The great visionaries had a vision that modern scientific education alone will not serve the humanity well, until and unless it is amalgamated with Brahm Vidya (Spiritual Education). They have served the society in multifarious ways for the upliftment of rural masses especially the women.

OUR MISSION

To Establish Permanent Peace in the World Through Value Based Scientific Education, Spiritual Rejuvenation and Women Empowerment

FROM VICE-CHANCELLOR'S DESK

Dr. Davinder Singh
M.D. & M.B.B.S.
Vice Chancellor

The Eternal University, Baru Sahib is the visual manifestation of the divine vision of Sant Attar Singh Ji, who had envisioned 100 years ago of this seat of higher learning. The vision statement enunciated by the divine master 10 decades ago, objectified creation of outstanding human beings who could spread the message of love and spiritual brotherhood not only in this country, but the entire world. 'Sanskar Nirman' is the 'Mantra' which the founding fathers had proposed to be the foundation on which the educational edifice of this institution was to rest. This women's university is ensconced in the captivating Divine Baru Valley with deep woods and fresh water springs making the ambience conducive for spiritual rejuvenation.

The campus, with its beautiful diversity of students from all over the country, provides ample opportunity to young girls to express themselves uninhibitedly and evolve into outstanding human beings who have nerves of steel and at the same time possess unlimited patience, forbearance, tolerance and love for the entire humanity.

FROM PRO VICE-CHANCELLOR'S DESK

Ph.D. (BHU)

Former Dean of Sciences (PU)

Pro Vice Chancellor

The Eternal University, Baru Sahib, established by Himachal Pradesh Government by Act No. 3 of 2009, has been accredited by NAAC and duly recognized by the UGC, AICTE, INC, NCTE, DST and DBT is presently one of the only exclusively girl's university in Himachal Pradesh. The Eternal University is offering more than 60 academic degree programmes from UG to Ph.D. levels in Basic Sciences, Agriculture, Food Technology, Biotechnology, Engineering and Technology, Economics, Commerce and Management, Education, Psychology, Nursing and Public Health, Renewable Energy and Divine Music through its seven constituent colleges with the value-based education by the highly competent, dedicated and experienced faculty with state-of-the-art facilities and infrastructure.

Situated in the valley of Divine Peace Baru Sahib, the campus is providing safest, drug and pollution free environment and support for holistic development of its girl students. In an exclusively residential campus, the day-scholar girl students from nearby areas of Sirmour district could also commute from home to pursue their studies in the Eternal University. You are cordially invited to visit our campus and the website for your support and association with us for pursuit of knowledge, quality education and skills and for treading the university to its academic excellence.

ABOUT THE UNIVERSITY AND ITS CONSTITUENT COLLEGES

ETERNAL UNIVERSITY

The University came into existence with the visionary grace of most revered Padamsri Awardee Sant Baba Iqbal Singh Ji, former Director Agriculture, Himachal Pradesh, President Kalgidhar Trust, former Hon'ble Chancellor of the Eternal University, Baru Sahib and above all the social reformer of rural women in general and hill women in particular. According to his belief "...modern scientific education alone may not serve the humanity well, until and unless it is amalgamated with spiritual education". Throughout his journey, he could effectively translate the visions of Sant Baba Attar Singh Ji (Mastuana wale) and Sant Teja Singh Ji by establishing the first Akal Academy in 1986 at Baru Sahib. Later, it spread to a network of 129 CBSE affiliated Akal Academies over six states and two Universities to impart value-based education from nursery to Doctorate level. As part of the vision, prophesy and prayers of the visionary Saints, the Eternal University was established under the Himachal Pradesh Government Act No. 3 of 2009 which has been recognized by UGC, AICTE, INC, NCTE, DSIR, DBT, DST and DRDO and accredited by NAAC. The graduates of this unique education system are not only outstanding in academics, but also carry high moral values. They have love for humanity, compassion for the weak and the poor and sense of selfless service for the community.

Akal College of Nursing is the 1st nursing college established in the year 2008 by the 'KALGIDHAR TRUST', in the valley of divine peace 'BARU SAHIB' situated in the shadows of the great Himalaya in the Northern part of India the well-known land of Gods and Goddess, thus called "Dev-Bhoomi" Himachal Pradesh. Akal College of Nursing, the first college in Himachal Pradesh was also accredited by The President of Indian Nursing Council, New Delhi vide Resolution No. 138/02/August/2008 of dated 14th October 2008 & approved by H.P. Registration Council. The Akal College of Nursing offers B. Sc. Nursing course and M. Sc. Nursing Course/programme approved/ affiliated by Himachal Pradesh Nursing Registration Council (HPNRC) and Indian Nursing Council (INC). Similarly, Eternal University is the first private university of Himachal Pradesh to start College of Agriculture in 2014 initially to admit 60 girls students and from 2017-18 ninety (90) students. The lush green and pollution free campus in Himachal Pradesh is fully residential for faculty and students with all the basic facilities for comfortable living, excellent academic career pursuit and participation in co-curricular and spiritual activities for their holistic development. It has now been transformed

and recognized as a modern Gurukul exclusively for girls' education. The Eternal University has been regularly organizing conferences, symposia, workshops, Kisan Melas, Annual Sports meets and celebrating national and international days, conducting faculty development programmes and creating opportunities for student's awareness with the latest developments in the areas of their interest and confidence to share their knowledge with other faculty, students and stake holders. For the people of district Sirmour being one of the most backward districts of Himachal Pradesh, the establishment of Eternal University, Baru Sahib is a boon with many hopes as well as expectations for addressing their problems related to education, health, nutrition, agricultural production, skill development, employment etc; for their inclusive development. After its establishment in the year 2009, with a mission and mandate of value-based education and women empowerment, the university has demonstrated its commitment to society through great impact in teaching, research and transfer of technology. It is continuously looking forward to set new dimensions in the research area of modern agriculture, food technology, biotechnology, public health, basic sciences, social sciences and renewable energy with teams of world class scientists and external funding support from different funding agencies of Government of India and Himachal Pradesh.

2. CONSTITUENT COLLEGES AND TESTIMONIALS

The Eternal University has the following seven constituent colleges:

1. Dr. Khem Singh Gill Akal College of Agriculture
2. Akal College of Arts and Social Sciences
3. Akal College of Basic Sciences
4. Akal College of Economics, Commerce and Management
5. Akal College of Education
6. Akal College of Engineering and Technology
7. Akal College of Health and Allied Sciences

Dr. KHEM SINGH GILL AKAL COLLEGE OF AGRICULTURE

INTRODUCTION

The Akal College of Agriculture in the fond memory of Late Dr. Khem Singh Gill, Former Vice Chancellor of Punjab Agricultural University and Vice President of the Kalgidhar Trust, has been renamed as Dr. Khem Singh Gill Akal College of Agriculture on November 23, 2019. The College began its journey in 2014 with 33 students in B.Sc. (Hons.) Agriculture and has nearly 300 students registered under different undergraduate and post graduate programmes. The College has developed elite plant breeding material which includes bio-fortified wheat lines with high grain Fe and Zn, wheat lines with improved bread making quality, maize lines with quality protein having high lysine and tryptophan amino acids, functional foods such as foxtail millet, finger millet, buckwheat, amaranths, soybean, oats and barley. A dairy herd of Holstein and Jersey breed cows has also been maintained in Akal Modern Dairy as research and instructional unit. The College has also established an apiary with nearly 30 honey bees (*Apis mellifera*) colonies with a honey extraction and experiential learning unit. Large green farm houses serve to promote vegetable research and production under protected cultivation. For horticulture students, a mushroom farming unit has also been established to impart training to the students. Facility for subsurface drip irrigation and conservation agriculture has also been developed under Unnat Bharat Abhiyan funding by MHRD, Govt. of India.

Development of microbial inoculants and their application as bio-fertilizers is also going on in the college along with application of nanoparticles to enhance shelf-life of perishable fruits and vegetable produce funded by Department of Environment, Science and Technology, Shimla. The College has established food processing unit with four pilot plants funded by Ministry of Food Processing Industries, Govt. of India for value addition to fruit and vegetable crops and preventing post-harvest losses. Recently the establishment of Akal Food Safety and Quality Control Laboratory approved at a total cost of about Rs 5.98 crore by the Ministry of Food Processing Industries, Govt. of India is being set up as state-of-the-art with sophisticated equipments for food quality research and development. The College organizes Kisan Mela every year on the occasion of Baisakhi with agro-industrial exhibition, officials of development departments as experts and participation of hundreds of farmers to share with them the latest developments in agriculture and provide a platform to present their best farm produce. The College is leaving no stone unturned to serve the local farmers and to make the students familiar with the advanced techniques to improve agriculture and increase farmers' income in the coming years. Dr. Khem Singh Akal College of Agriculture with its following departments also offers post graduate and doctorate degree programmes:

- Department of Agronomy
- Department of Agricultural Economics
- Department of Entomology
- Department of Plant Pathology
- Department of Genetics, Plant Breeding and Biotechnology
- Department of Horticulture (Vegetables, Fruits and Floriculture & Landscaping)
- Department of Food Technology
- Department of Soil Science and Agricultural Chemistry
- Department of Agricultural Extension and Communication
- Section – Agricultural Engineering
- Section- Animal Sciences
- Section- Biotechnology and Crop Physiology

ACHIEVEMENTS

Keeping in view the training and experience of Dr. H.S. Dhaliwal, Former Vice Chancellor, Eternal University, Baru Sahib in wheat breeding, evolution and genetics, the ICAR New Delhi has nominated him as the Chairman of “Research Advisory Committee of the Indian Institute of Wheat & Barley Research, Karnal” for a period of three years with effect from 21st June, 2020 to 20th June, 2023. Keeping in view his lifelong contribution in the development of research, teaching and extension activities in the discipline of Vegetable Science, Dr. S.K. Sharma, Dean, Dr. Khem Singh Gill Akal College of Agriculture has been honoured with the “Dr. Kirti Singh Life Time Achievement Award in Vegetable Science” by Indian Society of Vegetable Science, Varanansi.

INFRASTRUCTURE

After its inception in 2014, Dr. Khem Singh Gill Akal College of Agriculture has got an exceptional growth in infrastructural facilities for strengthening its teaching, research and extension activities. The College has present faculty strength of 31 with 4 Professors, 4 Associate Professors and 23 Assistant Professors on roll. It has twelve well equipped modern laboratories; three semi-commercial food processing pilot plants with bakery unit and smart class rooms. Dr. Khem Singh Gill Akal College of Agriculture has developed excellent farms facilities over about 18 hectares spread over four experimental farms at Machher, Mahender Singh Farm, MuchlogKakhli and Chhapang. Two Polyhouses (25x10 m. each) at Baru sahib and four (25x20 m each) at Chhapang are available for protected cultivation of vegetable crops. The experimental farms are extended to students for hands-on training in agricultural practices and practical crops production.

All the laboratories of the College are equipped with requisite instrumentation and the sophisticated equipment includes, Atomic Absorption Spectrophotometer (Varian), Thermocyclers (ABI), Crude Fibre Analyzer, Gel Documentation System (Syngene), Vis/UV-Vis Spectrophotometers, Freeze Dryer (Martin Christ), Gel electrophoresis assemblies, Water Purification Assemblies, Microwave Digestion Oven (Anton Parr), Deep Freezers (Thermo), Laminar Air Flow Cabinets, Biosafety cabinet, Co2 incubators, Fluorescent Microscope, Dark-field microscope, Food Extruder, Incubator Shaker, Fruit/Vegetable Crusher/Pulper/Juicer, Autoclaves, Multipurpose centrifuges, BOD incubators, colony counter and several other major as well as minor equipments for necessary research and teaching work. With several national and international collaborations, Dr. Khem Singh Gill Akal College of Agriculture has got 10 externally funded research projects (including two MoFPI infrastructural grants, one WOSA-DST, two Department of Environment, Science and Technology, Shimla, one DST and two DBT, GOI projects and 03 UBA) with a funding of more than 3.25 crores. Several other projects submitted for external funding are under active consideration. The Student fellowships are available in the college in the form of university doctoral fellowship and other from the funding agencies.

AKAL COLLEGE OF ENGINEERING & TECHNOLOGY (ACET)

INTRODUCTION

The Akal College of Engineering & Technology is a leading technical college of northern India located in a beautiful valley of Baru Sahib in Himalayan region. The college was formally inaugurated in 2007 by Raja Virbhadra Singh, Chief Minister Himachal Pradesh. The vision of the college is to achieve overall excellence in education by continuously upgrading the teaching-learning process and incorporating the latest technological advancements worldwide with ethical responsibilities. The college offers B.Tech. (CSE), M.Tech. (CSE), and Ph.D (CSE) programmes to train manpower equipped with skills for achieving the highest level of professional competency among the students in Computer Science & Engineering (CSE). The department continuously updates its course curricula as per AICTE guidelines with major emphasis on advanced technology with training, certification and industrial visits, development of technical and communication skills for suitable placement of the students in India and abroad. The department organizes national and international conferences, workshops, seminars, short term courses and hands-on training programs regularly to exchange ideas, and to strength cooperation among the students and faculties. The college has competent faculty with Ph.D.'s from leading universities taking keen interest in research, and also attracting a regular stream of visiting faculty members. Our faculty are diligently involved in training students and preparing them for the future ahead.

Sabudh foundation is closely collaborated with ACET, Eternal University & offering free of cost 6 months training & slowly adding their Course Curriculum from very first semester. The foundation works on Data Science, Pega Technologies and Artificial Intelligence projects having real social impact. The interns will be trained for machine learning and AI from the leading lights in the industry and academia. CSE students are working on real-world, high impact problems in areas such as agriculture, governance, healthcare, and education with potential employment offered after the completion of the internship.

On line trainings are closely incorporated with our recent revised syllabus following from Sabudh, SWAYAM Courses in Regional Languages, Massive Online Open Courses (MOOCs), NPTEL and Learning Python, Spatial Data Science, Data Exploration and Pre-processing, Supervised Learning, Stats with R, Maths for Machine Learning, Introduction to Machine Learning, Cyber Security & Deep Learning , Internet of things, Deep Learning, Unsupervised Learning are the new areas incorporated in the recent syllabus. The department has also started a Ph.D. program in CSE to carry out research in solving real world problems with a major emphasis on Cloud Computing, Sensor Networking, Content Base Image Retrieval, Network Security Data Analysis, Big Data, Automatic Speech Recognition System (specific for English and Punjabi language) and Artificial Intelligence.

INFRASTRUCTURE

The CSE department has well stocked laboratories to fulfill the needs of the students to perform various experiments related to computer science & engineering subjects from first year to final year students such as Data Warehousing & Mining Lab, Cloud Computing Lab, Data Network Lab, Programming Lab, Linux Lab, Multimedia Lab, Data Structure Lab and Database Management System (DBMS) Laboratory. The department also has a Communication Skills Lab which includes about 40 systems, each provided with headsets for improving the communication skills of the students in English.

ENGINEERING WORKSHOPS: The most important component of any technical educational institution is its laboratories and workshops. Workshop is the central facility for imparting training to the students of all branches of 1st Year in various shops. We take pride in equipping our spacious laboratories and workshops with the most modern and state-of-the-art machinery and equipment. The spacious workshop comprises of the following shops: Machine Shop, Fitting Shop, Smithy Shop, Carpentry Shop, Welding Shop and Foundry Shop.

TESTIMONIALS

Rasleen Kaur

I have done my graduation from Akal College of Engineering and Technology in Computer Science & Engineering (CSE). Eternal University is a practical technical institute and offers an ideal study environment those who want experience both professionally and educationally. In 2019, after that, I worked for a designing firm as a graphic designer. Through my education and work experience, I found myself what I want to do in the future – to become a graphic designer. I realized that professional experience and education are important to achieve my future goal. I would recommend being a part of this family, every member at the college is very supportive, and tuition is affordable. In addition, it provides placement to almost every student.

Avleen Kaur

Eternal University is a place where you can find an amalgamation of learning. I feel great studying at Akal College of Engineering and Technology, Eternal University as it gives a generous opportunity as well as support from faculties. My four years at this place were great and a memory to cherish for a lifetime. It was full of learning and grooming oneself. And this gave me an opportunity to define and analyze myself fit for the role of Business Analyst. Getting placed during my last semester is an achievement for me for whom I would like to thank our Professors and university who encouraged us to explore and guided us in every step.

AKAL COLLEGE OF BASIC SCIENCES

INTRODUCTION

The Akal College of Basic Sciences at the Eternal University, Baru Sahib envisages a world-renowned Centre for quality education and cutting-edge interdisciplinary research in basic and advanced sciences. Keeping in view the importance of basic sciences, B.Sc. (Hons), Master's and Ph.D. programs in different disciplines have been started. Well-equipped Botany, Chemistry & Biochemistry, Physics, Microbiology, Mathematics and Zoology laboratories are available for research and training. At present Department of Zoology, Botany, Microbiology, etc are running various research projects being funded by Govt. of India, NABARD, HIMCOSTE, ETC. The Akal College of Basic Sciences has the following six departments:

- Department of Botany
- Department of Chemistry & Biochemistry
- Department of Mathematics
- Department of Microbiology
- Department of Physics
- Department of Zoology

INFRASTRUCTURE

Akal College of Basic Sciences with its six departments is housed in the main building. Each department has its own fully equipped laboratories with sufficient infrastructure, lecture rooms and laboratories with sufficient chemicals/reagents/consumables and research materials etc.

Department of Botany: The department is actively engaged in exploration, maintenance, evaluation and utilization of local medicinal and aromatic plants. It has two labs, one for UG/PG students' practical and other for plant tissue culture. The labs are well equipped with lab materials viz. models, specimens, microscopes etc. The high profile equipment includes HPLC, atomic absorption spectrophotometer, digestion chamber, rotary evaporator, stereo-microscope, freeze dryer and cleverger apparatus. The department is also engaged in maintaining the Botanical-cum-Herbal Garden which harbors germplasm of more than 80 medicinal plant species.

Department of Chemistry & Biochemistry: Department of Chemistry was established in 2010 under the aegis of Eternal University, now merged with Department of Biochemistry. The department is well equipped with research facilities. Laboratories for UG and PG students have adequate space to perform experiments. The labs are equipped with Fume Hoods, High Pressure Vacuum Pump, Furnaces for preparing nanomaterials etc. The department had established collaborations with GVK Biosciences Pvt. Ltd., Hyderabad and Syngenta, Goa. Noteworthy, students are also getting wonderful opportunity to pursue their project work in reputed and well-established laboratories across the country for the unexplored exploration in respective fields.

Department of Physics: The department of Physics is engaged in basic research as well as novel interdisciplinary areas of Nanoscience & Nanotechnology, Materials Science and Renewable Energy. The laboratories are adequately equipped. There are 2 main laboratories and 1 dark room. Faculty members have attracted considerable financial support through research projects from DRDO, DST and HIMCOSTE etc.

Department of Mathematics: Department of Mathematics is running the Programs of B.Sc., B.Sc. (Hon's), M.Sc. and Ph.D. in Mathematics. At present, the department has five faculty members and one guest faculty with different areas of research specialization such as Finsler Geometry, Statistics and Operations Research, Fuzzy logic and Neural network, Image processing, Fractional differential equation, Reliability theory, Moving boundary problem, Wavelet based weighted residual method, Bio Heat Transport and Heat mass transfer. The department has distinguished faculty from IIT's, central universities and other reputed institutions of India which have research collaborations with other prestigious institutes in India and abroad. Syllabi of Undergraduate and Postgraduate courses are designed keeping in view the national level examinations such as GATE, NET, TIFR, NBHM, SLET etc.

Department of Microbiology: Microbiology department is involved in basic and interdisciplinary research activities in the areas of plant-microbe interactions, parasitology, probiotics, biofuels, antimicrobials and metagenomics. The department has well-equipped laboratory with essential instruments viz. biosafety cabinet, laminar airflow, autoclaves, compound light microscopes, CO2 incubator, BOD incubator, hot air oven, colony counter, digital weighing balance and anaerobic culture system.

Department of Zoology: The department is actively engaged in research on Entomology, Nematology and Non-insect pests of agricultural crops mainly focusing on the problems of local farmers of the region. The department has two well-equipped research laboratories with the latest research facilities, insect rearing cages, models and specimens. Faculty members have attracted considerable support through research projects from DST, HIMCOSTE and NABARD. One Ph.D.scholar (Ms. Simranjeet Kaur) from the Department was awarded DST INSPIRE fellowship. Department has also organized a virtual awareness programme on healthy lifestyle and cancer prevention in collaboration with a non-profitable organization, Sanjeevani - Life beyond Cancer. The department is also engaged in maintaining the apiary (Bee Keeping Unit) with 25 bee hives boxes of *Apis mellifera*.

Gurleen Kaur

I have completed my bachelor in Microbiology from Eternal University, Baru Sahib. Coming into Eternal University, I can say that this place is like my second home and "Department of Microbiology" is like my family. Here, relationship between student and teachers is just the same as our parents guiding us for what is good and what is not. University provides us many opportunities not only in studies but also in each and every field of life; it can be personality development to cultural activities. All the teachers are extremely knowledgeable, and they are always eager to help us in our times of need. This place has greatly added to my personality. I will always cherish the memories created at this place.

Gurleen Kaur

My three years in Eternal University were a complete package of emotions and values. Baru Sahib felt like home though I was away from my home. I enjoyed my every second there and never regretted my decision of taking admission in Eternal University. Professors here are very kind and they will make sure your every concept is crystal clear. The members of Baru Sahib have taken care of everything a student needs to live, from lavish food in Apple-a-day to necessities in ARY. Living in a place where there is almost zero pollution, greenery, beautiful views and lots of positivity is not less than experiencing heaven.

Sunny Choudhary

I have studied M.Sc. in Physics from the Eternal University. Eternal University implies 'a family of Educators' possessing immense power of spirituality along with modern education. Say it a coincidence or something else, I got admission accidentally in the Post-Graduation after failing to get confirmation from the PU, Chandigarh. Needless to say, I don't have any regrets about my decision because the facilities and infrastructure of the campus are just amazing. The fully secured and peaceful environment added one more star to Campus' main strength. i.e. its positive energy and exuberance. "APPLE A DAY" requires a special mention. It indeed is a fantastic place to relieve all the stress and enjoy food in the lap of Nature. The lab facilities and friendly nature of the Department of Physics have been an added advantage for enhancing our knowledge in the Basic Sciences. The teachers and mentors have been really supportive and guided me throughout along with helping me in improving my academic and interpersonal skills. Even after my degree, the faculty of Physics carved a way for me to get to my aim of IIT Kanpur with their immense support and guidance. Nowadays, It is also the first and one of India's best Northern Girls University offering education in different streams and disciplines. I feel very proud to witness the ranking improvement continuously in the era of academics and infrastructure.

Nitika Sharma

Currently I am pursuing my Masters in Nursing from AIIMS Bhopal. I feel proud to be a part of this prestigious institution. I completed my bachelor's from this institution but I feel that I am always being the part of this institution. This college has highly qualified faculty and they taught us in a way by keep in mind the level of students. They focused on both weak as well as average students. This institution taught us moral values that reflect in our behavior. They have very well planned curriculum. They focused on both curricular and extra-curricular activities. One thing I like most is the way of teaching and teacher Student relationship. Teachers are very supportive and kind. This institute is a very good platform for learning and carrier development. I thank each and every staff members and I feel proud to be a part of this institute.

TESTIMONIALS

Adeline Barbara Dvaz

I, Adeline Barbara Dvaz, a B.Ed. graduate (2019-2021) of Akal College of learning, take this prestigious moment reminiscing the days of being one among the fortunate students in this college which has an uncompromising infrastructure and a motive of providing quality education with global standards. The place as it is called; the valley of Divine peace is a place of learning, culture, fun, and many more life preaching engagements which enhance the real life skills in a person. The learning created and helped maintain a balance between the classroom environment and the real life scenarios making me an open minded and reflective learner. It was an absolutely unforgettable time that goes along with my heart. Knowledge is imparted with academic knowledge running parallel with learning experiences which helped achieve better as a teacher I have become today. The institution provides career opportunities in the same organization on graduating and teaching practice hours in Akal Academies and the IB school, supporting and assisting with needs in education. The support provided by all the staff members and mentors during the face to face classes and even during the pandemic made learning easier and comforting with their extra efforts and hours spent.

Ekta Chauhan

To Ekta Chauhan B. Ed batch 2019-2021, pursuing B. Ed. degree from Akal College of Education, Baru Sahib was a life-changing experience. A beautiful and a spiritual campus, lectures with interesting insights, focus on individual development so essential in today's time, all of these have truly been so fruitful to me that I cleared Central Teacher Eligibility Test (CTET) Paper-1, Centre Teacher Eligibility Test (CTET) Paper-2, Haryana Teacher Eligibility Test (HTET)-TGT, Haryana Teacher Eligibility Test (HTET)-PGT during my 4th Semester of B.Ed. Not only this I had got on campus placement as a teacher of Maths in Akal Academy, Baru Sahib. The faculties of the college are well trained and skilful. They guide every trainee in every aspect of her career building. I would definitely recommend every aspirant to join this prestigious College if you really wish to make your career in the field of education. I hope you take back a treasure of learning like me from Akal College of Education, Eternal University.

AKAL COLLEGE OF ECONOMICS, COMMERCE AND MANAGEMENT

INTRODUCTION

The college started with two departments in 2011 namely; Department of Economics and Department of Management; and in 2013, the department of Commerce was established. Business and commerce education offers good prospects for the promising students. The Mission of the college is to emerge as a Centre of Excellence which provides leadership in the field of Economics, Commerce and Management Education and Research. In view of the rapid changes in the global economy, the relevance of Economics, Commerce and Management Education has become more imperative. In order to produce smart and creative professionals, the college has realized the growing importance of providing more avenues by introducing new teaching-learning programmes and extending excellent opportunities for intellectual growth. Economic activities dominate the minds of modern people whereas business and commerce supplement the economic activities. Industries are said to be the backbone of the economy. These branches of education are of utmost importance in the context of globalization. Globalization has brought to the fore several issues pertaining to commerce and economics, raising the larger issues of national and international socio-economic relations. The Akal College of Economics, Commerce and Management (ACEC&M) with a single-minded focus on exposing the students to current, relevant and critical issues in the international economic system help them to be ready to face the challenges of the market after completion of their education in these programmes. ACEC&M impart in addition to education, training and other skills to the students that help them to utilize their professional training and expertise to contribute positively to the society at large.

Here, the students not only gain glory in academic pursuits but a continuous flow of seminars, workshops, industrial visits & training, on farm/field exercises and quality thesis & dissertation guidance. Technical sessions and guest lectures by the dignitaries also contribute to their development. The college has the following three departments:

- Department of Economics
- Department of Commerce
- Department of Business Management

INFRASTRUCTURE

The ambience at ACEC&M offers a unique and complete learning experience. All classrooms are spacious and well equipped to provide the most conducive and comfortable atmosphere that makes teaching more interesting and interactive for students. The furniture and equipment has been chosen with utmost care and every room is provided with required classroom resources for both at under-graduate and postgraduate level. The college is also having one ultra-modern seminar hall having all the modern facilities like projector, Wi-Fi and sound system to make this whole journey of teaching and learning more fun for our students. The faculty members own strong academic proficiency and sophisticated practical insights. They make every effort to help students gain valuable insights that shape their future to become a magnificent human resource.

TESTIMONIALS

Mannat Bawa

I am B.Com (Hons.), batch2018-2021, a pass out from Eternal University, Baru Sahib & currently perusing B.Ed from Himalayan Group of Professional Institutions, Kala Amb. It gives me great pleasure to say with pride that I have completed my Graduation in B.Com (Hons.) from Eternal University. The relationship between faculties & student is very cordial, which gave me an opportunity to excel in my area of interest. The 3 year here were splendid and has helped me to grow better professionally and personally. I would like to thanks Akal College of Economics Commerce & Management and all the faculties and other staff members for making me a "Better person".

Aparna Kanwar

It gives me great pleasure to say that I have completed my B.Com. (Hons.) from this university in June, 2021. One thing I like the most about this university is the beautiful atmosphere in the top of the mountains which is perfect for both mental peace as well as studies. It has a peaceful & secure environment for students along with best hostel facilities. The entire faculty & department leaves no stone unturned to shape one's future. I had the opportunity to meet with dynamic and distinguished faculties, who are enthusiastic, friendly, patient and highly qualified. With their guidance and constant mentoring I have been able to become a true professional. The university organizes various seminars and internships for the students that help us to gain practical knowledge of our field. The best thing about the university is the cross-cultural interaction between students from various parts of India. In this university I got an opportunity to build my overall personality as well as grow to become a better person. It was a pleasure to be a part of this Eternal University.

Kajal Choudhary

My experience throughout my journey earlier as a student of Akal Academy, Baru Sahib and later a student of bachelor's and master's degree in Economics from Eternal University, Baru Sahib has been the most outstanding as it has groomed me up with a lot of aptitude and technical skills. I feel blessed to have my education from this hub of knowledge. Professors over this place are very helpful and provide value based education. To have the education from this university is the best decision of my life which helped me to grow personally and professionally. It is really a pleasure for me to be a part of this university which is situated in a beautiful divine place around sprawling hills. This place is not only sharpened me in subjective knowledge but also taught me the basic ethics of life which are very important for success in every individual's life. So, I would like to suggest others to be a part of this university.

TESTIMONIALS

Jaspreet Kaur

She has completed her M.A. in Punjabi from Eternal University under AIRWE project. The student came from a middle class family of Sangrur, Punjab with her father working as a farmer and mother being a housewife. With agriculture offering little profits, her family was struggling with financial crises at a monthly income of Rs 6000 per month. Life before she took up admission at AIRWE was tough as their economic struggles were aggravated with the medical expenses of her little brother's heart condition. Under such circumstances, there was no focus on her education. At Baru Sahib, the student received a holistic education- with the right blend of modern and spiritual learning. She was able to recite the Sahaj Paath, learned teaching skills, attended online classes of UK and USA based teachers, and learned how to deal with small children in classes. She envisioned becoming a principal in the future, and started her new journey of education from AIRWE and prepared herself for the same. After completing her course and getting employment as a teacher at Akal Academy Baru Sahib, she is earning Rs 8000 per month and now plans to pursue further education from Canada. Her family also feels extremely proud of their daughter as she now has a more confident personality, has improved English skills and awareness about health and diet.

Sukhjeet Kaur

Sukhjeet Kaur has completed her B.A Humanities in 2021 and now pursuing her B.Ed. She has been leaving at Baru Sahib for the last seven years. Previously, her family condition was not so good and that was the big hurdle on his way to attain education. But she believes in God Who led her on the Divine Path. So, the day, she entered Baru Sahib, till date, her life has entirely been changed. She reached Baru Sahib after completing her secondary education and with the great grace of Sant Baba Iqbal Singh ji, she is now doing B.Ed. that has given her a chance to grow up with the spiritual Education.

CO-CURRICULAR ACTIVITIES

75th Independence Day

Independence Day is celebrated every year by hosting National Flag and giving guard of honor by the NCC Cadets & security guards. The ceremonies took place in the premises of Eternal University. Dr Davinder Singh Hon'ble Vice Chancellor, hoisted the national flag. The officers, senior faculty, students, guests and Sevadars of Kalgidhar Trust did participate in the ceremony. On this occasion Hon'ble Vice Chancellor made a speech and highlighted the sacrifices of all those brave persons who did not bother to sacrifice their life for sake of freedom.

World Food Day

The world Food Day is celebrated every year on October 16 by the Department of Food Technology of Eternal University. They conduct training programmes, seminars, workshops on the occasion of World Food Day to provide students the knowledge of Food Quality and implementation of various laws and regulations in food industry. They prepare certain food items and these get sold like hot cakes.

Republic Day

Every year on January 26, the Republic Day is being celebrated in the University by National Flag Hoisting. In 2022, the flag was hoisted by Dr. M.P Singh, Dean, Research in the presence of students, guests, sevadars of the Kalgidhar Trust and general public residing in the campus.

World Cancer Day

Cancer is the second-leading cause of death worldwide; every year more than 10 million people die from cancer. On February 04, World Cancer day, the Eternal University organizes webinars, seminars and lectures to

spread awareness about Cancer among faculty/staff members and students.

International Mother Language Day

International Mother Language Day is celebrated every year on February 21, globally to recognize and promote linguistic and cultural diversity and multilingualism. In Eternal University, we have students from different states, regions and communities of India. To promote the multilingual culture of the Country we celebrate the Internal Mother Language Day by organizing a cultural function in which students from different states participate and showcase their cultural heritage.

National Science Day

National Science Day is celebrated on 28th February to honor Nobel Laureate and great Indian Physicist Sir. C. V. Raman. Eternal University celebrates the National Science day by organizing various competitions on the theme Sciences like Debate, Declamation, Poster-Making, Extempore Competition etc. In the year 2020, the Department of Botany celebrated the 'National Science Day' on 28th February, 2020 with active participation of the faculty and students of all the constituent colleges of Eternal University. However, in 2021 it could not be materialized due to Corona pandemic.

International Women's Day

It is celebrated globally on March 08, every year. We being an exclusively girls' University, celebrate this day by honoring our female faculty/staff members and students. On the occasion of International Women's Day, a small get together is organized and students perform different skits, dramas and poems.

International Day of Happiness

Dr. Mark Williamson said about the International Day of Happiness that "This International Day of Happiness is more than just a fun celebration, it also reminds us that all that the world is a better place where we connect with and care about the people around us". The day is celebrated on 20th March by organizing various events such as fun games for students and faculty/staff members.

International Day of Forests

This International Day of Forests is celebrated globally on March 21 every year to create awareness for protection of forests. The Eternal University is situated in the divine valley of Baru Sahib; here we have beautiful forest and a very clean and green environment. To make the students understand the importance of forests, lectures on ecology and environment related issues are arranged from prominent personalities.

World Water Day

World Water day is celebrated across the globe on 22nd of March every year. It is basically celebrated to value potable water. Eternal University celebrates the World Water day by organizing events such as Poster Making Contest on different themes. In 2021, the theme of Poster Making Contest was "Save Water, and it will save you". Pro Vice Chancellor addressed the students to make them aware about the day's importance.

Kisan Mela

On the occasion of Baisakhi every year Dr Khem Singh Gill Akal College of Agriculture organizes a farmers Fest "Kisan Mela" for local farmers and provide them different updates regarding farming and high-quality breeding materials developed by the scientists. The local issues regarding their farming practices and crop diseases are also addressed by the concerned experts. The students showcase various activities on different stalls of food, games, crops and models. Progressive farmers are awarded on the occasion. The Kisan Melas could not be held in 2020 (first wave) and 2021 (second wave) due to Corona-19 pandemic.

(Kisan Mela 2022)

Tree Plantation Day

Every year the University celebrates the Tree Plantation Day on April 26, by planting trees in the nearby forest areas and botanical garden.

World No Tobacco Day

The World No Tobacco Day is celebrated every year on May 31. At Eternal University, the day is celebrated by the Akal College of Health and Allied Sciences by organizing rallies and Awareness camps in nearby villages or Zonal Hospital, Rajgarh. The Nursing Students take active part in such events.

Vigilance Awareness Week:

Vigilance Awareness Week (VAW) is being celebrated every year and coincides with the birthday of Sardar Vallabhbhai Patel, known to be a man of high integrity. Vigilance Awareness Week of 2021 was observed from 25.10.2021 to 31.10.2021 with the theme, "Satark Bharat, Samridh Bharat" (Vigilant India, Prosperous India).

Global Recycling Day:

Global Recycling Day is celebrated on March 18 every year. The Waste Management Complex of Eternal University has two sub divisions viz; Solid Waste Management and Bio- Medical Waste Management. There are various equipments like Hydraulic Press Machine (used to compress plastic bottles), Incinerator (for burning cotton, sanitary waste and other bio medical waste). Dichlorous and Hypochloride are used as disinfectant in solid waste in order to remove infection causing organism. The glass bottles, machinery parts, rubber waste are sold in the market.

Youth Day:

National Youth Day has been celebrated every year on January 12, to commemorate the birthday of Swami Vivekanand, a Hindu monk who became world-famous for his philosophy rooted in Indian spiritual tradition. Eternal University celebrates this day by organizing various activities and invites eminent speakers for delivering guest lectures. The students are motivated to become good citizens of India, develop innovative ideas and to be leader in the world.

World Consumer Rights Day:

The World Consumer Rights Day is celebrated globally every year on 15th of March. The Akal College of Economics, Commerce & Management organizes some events every year like Quiz, Debate, Declamation and Group Discussion on this occasion. This year (2022) the college organized some intra college contests like Poster Presentation, Group Discussion and extempore competition on the theme "Fair Digital Finance".

Introduction Programme for Fresher Students

Eternal University organized an induction programme for the Fresher students of the batch 2021-22. This programme was graced by all the newly admitted students. The guest on this occasion was Dr. A.S. Ahluwalia who addressed the students and made them aware about the rules and regulations of the University. All the Deans of different Colleges welcomed the students and the Faculty members had a warm interaction with the students after that the students were taken for campus visit in small groups of different colleges under the supervision of the teachers, after light refreshment.

SPIRITUAL ACTIVITIES

Baru Sahib, the land of meditation (Tapobhoomi), is the realization of vision of Sant Attar Singh Ji, Mastuane Wale, who, in the early twentieth century envisaged a place in the Himalayas from where young souls equipped with the amalgam of spiritual and modern scientific education will spread the message of universal brotherhood throughout the world. The cement and brick Gurdwara and Ashram building were constructed in year 1981-82. Today the Gurudwara BARU SAHIB is visited by devotees all across the globe for peace and spiritual rejuvenation.

Live telecast of Gurbani hymns is done through Facebook (PTC Simran) and YouTube (PTC Simran) on daily basis in morning Sukhmani Sahib, Nitnem&Assa Di Vaar and during evening the Rehraas Sahib from the main Gurduwara Hall).

Morning: 03:30 a.m. - 07:30 a.m.

Evening: 06:00 p.m. - 07:00 p.m.

Krishna Janmashtami, Maha Shivratri and Eid al-Fitre are being celebrated in the Gurudwara. All the students and faculty members enthusiastically participate in these celebrations. All these activities give a spirit of universal brotherhood to the individuals. The Muslim students do celebrate their festival of "Eid", practice "Rojas" and read "Namaz" in the interfaith rooms. These students do share their knowledge regarding the festival celebration through speeches, singing religious songs of their prophet.

TRAINING AND PLACEMENT CELL

The Training and Placement cell of Eternal University has been established with the objective of providing a platform for the corporate and institute interaction. The placement cell looks for opportunities of upcoming leaders of the corporate.

From the Director's Desk

We at the training and placement cell put all efforts to satisfy students and their parents' expectations for the future career goals. After graduation we encourage students to join corporate jobs or opt for higher studies in India and abroad. We organize webinars, guest lectures and seminars for appropriate selection of jobs and higher studies. We also have an entrepreneurship cell to guide and encourage aspiring students to go ahead with entrepreneurship. Majority of the students opt for corporate jobs so we work on two parameters:

To develop skilled & certified professionals through Personality Development Programmes as per the industry requirements. Our close associations with the industry partners help us conduct some quality placement drives for entry-level recruitments.

In a nutshell, the idea of T&P Cell is to prepare graduates while at college, not only to train them well on latest technologies or certifications but also have the ability to integrate the learning across the foundation areas to apply the learning into real time situations and also have professional skills to effectively compete in this competitive marketplace, through teamwork project management effective communication logical and innovative thinking.

Companies that visited our campus for placements

Eternal University Alumni Association:

The Eternal University has a strong Alumni Association. The alumni are regularly informed and are kept in touch with the university activities and latest developments. An Alumni meet is organized every year in the University before the convocation. The alumni participate during placement opportunities, project trainings and industrial collaborations. Many alumni have gone for higher studies to Canada, Australia and in European countries. Some of our Alumni joined Armed forces, Technology and management sector.

NATIONAL CADET CORPS AND NATIONAL SERVICE SCHEME

The NCC Unit of Eternal University with 100 cadets is affiliated to and working under the control of 1st HP Girls NCC Bn. Solan (HP). The motto of NCC is "Unity and Discipline". Our cadets have passed B- and C- Certificates which help them in getting credits for admission in post graduate studies, private, government and military service. In addition to their parade and camp schedules, the cadets often participate in the University functions during national days.

At the Eternal University, special efforts are made to develop students' personality through community services. NSS (National Service Scheme) at the Eternal University is a voluntary association being run by students themselves under the guidance of faculty members. It makes the students confident, develop leadership skills, and gain knowledge about different people from different walks of life. Students also learn other skills that help them lead a better life in various situations.

Various NSS camps are organized every year where the students undertake social and welfare activities like tree plantation and awareness programs on drug de-addiction, AIDS, Swine-flu, COVID-19 and campaigns for saving water and environment. The certification after 2 years of joining and attending camps makes the students eligible to get credit for admission and services.

SPORTS

Sports calendar is issued much advance and displayed at the main gate of university for the information of students and organizers. The Eternal University, Baru Sahib conducts various sports competitions such as inter class and inter college tournaments. Annual sports meet is organized in March every year where students do participate in various events. Medals and prizes are distributed to the winners. International yoga day is also organized by the students' welfare office. On this day rally is organized within the campus and yoga is performed in the playground under the instructions of yoga teacher.

INSTRUCTIONS/REGULATIONS REGARDING RAGGING

As per the Supreme Court judgment in Vishwa Jagriti Mission vs Central Government and Others (2001) 6 SCC 577, ragging is cognizable criminal offence and is strictly prohibited. If any incident of ragging comes to the notice of the College/University, the concerned student shall be given liberty to explain and if his explanation is not found satisfactory, the College/University will expel him from the relevant programme as well as the campus.

As per the Himachal Pradesh Educational Institutions (Prohibition of Ragging) Ordinance '2009' "Ragging" means any act, conduct or practice by which dominant power of senior students, former students or outsiders, is brought to bear on students freshly enrolled or students who are in any way considered junior by other students and includes individual or collective act or practices which involves physical or collective act or practices which:

- Violate the status, dignity and honor of such students; or
- Expose students to ridicule and contempt and affect their self-esteem; or
- Entail verbal abuse and aggression, indecent gestures and obscene behavior.

DISCIPLINARY ACTION

Ragging is a cognizable offence under the law and the punishments to be meted out have to be exemplary and justifiably harsh to act as a deterrent. It may include:

- Suspension from attending the classes
- Individual or collective fines
- Withholding/withdrawing scholarships, fellowship and other benefits
- Cancellation of admission, suspension, rustication or expulsion from the University/Hostel.
- Withholding results
- FIR with the police and arrest
- More severe punishment where justified such as fine/imprisonment etc.
- Collective punishment may be imposed where involved persons are not identified.

MERIT SCHOLARSHIP SCHEMES (For UG and PG students)

The University offers wide ranging merit scholarships at the time of admission as well as in the subsequent years as under:

Marks obtained in the Qualifying Exam	Tuition Fee Wavier during First Year
95% & above	75% of Tuition Fee
90% to < 95%	50% of Tuition Fee
80% to <90%	30% of Tuition Fee
70% to <80%	10% of Tuition Fee

The Tuition fee waiver rules for two real sisters:

i.	Till the period both the sisters studying in the University	: 50% tuition fee will be waived off to the first elder sister
ii.	Once the first sister passed out from the university	: 100% tuition fee will be paid by the second sister till the completion of the course.

In addition, donors do pay for additional financial help for the students as studentship for a year or course duration.

INTERCONVERSION OF OCPA AND AGGREGATE PERCENTAGE

The following formulae have been adopted by the University to determine the equivalence of each grade point from 1 to 10 under the semester system in terms of percentage of marks awarded under the traditional system.

For conversion of Overall Credit Point Average (OCPA) into percentage of marks:

$$Y = 10Z$$

Where Y = Percentage of marks in the traditional system

Z = Overall Credit Point Average (OCPA) in 10.00 point system of evaluation

For example:

If a student's OCPA is 8.12/10.00 then his/her percentage marks in traditional system will be

$$Y = 10Z$$

$$Y = 10 \times 8.12$$

$$81.2\%$$

Criteria for the award of First and Second Division

On the completion of the program, the student is awarded First or Second class degree as follows:

Programme	Pass marks	2nd Div. (OCPA)	1st Div. (OCPA)
Postgraduate	5.50 / 10.00	5.50 to 5.99	6.00 & above

RAGGING UNDERTAKING BY THE STUDENT AND THE GUARDIAN
With reference to HP Educational Institutions (Prohibition of Ragging)
Ordinance No. 1 of 2009

As per the Supreme Court judgment in VishwaJagriti Mission vs. Central Government and Others (2001) 6 SCC 577, ragging is a cognizable offence and is strictly prohibited. If any incident of ragging comes to the notice of the university, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the University will expel her/him from the relevant program as well as the campus.

As per the Himachal Pradesh Educational Institutions (Prohibition of Ragging) ordinance '2009, "Ragging" "means any act, conduct or practice by which dominant power of senior students, former students or outsiders, is brought to bear on students freshly enrolled or students who are in any way considered junior by other students and includes individual or collective acts or practices which-

1. involve physical or psychological assault or threat or use of force or wrongful confinement or restraint; or
2. violate the status, dignity and honour of such students; or
3. expose students to ridicule and contempt and affect their self-esteem; or
4. Entail verbal abuse and aggression, indecent gesture and obscene behavior.

Prohibition of Ragging

1. No person shall practice ragging in any form, within or outside the premises of an educational institution.
2. Any person who indulged in ragging, on conviction, be punished with imprisonment for a term which may extend to fifty thousand rupees or both.

Checking and reporting of incidents of Ragging

1. The University is bound to take immediate action on the occurrence of any incident of ragging. The concerned officer-in-charge will make a report to this effect to the Vice Chancellor at the earliest.
2. Every single incident of ragging where the victim or his/her parents or guardian or the Head of educational institutions is not satisfied with the institutional arrangement for action, a First Information Report (FIR) shall be filed without exception by the institutional authorities with the local police authorities.
3. Any failure on the part of institutional authority or negligence or deliberate delay in lodging the First Information Report with the local police shall be constructed to be an act of culpable negligence on the part of the institutional authority.
4. If any victim or his/her parents or guardian intends to file First Information Report directly with the police that shall not absolve the institutional authority from the requirement of filing the First Information Report.

5. Any person found negligent in taking action/ or shall, on conviction, be punished with imprisonment for a term which may extend to one year or a fine which may extend to ten thousand rupees, or with both.

Offences to be cognizable, non-bailable or compoundable

6. Every offence under this ordinance shall be cognizable, non bailable and compoundable with the permission of the court.
7. (i) Any student convicted of an offence under this ordinance shall be expelled from the educational institution.
(ii) Student expelled on account of ragging shall not be admitted in any other educational institution for a period of three years from the date of order of such expulsion.

Preliminary Enquiry/ Action

8. (i) Whenever any student or, as the case may be, the parents or guardian or a teacher of an educational institution or an officer-in-charge makes a complaint, in writing, of ragging to the head of the educational institution shall, without prejudice to the foregoing provisions, within twenty-four hours of the receipt of the complaint, enquire into it and, if, prima facie, it is found true, suspend the student found guilty.
(ii) Where, on enquiry by the head of educational institution, it is proved that prima facie there is no substance in the complaint received; he shall intimate the fact, in writing, to the complainant.

UNDERTAKING BY THE STUDENT AND GUARDIAN

I have read all the anti-ragging rules as given above in the application form for admission. I am fully aware of the anti-ragging policy of the state of Himachal Pradesh and that of the ruling given by the Honorable Supreme Court of India. I undertake to abide by these rules and regulations to the best of my knowledge and belief. I solemnly affirm that I will not commit any act of ragging on the campus and outside the university. If I fail to do so, on any account, the university may take appropriate action and award any punishment as contemplated above.
