

**Prof. Jaswinder Singh**  
**Vice Chancellor**  
**Eternal University, Baru Sahib**

Professor Jaswinder Singh, the Vice Chancellor of Eternal University, Baru Sahib, Himachal Pradesh, has had a distinguished career in academia. His prior roles include Executive Dean at SGT University, Gurugram, Principal of Sri Guru Tegh Bahadur Khalsa College at the University of Delhi, and Director of the Guru Angad Dev Teaching Learning Centre. Prof. Singh has held numerous influential positions, such as Executive Director of the Centre for E-Learning and Principal Incharge of the National Resource Centre (Chemistry) at SGTB Khalsa College. He has significantly contributed to the development of academic curricula and policy as a member of various University Grants Commission (UGC) committees and advisory boards. Prof. Singh's work spans across teaching, research, and administration, with extensive experience in developing innovative academic programs, fostering international collaborations, and advancing e-learning initiatives. His scholarly contributions include multiple books, articles, and major research projects, particularly in the fields of economics, commerce, and digital education. Additionally, he has played a pivotal role in teacher training and development programs, training thousands of educators across India. His notable projects include the e-PG Pathshala and MOOCs under the National Mission on Education through ICT, aimed at creating high-quality, accessible e-content for higher education.
