkot, Punjab (2020). With 24 years of extensive teaching experience, she has made

significant contributions to nursing education and community health.

Her research interests focus on Community Health Nursing, and she has authored two research publications (ISSN: 2349-5162). She actively integrates research-based teaching to enhance student learning and professional growth.

Mrs. Newton has taught a range of subjects, including Community Health Nursing, Sociology, Advanced Nursing, and Nursing Management. She is dedicated to mentoring students, fostering critical thinking, and preparing them for professional excellence.

She is a professional member of TNAI, INC Delhi, and HPNRC Shimla and actively participates in institutional and community-based initiatives. Her additional roles include Research Guide, Invigilator, Conference Organizer, Subject Coordinator, and Committee Member of the Environmental and Cultural Exchange Club. She also serves as Incharge of Cookery Classes and has played a key role in organizing health programs in community areas. A committed educator and mentor, Mrs. Newton continues to shape the future of nursing with her dedication to education, research, and community service.
