Biography:

Shairry is working as Clinical Instructor at Akal College of Nursing. Her educational journey includes a solid foundation in academics. Her passion for nursing led her to pursue a B.Sc. Nursing degree, where she consistently excelled. Over the course of her studies, she achieved notable percentages in each year, demonstrating her dedication to learning.

Shairry's professional journey continued with over a year of clinical experience at BLK-MAX Super Specialty Hospital in New Delhi, where she specialized in the medical surgical department. Additionally, she gained experience in the MICU at Alchemist.

Her skill set is impressive, encompassing effective communication, patient safety protocols, task prioritization, electronic medical records management, technical proficiency, basic medical knowledge, and excellent time management.

In the realm of research, Shairry conducted an experimental study on the excessive use of video games among adolescents, showcasing her dedication to understanding and addressing contemporary healthcare challenges.

Shairry Katnoria's journey in nursing is marked by a deep commitment to serving humanity, a strong academic foundation, and a wealth of practical experience. Her skills, passion, and dedication make her a valuable asset in the field of healthcare
