Brief report of activity

On the occasion of National Science Day, Eternal University successfully organized the Science & Technology Quiz Competition on 25th February 2025 at 11:00 AM in Smart Classroom - 407, 4th Floor, A Block, Eternal University, Baru Sahib, Himachal Pradesh. The event witnessed enthusiastic participation from students, making it an engaging and lively competition. The primary objective was to test and enhance students' knowledge, critical thinking, and teamwork skills, while also celebrating National Science Day.

The quiz featured multiple rounds covering diverse subjects, including Physics, Chemistry, Mathematics, Biology, Medical Sciences, Agriculture, and Technology. A total of 37 participants took part in the competition, divided into three groups: Group A – 12 participants, Group B – 12 participants, and Group C – 12 participants.

The quiz followed a "first raise hand and answer" format, where students had to physically raise their hand as soon as they knew the answer. Questions were displayed on a smart screen by the stage handlers and quiz committee members. Dr. Yashpal Singh Bisht meticulously prepared the questions, covering diverse scientific disciplines. The first student to raise their hand was given the opportunity to answer and, if correct, was awarded 1 mark for their quick response. The top three students from each group (based on the highest number of correct answers and fastest responses) advanced to the final round, bringing the total to nine finalists. After a closely contested final round, the panel of judges determined the top three winners based on accuracy, speed, and overall score. The event concluded with a vote of thanks, expressing gratitude to the organizers, participants, and audience for their enthusiastic involvement and contributions, making the Science & Technology Quiz Competition a resounding success.
