Our child is at best place and we both are  
satisfied with her studies and performance in

regarding her security but Eternal University

We're unable to pay high amount of fees but

Spiritual environment good for students , safe and secure environment.

There's no intellectual development, no extracurricular activities, no social interaction, and the biggest concern is the hostel mess food, especially dinner...

Health service .

My child suffers a lot during exam time. The number of subjects and syllabus is a lot and they don't even get a holiday in between. It affects her mental health and stresses her out.

Burden of exams , holidays during the exams.

Burden of syllabus and exams are more and give atleast holiday during the exams

Need vacation during exam

ਸਭ ਕੁਝ ਠੀਕ ਹ

Subjects and syllabus is really alote for them and they don't even get a single holiday during exams which makes it even difficult for them to teckle which is effecting their mental and physical health.they should also take students for an outing trip to fresh their minds.atleast once a year.

This DA is given if the journey is not less than 8hrs for that day. Dr. Ahluwalia proposed the DA for faculty/staff for the official tours, as for those drawing up to Rs 40,000/- should be given @ Rs 350/per day and those drawing above Rs 40,000/- should be Rs 400/-.
