Brief report

Department of Computer Science and Engineering (ACET) and Department of Food Technology (DKSGACA) in collaboration with Institution's Innovation Council, Eternal University celebrated the National Technology Day on 11th May, 2024 by organizing expert talks on the theme "Innovative Technologies for Viksit Bharat@2047". The event witnessed a series of engaging events aimed at commemorating the contributions of scientists, engineers, technologists and researchers in the scientific and economic development of our great nation. The event aimed to highlight the innovative, cutting-edge and emerging technologies contributing to the development of self-reliant Viksit Bharat.

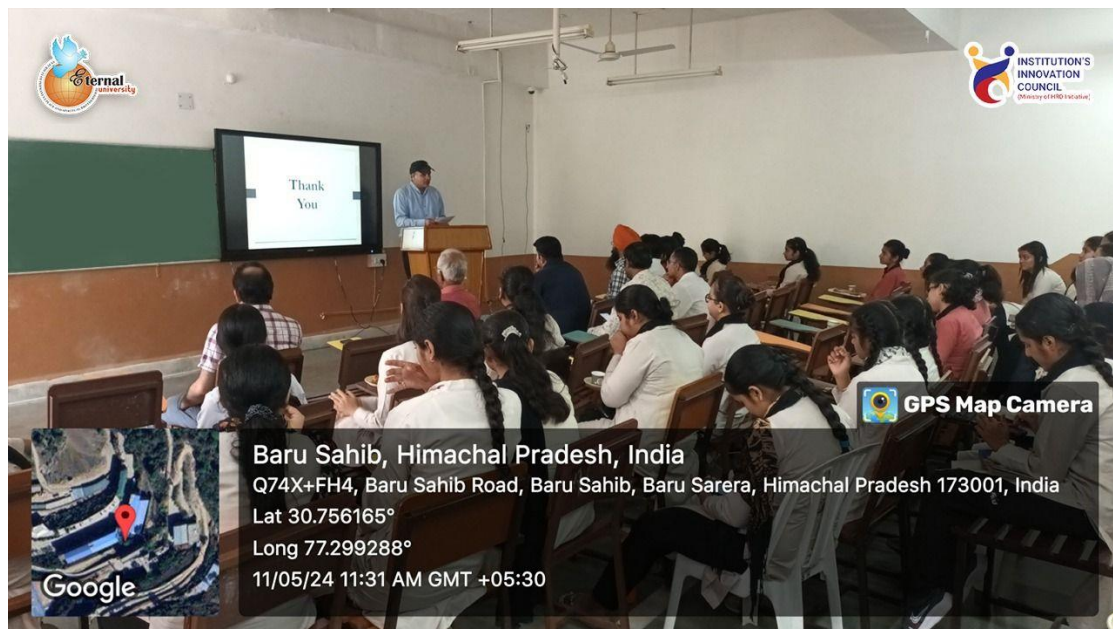

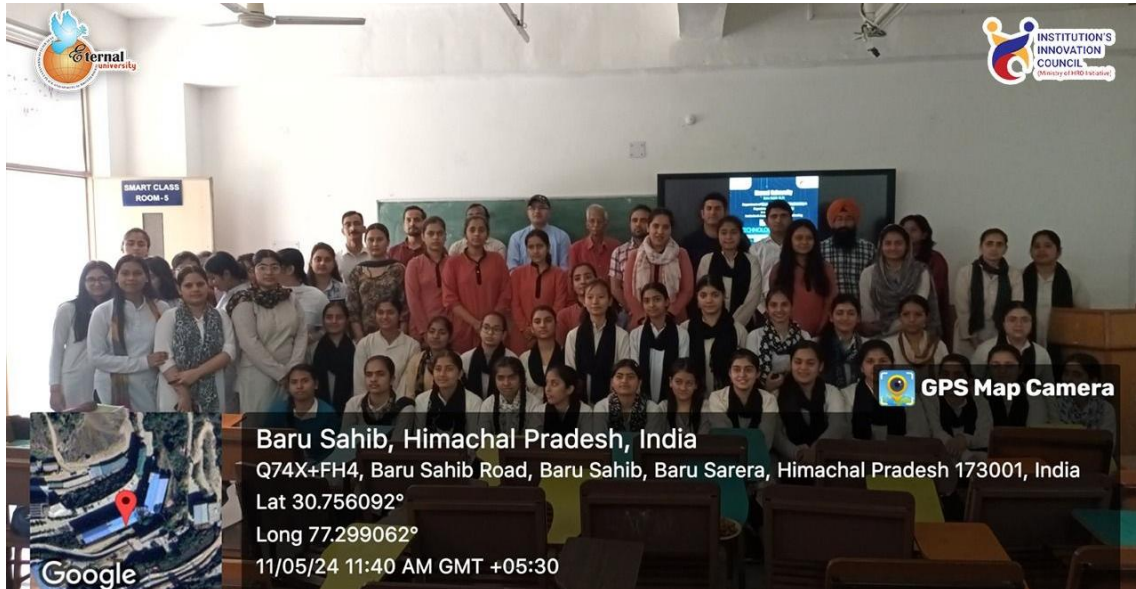

Mr. Sumon Dey (Assistant Professor, Department of CSE) delivered an enlightening session on the role of remote sensing, GIS mapping, and real-time monitoring technologies in mitigating landslides, disaster management and environmental conservation.

Er. Rajesh Kumar (Assistant Professor, Department of Food Technology) shared valuable insights into technological advancements in food processing, preservation and packaging innovations that have revolutionized the food sector by ensuring food safety, enhancing shelf life and assuring product quality.

Undergraduate students of ACET showcased landmark technological advancements and breakthroughs that have propelled India's growth in sectors such as space exploration, healthcare, agriculture, semiconductors, robotics, drones, defence, artificial intelligence, and information technology. The presentations highlighted India's journey towards becoming a global technology leader and the contributions of visionary scientists, engineers, and innovators.
