**82/01(b)/2023: Approval for amendment to clause 2.8.8. in Students Guide 2021  
(Item 81/24/2023)**

Dr. SK Chauhan requested Dr. Sandipan Gupta to present the item.

Dr. Sandipan Gupta said that there was no provision of research paper publication as per **First Ordinance** of the University released after the formation of university and UGC also notified the condition for one research paper in its 2016 regulation for the award of Ph. D. degree. He suggested that the clause for publication of two research papers should be removed from clause 2.8.8 of Student's Guide 2021.

Dr. BS Sohal replied that the first ordinance automatically understood to have superseded when the Second Ordinance was issued in 2014. Under the clause 4.16.8 of second ordinance the criteria of two research publications were prescribed. Moreover, this clause remained intact under 2.8.8 of the Third Ordinance. Dr. BS Sohal further added that 3<sup>rd</sup> ordinance was framed after consulting all Deans, Principals and other concerned staff through online meetings at the time of Corona period. Thereafter, this was placed in the 75<sup>th</sup> Academic council meeting on 19<sup>th</sup> August, 2021 and approved. During the online meetings and 75<sup>th</sup> Academic Council meeting, no suggestion was put forth by Dr. Sandipan Gupta.

Ed is essential for catering to the demand of students and extending specialised education for those with Commerce and Economics backgrounds in consonance with the practices being followed by other Universities across India and at the same time it will enhance the admission status of the college. This step will ultimately enhance the quality and relevance of education for aspiring teachers in these fields.

The Hon'ble Vice Chancellor asked about the nature of jobs for such students. Dr. Jasvir Kaur replied that they may be employed as PGT teachers for Economics and Commerce subjects.

The Hon'ble Vice Chancellor said that the students should be informed well in advance for their employability. Dr. Jasvir Kaur said that this practice is already followed up.

Dr. SK Chauhan informed the house that University is awarding “Jagjit Singh Hara Excellence Award” to the progressive farmers every year on the eve of Baisakhi Festival during the month of April every year. Accordingly, to follow the process for this award to be presented in the Kisan Mela 2024, the University had invited applications from the progressive farmers of District Rajgarh (HP) through DDA Nahan as well as an advertisement on university website to reach Registrar Office, Eternal University, Baru Sahib latest by 30<sup>th</sup> November, 2023. Dr. SK Chauhan said that till date only two applications of farmers have been received from the office of DDA, Nahan.

Dr. SK Chauhan said that few more applications are expected and thereafter physical visits to the farms of concerned farmers will be made during the month of November, 2023 for final selection of a progressive farmer.

Dr. NS Attri asked whether a female progressive farmer is also eligible for this award. Dr. SK Chauhan replied that on 12<sup>th</sup> April 2023 one lady from Shillai was given this award and it is being considered on the merit basis whether the farmer is male or female.

Dr. SK Chauhan said that this is a reporting item placed for the information of the house.

**82/10/2023 Admission status 2023-24 (Reporting item)**

Dr. SK Chauhan requested Mr. Balraj Singh to present the item.

Mr. Balraj Singh informed the house that maximum efforts were made to get more admission for 2023-24. He said that 361 students have physically reported and admitted out of which 67 students are from Akal College of Nursing and 93 students are from AIRWE. Only 18 students are less than the previous year admission of 2022-23. Mr. Balraj Singh said that major downfall was only in the Agriculture College. Hon'ble Vice Chancellor expressed his concern that huge expenditure has been made on the infrastructure for this college and B. Sc. (Hons) Agriculture is also an ICAR accredited programme.

Dr. Neelam Kaur also said that only three students from our academies have been admitted in Eternal University whereas 66 students got admission in Akal University.

Mr. Balraj Singh also informed that around ten students have left after joining the campus. The Hon'ble Vice Chancellor asked the cause for such an issue. Mr. Balraj Singh replied that some of the students have got seats in the Government colleges where the tuition fee is very nominal.

The Hon'ble Vice Chancellor suggested that the existing students should be motivated to get more students through their personal relations/recognitions.

Dr. SK Chauhan informed the house that out of 52 approved seats for Ph. D. Programmes only 20 seats have been filled till now and 32 seats are still vacant.

Dr. NS Attri suggested allowing enrollment of male students in Ph. D. Programmes. Dr. SK Chauhan also said that this system may be helpful for filling the 32 vacant seats. Dr. Neelam Kaur also accepted the idea of house to a certain extent. The Hon'ble Vice Chancellor informed that there is need to think over deeply before reverting back.

Dr. BS Sohal also informed that in PAU, Ludhiana, seats are still vacant in some of the programmes.

Mr. Balraj Singh assured the house that the admission team will try its best to bring more & more admission.

Dr. SK Chauhan briefed salient achievements of Eternal University since last meeting i.e., 13<sup>th</sup> October, 2023:

- (a) During the month of December, Dr. Neelam Kaur has been awarded an outstanding medal by the Government of Himachal Pradesh for her outstanding devotion in the academic pursuits and empowerment of rural women. The members congratulated her.

After sharing the above information Dr. SK Chauhan started the agenda as under:

**83/01/2024: Ratification of the proceedings of 82<sup>nd</sup> meeting of Academic Council held on 13<sup>th</sup> October, 2023**

Dr. SK Chauhan said that the proceedings of the last academic council meeting were circulated among the Hon'ble members on 16<sup>th</sup> February, 2024 and comments/suggestions were invited by 24<sup>th</sup> February, 2024. None of the suggestion received from any of the Hon'ble members till the commencement of the meeting, however, some of the following items from the previous meetings need to be updated:

**82/01(a)/2023: Approval of criteria for meritorious award to teaching and non-teaching faculty/staff (Item No 79/05/2022)**

Dr SK Chauhan requested Hon'ble Vice Chancellor that the guidelines for meritorious awards to the teaching as well as non-teaching staff are yet to be finalized. Hon'ble Vice Chancellor said that these are held with him and likely to be finalized within a period of one week. (Action: Secretary to Vice Chancellor)

**82/1(c)/2023: UGC Regulation 2022 for minimum standards and procedure for the award of Ph. D degree (Item No 80/06/2023)**

Dr. SK Chauhan said that Dr. NS Attri had asked about the course work of 4 credits in respect of students who have already been awarded their Ph. D degree. Dr. SK Chauhan replied that one more course code RM-598 for one credit has been approved and such students registered themselves for covering up their deficiencies of 01 Credit. Further Dr. SK Chauhan told that 32 pass out, nearly at the stage of Viva Voce and currently pursuing Ph. D. degree had opted for RM-598. ## 81/07/2023: Ph. D. Student Fellowship:

Dr SK Chauhan requested Dr. TS Banipal to inform the house about update of developing a mechanism for release of fellowship of Rs. 4500/- to Ph. D Students who have been assigned the teaching work for UG classes. Dr. Banipal said that the release of this fellowship on lecture basis will be problematic; however, he suggested the enhancement of existing fellowship to Rs. 5000/- per month subject to submission of a monthly report on prescribed Proforma for Ph. D. student Fellowship. Some of the Hon'ble members gave their valuable suggestion as under:

- (a) Hon'ble Vice Chancellor suggested that this fellowship should be tagged with the timely submission of synopsis of thesis/dissertation. The students who have not submit their synopsis by due date must be declared ineligible for this fellowship.
- (b) Dr. SK Chauhan suggested that the proposed format for the release of fellowship needs to be slightly modified with having two main points i.e. "Synopsis Due Date" and "Synopsis submission date".
- (c) Dr. AS Ahluwalia suggested that the scholarship amount should be credited to the students account and need not to be adjusted against their tuition fee.

Hon'ble Vice Chancellor agreed with the above suggestions and the house **approved** it with an enhanced rate of Rs. 5000/- per month with effect from **01 March 2024** subject to submission of satisfactory report (**Appendix A**).

Dr. Purvi Luniyal further sought a clarification whether this fellowship will be given to all students or to a suitable Ph. D. scholar whose services are required to be utilized as an instructor for UG course? When the number of students is more than the requirement then selection of such scholar for teaching work need to be made based on certain criteria subject to the requirement for a specific teaching load in concerned subject.

Dr. SK Chauhan requested Dean, Academic Affairs to design criteria for selecting a Ph. D. Scholar in case of need for the award of this fellowship.

Dr. SK Chauhan requested Dr. Purvi Luniyal to present the item.

Dr. Purvi Luniyal said that two of the following amendments required in the existing syllabus of BA Music:

- (b) **Secondly:** The principal language course on Compulsory Punjabi and Compulsory English need not to be taught separately to two sections of students in Humanities, therefore, the course code as well as syllabus for "Compulsory English" and Compulsory Punjabi" are to be brought under a unified icons for both the sections.

Dr. AS Ahluwalia said that the teaching load for the students of 1<sup>st</sup> and 2<sup>nd</sup> Semester will increase with such shifting.

Dr. SK Chauhan observed that credits for Edu-101 and GSES-321 have been mentioned as 0+0+0 which is not the correct way.
