HONOURING A VISIONARY LEGACY

Padma Shri

SANT BABA IQBAL SINGH JI

(1926 – 2022)

“Dedicated to 100 years of life and legacy of Padma Shri Sant Baba Iqbal Singh Ji, whose vision and eternal blessings helped establish this university as the 1st Women University in Himachal Pradesh for academic learning with values, research, and holistic development, empowering women for a bright and purposeful future.”

Sant Maharaj Attar Singh Ji

(1866–1927)

SAINT | SCHOLAR | VISIONARY EDUCATIONIST

“Education with spiritual grounding leads to true progress and universal brotherhood.”

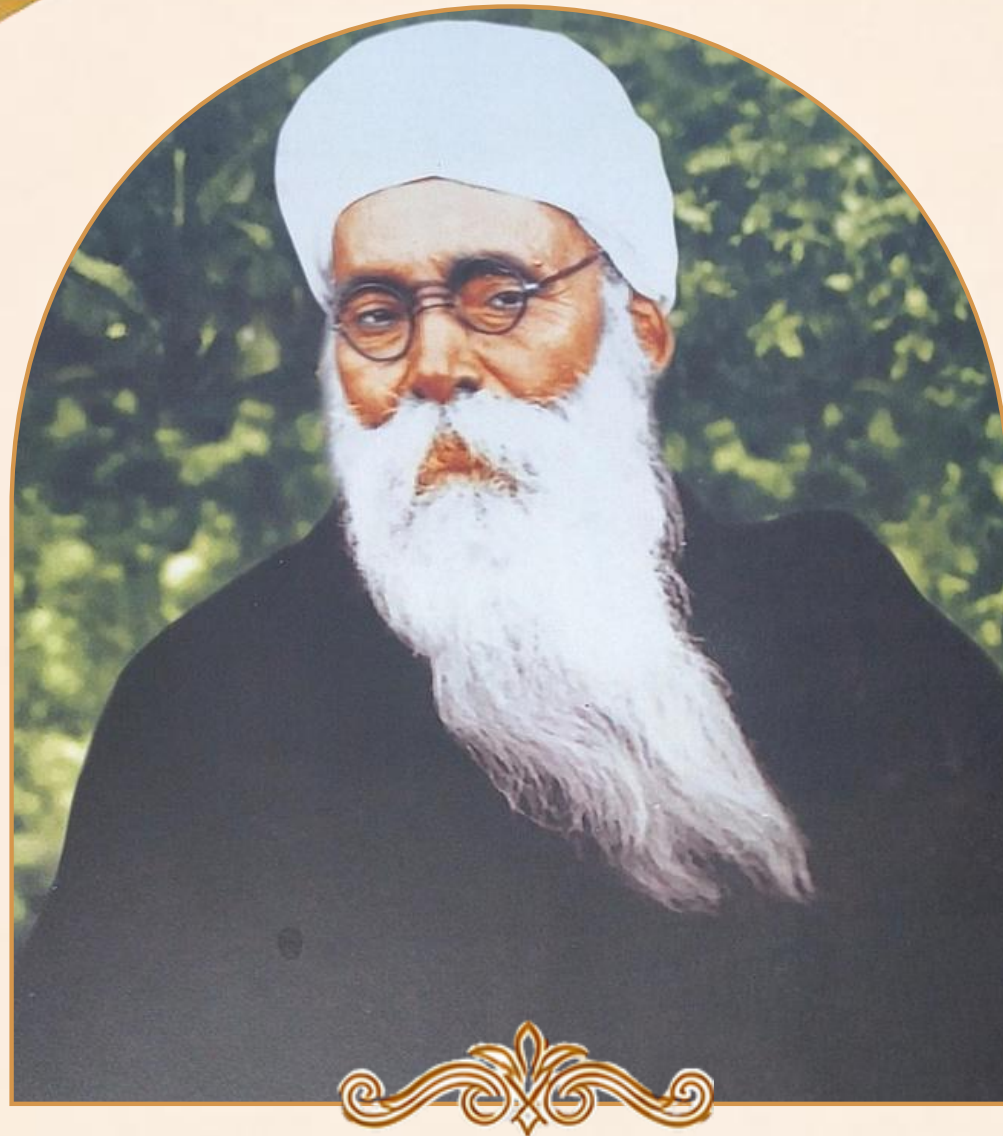

A revered Sikh saint, scholar and visionary educationist, Sant Baba Attar Singh Ji shaped the religious and social landscape of early twentieth-century Punjab — and planted the seed from which Eternal University would one day grow.

Born in the village of Cheema, he began his working life in the British Indian Army before turning fully to a life of spiritual devotion, meditation (Simran), and the propagation of Sikh tenets through Amrit Prachar.

Convinced that true progress demanded both spiritual grounding and modern intellect, he became a pioneer of holistic education — championing women’s literacy at a time when few did, and establishing the foundational institutions at Gurdwara Gur Sagar, Mastuana Sahib, to blend scientific learning with moral values.

His spiritual authority and message of universal brotherhood crossed every religious boundary, earning him deep respect across India’s diverse communities. In 1914, Pandit Madan Mohan Malaviya invited him to lay the foundation stone of the prestigious Banaras Hindu University (BHU) — a measure of his pan-Indian stature.

By the time of his passing in 1927, Sant Ji had inspired over one million people to embrace lives of moral character and spiritual discipline — a legacy of educational enlightenment and selfless service that continues to guide generations, including the University that carries his vision forward today.

Sant Teja Singh Ji Maharaj (1877-1965)

SCHOLAR || EDUCATOR || SPIRITUAL LEADER || VISIONARY

“ Education rooted in spiritual values
builds character, compassion, and competence —
the true foundation of a just and harmonious society.

An eminent Sikh scholar, visionary educator and spiritual leader, Sant Teja Singh Ji devoted his life to fusing modern scientific education with deep spiritual values.

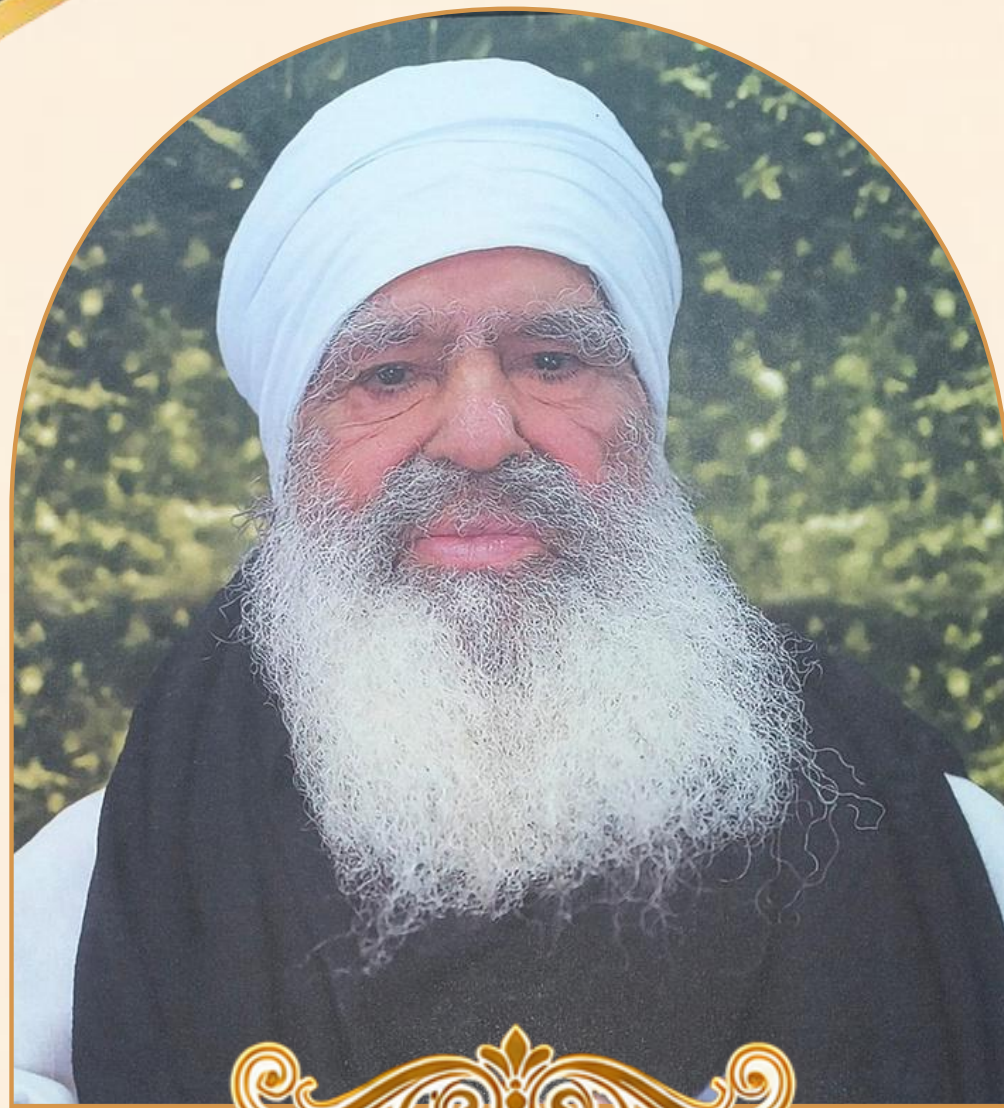

Blessed by Sant Attar Singh Ji Mastuana, he became one of the earliest ambassadors of Sikhism to the Western world in the early twentieth century. Remarkably well-educated for his era, he earned degrees from Punjab University before travelling abroad to study at the University of Cambridge and Harvard University, where he completed his Master's degree.

Across Europe, Canada and the United States, he championed the rights of Indian immigrants, helped establish some of the earliest Sikh institutions abroad, and lectured widely to bridge cultures and carry forward Guru Nanak Dev Ji's message of universal brotherhood.

On his return to India, he turned his energies toward building sustainable, spiritually grounded models of education. His most enduring legacy is Baru Sahib — the Valley of Divine Peace — nestled in the remote hills of Himachal Pradesh, a sanctuary he envisioned as a premier center where children could excel in modern science while remaining anchored in moral values.

Under his spiritual successors, that vision grew into the Kalgidhar Trust, which today runs a vast network of academies, universities and healthcare institutions across Northern India — a blueprint for social reform that continues to inspire millions globally.

Through his lifelong commitment to uplifting humanity, Sant Teja Singh Ji left behind a profound blueprint for social reform that continues to inspire millions globally.

Padma Shri
Sant Baba Iqbal Singh Ji
(1926–2022)

Founder | Visionary | Educationist | Philanthropist

“ Education with values is the true path to building a just, compassionate, and empowered society. ”

◆ —◆
Sant Baba Iqbal Singh Ji was an eminent Sikh socio-spiritual leader, educatorist and philanthropist who devoted his life to uplifting rural communities through modern, value-based education.

◆ —◆

After a distinguished career as Director of Agriculture for the Government of Himachal Pradesh, he chose a path of lifelong selfless service under the spiritual guidance of Sant Attar Singh Ji and Sant Teja Singh Ji. He founded **The Kalgidhar Trust** at Baru Sahib, Himachal Pradesh — an institution that grew from a single room into a network of **over 120 Akal Academies** and **multiple institutions of higher education**, bringing affordable, quality schooling to underprivileged children across rural North India.

◆ —◆

Believing that true empowerment comes from holistic development, he was a fierce advocate for **women's education** and **youth drug de-addiction**, establishing dedicated centers to rehabilitate affected individuals and guide them toward constructive futures. His leadership fused scientific learning with deep moral and spiritual values, earning him global respect as an architect of social reform.

◆ —◆

In recognition of his monumental contribution to education and social work, the Government of India posthumously conferred on him the **Padma Shri** — the nation's fourth highest civilian award — in 2022.

PADMA BHUSHAN

DR. KHEM SINGH GILL

(1930 – 2019)

Scientist | Geneticist | Architect of Green Revolution |
Visionary

“

*A Legacy of Science, Service, and Spirituality: Dedicating
life to crop breeding and rural empowerment.*

”

❖ A LIFETIME OF ACADEMIC & SPIRITUAL EXCELLENCE ❖

Dr. Khem Singh Gill was an internationally acclaimed agricultural scientist, geneticist, plant breeder, and academic administrator whose pioneering contributions helped transform India from a food-deficient nation into a self-reliant agricultural power. Born in Kaleke village (Moga, Punjab), he earned his Ph.D. in Plant Genetics from the **University of California, Riverside**.

During his illustrious career at **PAU, Ludhiana**—serving as Head of Plant Breeding, Dean, Director of Research, and Vice-Chancellor (1990–1993)—he led the Wheat Improvement Programme and bred or guided over **30 high-yielding cultivars**, including 17 landmark wheat varieties along with pearl millet, linseed, sesame, and barley.

Reflecting the ideal of a true “**Saint-Scientist**,” he believed science must serve humanity with humility and compassion. Working closely with **Sant Baba Iqbal Singh Ji** under the vision of Sant Teja Singh Ji Maharaj, he served as Vice-President of **The Kalgidhar Trust**, shaping 129 Akal Academies and co-founding **Eternal University, Baru Sahib**.

Dr. Khem Singh Gill Akal College of Agriculture (DKSGACA):

- ✓ **Academic Excellence:** ICAR-accredited B.Sc. (Hons.) Agriculture & B.Tech Food Tech.
- ✓ **Sustainable Farming:** Biofortification, organic farming & resource conservation.
- ✓ **Rural Outreach:** Community programs like Mera Gaon Mera Gaurav & Kisan Melas.
- ✓ **Women Empowerment:** Preparing rural women as agrarian scientists & green entrepreneurs.

Major Honors: Conferred with the prestigious **Padma Bhushan (1992)**, Rafi Ahmed Kidwai Prize, ICAR Team Research Award, and elected Fellow of INSA & TWAS.

FROM CHANCELLOR'S DESK

→ CHANCELLOR →

DR. DAVINDER SINGH JI

MBBS, MD

Eternal University, Baru Sahib is the living embodiment of a vision Sant Attar Singh Ji held nearly a hundred years ago — a seat of higher learning built to nurture outstanding human beings who would carry a message of love and spiritual brotherhood, not just across this country, but to the entire world.

‘Sanskar Nirman’ — the building of character — is the mantra our founding fathers chose as the very foundation of this institution. Our women’s university is set within the captivating Baru Valley, amid deep woods and fresh water springs, in an ambience made for spiritual rejuvenation.

Our campus draws a beautiful diversity of students from every part of the country, giving young women the freedom to express themselves without inhibition and grow into extraordinary human beings — with nerves of steel, and, in equal measure unlimited patience, forbearance, tolerance and love for all humanity.

With deep prayers,

Dr. Davinder Singh

FROM VICE CHANCELLOR'S DESK

VICE CHANCELLOR

DR. NEELAM KAUR

MBBS, MS

*Learning together,
leading together*

It is my pleasure to welcome you to Eternal University. As Vice Chancellor, I am honoured to lead a vibrant academic community dedicated to excellence in education, research and service.

Eternal University was established under Himachal Pradesh Act No. 3 of 2009 to deliver value-based higher education that furthers rural development, women's empowerment, and universal brotherhood for eternal world peace — a vision set forth by Sant Baba Attar Singh Ji and Sant Baba Teja Singh Ji, and carried into action by Padma Sri Shiromani Panth Rattan and Himachal Gaurav Sant Baba Iqbal Singh Ji, under the aegis of the Kalgidhar Trust.

Today, the University offers nearly 75 academic programs, from undergraduate to Ph.D. level, spanning Basic Sciences, Agriculture, Food Technology, Biotechnology, Engineering and Technology, Economics, Commerce and Management, Education, Literature, Psychology, Nursing and Public Health, Horticulture, and Divine Music — delivered across seven constituent colleges.

Our highly trained faculty is committed to giving every student a transformative learning experience that prepares her to thrive in a fast-changing world. A comprehensive Outcome-Based Education curriculum, aligned with the National Education Policy (NEP 2020), combined with state-of-the-art infrastructure, has created an environment where innovation flourishes, ideas are exchanged, and dreams take shape.

Reserved exclusively for women, the University offers a safe, peaceful and pollution-free environment for academic and spiritual growth — a modern gurukul designed for the all-round development of every student.

Humbly in service,

Dr. Neelam Kaur

Dr. T S BANIPAL

Ph.D., M.Sc. CHEMISTRY

Education is a holistic journey of self-discovery, resilience and personal growth. Beyond academics, our campus offers a collaborative ecosystem where diverse perspectives are celebrated, bold ideas are tested, and lifelong connections are forged.

We are committed to providing the institutional support, career guidance and academic resources you need to turn your aspirations into impactful achievements — nurturing intellectual curiosity, critical thinking and innovation through cutting-edge curricula and outstanding faculty guidance.

As you begin this exciting chapter, I invite you to explore our academic programs, connect with our faculty, and envision the impact you will make. We are delighted you are considering joining our vibrant learning community, and we look forward to supporting your academic excellence and personal growth every step of the way — welcome aboard.

FROM REGISTRAR'S DESK

Dr. SURJAN SINGH

Ph.D., M.Phil., M.Sc. MATHEMATICS

Education is a tool that focuses on character building, propagation of moral values, and nurturing an environment of ethical growth. The spiritual aspect helps students to grow beyond material pursuits, fostering inner peace and global consciousness. A study finds that spirituality in education can increase and stimulate awareness, foster creativity and imagination, connect someone with purpose & meaning and facilitate relations with God. Therefore, a blend of moral and spiritual education paves the way for holistic development. Students become better individuals, equipped with virtues of respect, tolerance, and understanding. They develop emotional resilience and a sense of unity that extends beyond the confines of classrooms.

It is with this mission of His Excellence & Holly Sant Baba Iqbal Singh Ji, the former & founder Chancellor; the Eternal University is currently imparting education in 22 Under Graduate, 30 Post Graduate (master degree), 23 Ph. D programmes and 3 in certificate courses such as mental health & substance abuse, Geriatric care assistant, etc. The students across states of India and from abroad are preferring this University for their holistic development and spread the message of peace in the place of their future service.

With best wishes

Dr. Surjan Singh

Why Choose Eternal University?

An Institute that Empowers, Inspires and Transforms

At Eternal University, education is more than a degree — it is a journey of discovery, values and purpose. We empower young women to excel, lead and create a better tomorrow.

Exclusive Women's University in Himachal Pradesh

A safe, inclusive residential campus dedicated entirely to educating and empowering women.

A Modern Gurukul Experience

Modern education blended with timeless spiritual values, for growth that's intellectual, emotional and spiritual.

A Lifelong Thirst for Knowledge

An environment built to spark curiosity, where questions are welcomed and learning never stops.

Multidisciplinary Academic Excellence

Wide-ranging UG, PG, Ph.D. and certificate programs across diverse disciplines, aligned with NEP 2020.

Recognized and Accredited

UGC / NCTE / INC / AAC / ICAR — quality assured by leading statutory bodies.

Research, Innovation & Experiential Learning

Modern labs, research centers, internships, field learning and industry-driven opportunities.

Highly Qualified Faculty & Mentorship

Experienced mentors genuinely invested in every student's growth.

State-of-the-Art Campus

Modern infrastructure set amid the serene Himalayan landscape.

Career-Focused Education

Industry exposure, skill development, placements and entrepreneurship support built for outshining careers.

Scholarships & Financial Support

Merit-based scholarships, fellowships and financial assistance for deserving students.

A Legacy of Values and Service

Carrying forward the Kalgidhar Trust's legacy of empowering society through education, and a deep-rooted desire to serve the communities students live and work in.

YOUR FUTURE BEGINS HERE

- ✓ Learn with Excellence
- ✓ Grow with Confidence
- ✓ Lead with Integrity
- ✓ Create with Purpose

Empowering Women.
Building a Better World.

Dr. Khem Singh Gill Akal College of Agriculture

*Nurturing Future Leaders in Agriculture,
Food Technology and Sustainable Development*

Named in honour of the legendary agricultural scientist **Dr. Khem Singh Gill**, the College is one of North India's premier centers for agricultural education — and the first private institution in Himachal Pradesh to offer agricultural education exclusively for women.

Learning here blends classroom instruction with laboratory experimentation, field-based education and hands-on research. Students gain real experience through research farms, protected cultivation, dairy management, mushroom production, beekeeping, horticultural orchards and modern food-processing laboratories — tackling contemporary challenges like climate-resilient agriculture, precision farming, food processing, biotechnology, nutrition and sustainable resource management through practical, industry-connected learning.

The College's research spans bio-fortified crops, protected cultivation, food science, molecular biology, plant breeding and biotechnology, and its B.Sc. (Hons.) Agriculture programme is ICAR-accredited.

ACADEMIC PROGRAMMES

- ◆ B.Sc. (Hons.) Agriculture
- ◆ B.Tech. Food Technology
- ◆ M.Sc. Programmes in Agriculture, Horticulture, Food Science & Technology, Biotechnology, Agronomy, Plant Breeding, Plant Pathology, Entomology, Agricultural Economics, Agricultural Extension and Soil Science.
- ◆ Ph.D. Programmes across multiple agricultural disciplines

HIGHLIGHTS

- ◆ ICAR-accredited Agriculture programme
- ◆ Four dedicated research stations
- ◆ Advanced food technology laboratories
- ◆ Protected cultivation facilities
- ◆ Dairy, apiary and mushroom production units
- ◆ READY & Farmer Outreach Programmes
- ◆ Industry exposure and farmer interaction programmes
- ◆ **Strong focus on research, innovation and entrepreneurship**
- ◆ **Genetics Breedings**

CAREER PATHWAYS

Graduates pursue successful careers as Agricultural Scientists, Food Technologists, Plant Breeders, Biotechnology Researchers, Quality Assurance Professionals, Agribusiness Managers, Agricultural Officers, Extension Officers, Entrepreneurs and Academicians. Many also continue higher studies and research in premier national and international institutions.

ARTS & SOCIAL SCIENCES

— ✦ *Shaping Creative Thinkers, Compassionate Professionals and Future Leaders* —

PSYCHOLOGY

Strong focus on mental health, counselling, behavioural sciences and psychological research. Hands-on training, assessments, research methodology and field exposure to address contemporary challenges in mental health, education and well-being.

MUSIC

Preserving India's rich musical heritage with training in vocal and instrumental music, including rare traditional instruments. Opportunities to perform at national and international platforms, blending artistic excellence with spiritual enrichment.

PUNJABI & ENGLISH COMMUNICATION

Cultivating language proficiency through literature appreciation, research capabilities and communication skills for careers in academia, media, publishing, civil services and creative industries.

LIBERAL ARTS & EDUCATION

Multidisciplinary learning under NEP 2020, encouraging exploration of diverse disciplines. Developing broad perspectives, critical thinking, creativity and leadership through experiential and value-based education.

HIGHLIGHTS

- ✓ Multidisciplinary Liberal Arts education
- ✓ Strong focus on Psychology and Mental Health
- ✓ Professional training in Counselling and Behavioural Sciences
- ✓ Indian Classical and Divine Music education
- ✓ Language, Literature and Communication studies
- ✓ Cultural festivals, literary forums and research activities
- ✓ Experiential learning and community engagement

CAREER PATHWAYS

Graduates pursue rewarding careers as Psychologists, Counsellors, Mental Health Professionals, Educators, Researchers, Writers, Editors, Translators, Performing Artists, Communication Specialists, Civil Servants, Human Resource Professionals, Social Development Practitioners and Academicians, while many continue advanced research and higher education.

AKAL COLLEGE OF ECONOMICS, COMMERCE & MANAGEMENT

Developing Ethical Business Leaders for a Global Economy

The Akal College of Economics, Commerce & Management (ACECM) prepares students to lead organizations with integrity, innovation and strategic thinking, combining strong academic foundations with real business exposure across Economics, Commerce, Business Administration, Finance, Marketing, Human Resource Management, Digital Business and Entrepreneurship.

Students engage in case studies, business simulations, market research, industrial visits, internships and live projects, keeping classroom learning closely aligned with professional practice.

The curriculum integrates digital transformation, financial technology, sustainable business practices and analytics, and supports students in turning entrepreneurial ideas into real ventures.

ACADEMIC PROGRAMMES

✓ BACHELOR'S PROGRAMMES

Bachelor of Commerce (HwR) | Bachelor of Business Administration (HwR)

✓ MASTER'S PROGRAMMES

Master of Economics | Master of Commerce
Master of Business Administration in Business Analytics

✓ PH.D. PROGRAMMES

Ph.D. in Management | Ph.D. in Economics | Ph.D. in Commerce

★ HIGHLIGHTS

- ✓ Industry-oriented business education
- ✓ Entrepreneurship and start-up development
- ✓ Finance, Banking and Investment studies
- ✓ Digital Business and E-commerce exposure
- ✓ Industry internships and corporate interactions
- ✓ Business research and case-based learning
- ✓ Leadership and managerial skill development
- ✓ Recognised curriculum with practical exposure
- ✓ Strong focus on ethics and sustainability
- ✓ Career counselling and mentoring support
- ✓ Modern infrastructure and resources
- ✓ Placement readiness and soft skills training
- ✓ Holistic personality development

👜 CAREER PATHWAYS

Graduates find opportunities as Business Managers, Financial Analysts, Accountants, Bankers, Entrepreneurs, Marketing Professionals, Human Resource Managers, Economic Analysts, Business Consultants, Corporate Executives, Policy Researchers and Civil Services aspirants.

AKAL COLLEGE OF BASIC SCIENCES

Advancing Scientific Discovery through Research and Innovation

The Akal College of Basic Sciences (ACBS) is the scientific foundation of Eternal University, building scientific temper, analytical thinking and research capability across Physics, Chemistry & Biochemistry, Mathematics, Microbiology, Botany and Zoology. State-of-the-art laboratories and highly qualified faculty give students extensive hands-on training in research addressing healthcare, agriculture, environmental sustainability, biotechnology, renewable energy and materials science.

Interdisciplinary research spans Nanoscience, Biotechnology, Microbial Sciences, Medicinal Plants, Renewable Energy, Environmental Sciences and Advanced Materials, with students encouraged to publish, present, intern and collaborate with leading scientific institutions.

The College promotes a culture of inquiry and innovation through seminars, workshops, research projects and conferences, empowering students to contribute to global scientific advancement and technological innovation.

Through rigorous academics, modern infrastructure and ethical scientific training, the College nurtures future-ready graduates prepared for impactful careers in academia, industry and research organisations worldwide.

ACADEMIC PROGRAMMES

✓ BACHELOR'S PROGRAMMES

Life Sciences | Physical Sciences | Microbiology

✓ MASTER'S PROGRAMMES

Mathematics | Physics | Chemistry | Botany | Zoology | Microbiology

✓ PH.D. PROGRAMMES

Chemistry | Physics | Botany | Zoology | Mathematics | Microbiology

HIGHLIGHTS

- ✓ Advanced teaching and research laboratories
- ✓ Strong emphasis on interdisciplinary scientific research
- ✓ Research opportunities from undergraduate level onwards
- ✓ Modern instrumentation and analytical facilities
- ✓ Collaborative research, innovation and externally funded research projects
- ✓ Scientific seminars, workshops and conferences

CAREER PATHWAYS

Graduates build successful careers as Scientists, Researchers, Laboratory Specialists, Biotechnologists, Microbiologists, Data Analysts, Environmental Scientists, Quality Assurance Professionals, Pharmaceutical Scientists, Educators and Research Scholars, with many pursuing doctoral and postdoctoral research in India and abroad.

AKAL COLLEGE OF ENGINEERING & TECHNOLOGY

Engineering Solutions for a Smarter Tomorrow

The Akal College of Engineering & Technology empowers students to become innovative engineers capable of solving complex technological challenges through creativity, research and practical application, combining strong engineering fundamentals with emerging technologies.

Project-based learning is supported by modern laboratories, computing facilities and industry engagement, with a curriculum spanning Artificial Intelligence, Data Analytics, Automation, Digital Technologies and Sustainable Engineering.

Innovation drives the College's philosophy — students take part in technical competitions, industrial training, research projects, hackathons and entrepreneurship initiatives that build creativity and technological leadership.

ACADEMIC PROGRAMMES

✓ BACHELOR'S PROGRAMMES

B.Tech CSE | Bachelor in Computer Applications (Hons. with Research) | Bachelor in Computer Applications (Hons. with Research) with specialization in AI-ML

✓ MASTER'S PROGRAMMES

Master in Technology (CSE)

✓ PH.D. PROGRAMMES

Ph.D. in CSE

★ HIGHLIGHTS

- ✓ Modern engineering laboratories
- ✓ Artificial Intelligence and emerging technologies
- ✓ Industry projects and internships
- ✓ Innovation and entrepreneurship ecosystem
- ✓ Project-based experiential learning
- ✓ Technology-driven research
- ✓ Industry-oriented curriculum
- ✓ Strong focus on ethics and sustainability
- ✓ Career counselling and mentoring support
- ✓ Modern infrastructure and resources
- ✓ Placement readiness and soft skills training
- ✓ Holistic personality development

AKAL COLLEGE OF

HEALTH & ALLIED SCIENCES

Advancing Healthcare through Knowledge, Compassion and Service

The Akal College of Health & Allied Sciences prepares healthcare professionals who combine clinical competence with compassion, ethics and community service. Through Programmes in Nursing and Public Health, students gain extensive clinical training across hospitals, healthcare institutions and community outreach, alongside strong theoretical foundations in evidence-based practice, patient-centered care, health promotion and healthcare leadership.

With a growing focus on preventive healthcare and community well-being, students take part in health awareness campaigns, rural healthcare initiatives and multidisciplinary healthcare teams — preparing tomorrow's leaders in healthcare delivery.

ACADEMIC PROGRAMMES

- ✓ **Bachelor of Nursing (B.Sc. Nursing)**
- ✓ **Post Basic B.Sc. Nursing**
- ✓ **Master of Nursing (M.Sc. Nursing)**
- ✓ **Master of Public Health (MPH)**
- ✓ **Ph.D. in Nursing**

HIGHLIGHTS

- ✓ Experienced and qualified faculty
- ✓ Well-equipped labs and skill simulation centres
- ✓ Clinical training in reputed hospitals
- ✓ Community health outreach and rural exposure
- ✓ Evidence-based and learner-centred curriculum
- ✓ Research and innovation encouraged
- ✓ Focus on ethics, leadership and holistic development
- ✓ Strong industry and institutional collaborations

CAREER PATHWAYS

Graduates pursue successful careers as Registered Nurses, Nurse Educators, Public Health Specialists, Hospital Administrators, Community Health Officers, Healthcare Managers, Clinical Researchers, Health Programme Coordinators and Healthcare Consultants, contributing to improved health outcomes at local, national and global levels.

COMPASSIONATE CARE
Putting patients and communities first

CAMPUS LIFE

Learn. Live. Lead.

At Eternal University, campus life nurtures personal growth, meaningful experiences and a strong sense of community in a safe, peaceful and inspiring residential environment amidst the pristine Himalayan foothills of Baru Sahib, Himachal Pradesh.

A SAFE & SECURE RESIDENTIAL CAMPUS

Exclusive women's university with 24x7 security, CCTV surveillance, spacious hostels, nutritious meals and a nurturing environment for complete peace of mind.

MODERN ACADEMIC INFRASTRUCTURE

Smart classrooms, well-equipped labs, libraries, digital resources and advanced facilities that enable practical learning, innovation and industry readiness.

LIBRARY & KNOWLEDGE CENTRE

Extensive collection of books, journals and digital databases with comfortable study spaces supporting academic exploration and intellectual growth.

SPORTS, FITNESS & RECREATION

Indoor & outdoor sports, fitness activities and regular sports meets promote teamwork, discipline and a healthy, active lifestyle.

A HOLISTIC CAMPUS EXPERIENCE

CULTURAL & CREATIVE EXPRESSION

- Cultural festivals
- Music, dance & theatre
- Literary events & debates
- Creative writing competitions
- Celebration of diverse heritage

LEADERSHIP & STUDENT DEVELOPMENT

- Student clubs & societies
- Seminars & workshops
- Outreach programmes
- Innovation & entrepreneurship
- Social responsibility initiatives
- Work study programme

SPIRITUAL & VALUE-BASED LIVING

- Modern Gurukul environment
- Spiritual gatherings & meditation
- Devotional music
- Value-based education
- Ethics & mindfulness

HEALTH & WELL-BEING

- Health centre support
- Counselling & guidance
- Fitness & wellness activities
- Preventive care initiatives
- A balanced & fulfilling campus life

CELEBRATING DIVERSITY

- Students from across India
- Multicultural environment
- Mutual respect & collaboration
- Lifelong friendships
- Inclusive campus community

LIFE BEYOND THE CLASSROOM

Educational tours & industrial visits

Research projects & fieldwork

Internships & training

Sports, arts & cultural participation

A CAMPUS THAT BECOMES YOUR SECOND HOME

At Eternal University, knowledge meets values, friendships become lifelong bonds, and every experience shapes character and compassion. In the serene surroundings of Baru Sahib, students graduate with the confidence to lead meaningful lives and make a positive impact on society.

SCHOLARSHIPS & FINANCIAL SUPPORT

Investing in Talent. Rewarding Excellence. Enabling Dreams.

At Eternal University, financial limitations should never stand between a student and quality education. Our scholarships and financial assistance Programmes empower deserving students to achieve their dreams.

MERIT-BASED SCHOLARSHIPS

Rewarding academic excellence with tuition fee waivers.

MERITORIOUS SCHOLARSHIP (EWS) (as per govt. guidelines)

HIGHER EDUCATION & RESEARCH

Strong academic foundation and research opportunities enable students to pursue advanced studies in India and abroad and compete for national fellowships.

JOIN THE ETERNAL FAMILY

At Eternal University, admissions mark the beginning of a transformative educational journey rooted in academic excellence, innovation, values and holistic development.

Whether your passion lies in agriculture, engineering, healthcare, management, education, sciences, humanities or social sciences, we provide an environment where you'll develop the knowledge, skills and values needed to excel in an ever-evolving global landscape.

From your first enquiry to your first day on campus, our dedicated Admission Team is committed to making your transition smooth, transparent and welcoming — take the first step towards a future of knowledge, leadership and purpose.

Take the first step towards a future of knowledge, leadership and purpose—begin your journey with Eternal University today.

PROGRAMME STRUCTURE

Programmes are offered through the University's seven constituent colleges:

- Dr. Khem Singh Gill Akal College of Agriculture
- Akal College of Arts & Social Sciences
- Akal College of Basic Sciences
- Akal College of Economics, Commerce & Management
- Akal College of Education
- Akal College of Engineering & Technology
- Akal College of Health & Allied Sciences

ADMISSION ELIGIBILITY

Admission to various programmes is based on the prescribed eligibility criteria approved by the University and the relevant statutory authorities. Certain programmes may also require candidates to qualify in the University's entrance examination or fulfil additional regulatory requirements.

TUITION FEES

Programme-wise tuition fees are clearly indicated in the following tables. Fee structures are subject to approval by the competent authorities and may be modified as per Government regulations and University policies. Hostel accommodation, examination fees and other applicable charges are payable separately.

SCHOLARSHIPS AVAILABLE

Students enrolled in eligible programmes may benefit from a wide range of merit scholarships, Government scholarships and financial assistance schemes offered by the University and various funding agencies, subject to the prescribed eligibility criteria.

PROGRAMME DETAILS

Diverse Programmes. Endless Opportunities.

Eternal University offers a comprehensive portfolio of undergraduate, postgraduate, doctoral and certificate Programmes across diverse disciplines, empowering students to pursue academic excellence and professional success.

Designed in line with the National Education Policy (NEP) 2020 and the requirements of statutory regulatory bodies, our Programmes combine strong theoretical foundations with experiential learning, research, innovation and industry exposure.

EU CLUBS – BRIEF DESCRIPTION

Eternal University Clubs for Global Impact (EUGI) is a consortium of student clubs and organizations aligned with the United Nations Sustainable Development Goals (SDGs). These clubs have been formed to bridge the gap between classroom theory and real-world practice through hands-on learning, experiential activities, innovation, leadership, and community engagement.

EUGI provides a platform for faculty and students to channel their passion, skills, and creativity into meaningful projects that contribute to sustainable development and positive social change. Through active participation, students develop teamwork, leadership, problem-solving, communication, and professional skills while making a meaningful contribution to society and the environment.

Small Actions
Big Impact

1 Green Energy and Sustainability Club

Promotes renewable energy, energy conservation, sustainable practices, and awareness of climate change through student-led initiatives.

CLEAN ENERGY | GREENER TOMORROW

2 EU Music Club

Nurtures musical talent, creativity, and confidence through music performances, workshops, and cultural celebrations.

MUSIC CONNECTS HEARTS

3 EU Sports Club

Encourages physical fitness, teamwork, discipline, sportsmanship, and healthy lifestyles through sports and recreational activities.

PLAY | STAY FIT | BE THE BEST

4 Cultural Exchange Club

Promotes cultural diversity, mutual respect, and global understanding through cultural exchange programs, festivals, and interactive activities.

DIVERSITY UNITES US

5 Green Innovation Club

Encourages innovative ideas, sustainable technologies, and creative solutions to environmental and societal challenges.

IDEAS TODAY | A SUSTAINABLE TOMORROW

6 Health Guardians Club

Promotes health awareness, preventive healthcare, healthy lifestyles, and community well-being through student-led health initiatives.

HEALTHY PEOPLE | HEALTHY COMMUNITIES

Together for a Sustainable and Inclusive World

ETERNAL UNIVERSITY, BARU SAHIB | PEOPLE | PLANET | PROSPERITY | PEACE | PARTNERSHIP

TESTIMONIALS

VOICES OF OUR STUDENTS

The university experience unfiltered.

Nitika Tomar

B.Sc. (Hons) Psychology

“Eternal University helped me grow academically and personally through supportive faculty, a diverse community, and a challenging curriculum. I'm grateful for the opportunities and lifelong friendships I gained here.

Apoorva Sharma

B.A. (Humanities)

“The university combines effective learning with extracurricular opportunities that build communication, teamwork, and responsibility. Its focus on values, discipline, and ethical learning has shaped me positively.

Gurleen Kaur

BBA

“Supportive faculty, excellent resources, workshops, and practical learning helped me grow both personally and professionally. The mentorship I received made my university experience truly meaningful.

Banshika Pathania

B.Com. (Hons.)

“Eternal University offers a peaceful academic environment with supportive faculty and a strong focus on values, ethics, and leadership. My experiences here gave me confidence and clarity for my future.

Muskan Soni

B. Ed.

“My studies and practical training at Akal College of Education strengthened my commitment to teaching. The values-based academic environment prepared me confidently for the modern classroom.

Simran Thakur

B. Ed.

“The supportive environment, dedicated faculty, and interactive learning helped me develop effective communication skills, confidence, and holistic growth.

VOICES OF OUR STUDENTS

Real
Students.
Real Stories.
Brighter
Futures.

Gunjan Thakur
M.Tech (Food Tech)

Eternal University's strong research culture, excellent laboratories, and supportive faculty helped me develop technical knowledge, research skills, and professional confidence

Smriti
M.Sc. Nursing

The University's supportive faculty, student-centred learning, peaceful campus, and focus on academic and personal development made my experience truly enriching.

Priyanshi Gupta
M.Sc. (Food Tech.)

Eternal University's peaceful environment, supportive faculty, and strong academic culture helped me grow personally and academically and pursue my Ph.D. journey.

Surbhi Jagota
M.Sc. Hort.

My research journey at Eternal University strengthened my understanding of plant breeding and research. Academic events, workshops, and faculty guidance prepared me for higher studies and a career in horticulture.

Priyanka
M.Sc (Ag.) Agronomy

Supportive and experienced faculty, well-equipped laboratories, and practical learning created a positive academic environment that strengthened my understanding and scientific thinking.

Anchal Thakur
M.Sc. Physics

“Eternal University gave me an exceptional research environment to explore Physics, Materials Science, and Nanotechnology. It strengthened my critical thinking, confidence, and passion for scientific research.”

Saloni
B.Sc. (Hons.)
Microbiology

Eternal University gave me a strong academic foundation through excellent laboratories, supportive faculty, and research-oriented learning. It inspired me to pursue higher education and scientific research.

“It always seems impossible until it's done.”
