Summary Table:

Citation Index	Total Number of publications	Total Number of Citations
SCOPUS	338	4386
Web of Science	250	3050

$$\begin{aligned}
 \text{Formula} &= \frac{\text{Total number of Citation in SCOPUS in five years} + \text{Total number of Citation in Web of Science in five years}}{\text{Total number of Publication in SCOPUS in five years} + \text{Total number of Publication in Web of Science in five years}} \\
 &= \frac{4386 + 3050}{338 + 250} \\
 &= \mathbf{12.64}
 \end{aligned}$$
