Girl child and her education was very close to the heart of our founding saints. Way back in 1906, first educational institute was established by Sant Attar Singh ji in remote village of Mastuana in the district of Sangrur, Punjab. Taking the legacy forward, Honourable Sant Baba Iqbal Singh ji resonated with same grit and devotional perseverance to educate girl child and empower her to become woman of substance with impeccable character who will shape the destiny of her family and progeny. The world today needs these young women of intellect with all goodness of heart and soul to create peaceful and soulful tomorrow for future generations.

INTERCONVERSION OF OCPA AND AGGREGATE PERCENTAGE

The following formulae have been adopted by the University to determine the equivalence of each grade point from 1 to 10 under the semester system in terms of percentage of marks awarded under the traditional system.

For conversion of Overall Credit Point Average (OCPA) into percentage of marks:

$$Y = 10Z$$

Where Y = Percentage of marks in the traditional system

Z = Overall Credit Point Average (OCPA) in 10.00-point system of evaluation

For example:

If a student's OCPA is 8.12/10.00 then his/her percentage marks in traditional system will be

$$Y = 10Z$$

$$Y = 10 \times 8.12$$

81.2%
