Brief report of activity

Eternal University organized a declamation contest on February 26, 2025 to celebrate National Science Day, emphasizing the theme: “Empowering Indian Youth for Global Leadership in Science and Innovation for VIKSIT Bharat.” The event aimed to inspire students to articulate their vision for India’s scientific and technological progress while honouring the legacy of Indian scientific pioneers.

A total of 22 participants from diverse academic disciplines participated, including students from departments such as Psychology, Zoology, Microbiology, Computer Science, Engineering and Management. The contest showcased a vibrant exchange of ideas, reflecting the multidisciplinary spirit of scientific inquiry.

Participants delivered compelling speeches on topics like “AI, Biotechnology and Space: India’s Leap into the Future” and “Atmanirbhar Bharat: How Science Drives Self-Reliance.” Emphasis was placed on blending factual insights with persuasive delivery, highlighting India’s achievements in science and technology. Judges evaluated participants based on content relevance, originality and presentation skills. The winners were determined by judges Dr. Yashpal Bisht, Dr. Megha Ahir, Dr. Anand Rawat and Dr. Naresh Kumar.

The declamation contest successfully fostered a spirit of scientific temper and innovation among students. By engaging with themes critical to India’s development, participants demonstrated their potential as future leaders in science and technology. The event concluded with appreciation for all participants and gratitude to the organizing team, including coordinators Dr. Naresh Kumar, Dr. Hemant Dasila, Ms. Shilpa Sharma and Ms. Shilpreet Kaur.
